CEVAP ANAHTARI

5sinif supreme-sign-p12-the-atmosphere-the-wise-services-of-clouds-wind-rain-lightning-and-thunder - Set 1 - CEVAPLAR

1-) What does the place called the atmosphere tell the traveler to do?
It tells him to pay attention to it so he can find the One he is looking for.
2-) What is the traveler searching for through his reflections?
He is searching for the One who created him and sent him into the world.
3-) How do the clouds serve the earth?
They send water, support life, and help keep conditions suitable.
4-) About how fast do the clouds come together when they are commanded to pour rain?
They come together within a very short time, even just a few minutes.
5-) What does the quick gathering of clouds suggest?
It suggests that they are controlled immediately and exactly.
6-) What does the traveler understand about the air from its many duties?
He understands that it is directed with wisdom and generosity.
7-) What does the traveler notice about lightning and thunder?
He sees that they also have amazing duties.
8-) Why are the raindrops not described as ordinary water only?
Because they are presented as carrying many blessings and acts of kindness.
9-) What does the traveler notice after looking at rain?
He then pays attention to lightning and thunder and sees they also have amazing jobs.

5sinif supreme-sign-p12-the-atmosphere-the-wise-services-of-clouds-wind-rain-lightning-and-thunder - Set 2 - CEVAPLAR

1-) Who is the guest in the world in this passage?
The traveler is the guest.
2-) How is the atmosphere described in a way that mixes strength and kindness?
It seems stern in appearance but gentle in benefit.
3-) Besides watering the earth, what else do the clouds help control?
They help adjust the heat needed for life.
4-) What does the passage say clouds give to the people and creatures of the earth?
They provide the water needed for life.
5-) What comparison helps us imagine the clouds' obedience?
They are like a trained army following commands.
6-) What are some gifts the air brings to living things?
It brings breath, warmth, light, electricity, and sound.
7-) Name two things the air carries or transmits.
It transmits sound and carries heat.
8-) How are the raindrops described to show beauty?
They are shown as delicate, shining, and sweet.
9-) What final understanding does the traveler gain from clouds, wind, rain, and lightning together?
He gains the understanding that all of them are signs working under Allah's command.

5sinif supreme-sign-p12-the-atmosphere-the-wise-services-of-clouds-wind-rain-lightning-and-thunder - Set 3 - CEVAPLAR

1-) What part of creation begins speaking to the traveler in this passage?
The atmosphere, or the open space around the earth, begins speaking to him.
2-) What sound in the atmosphere makes the traveler listen carefully?
The strong sound of thunder makes him listen.
3-) How do the clouds show order and discipline?
They appear and disappear like a trained army and gather quickly when it is time to send rain.
4-) How do clouds show both size and obedience at the same time?
Even though they are huge and can cover the sky, they still disappear and return according to command.
5-) What does this quick movement of clouds help prove?
It helps show that they are under control, not acting by themselves.
6-) Why is rain linked with mercy in the passage?
Because each drop is described as bringing many caring gifts and helpful jobs from Allah's mercy.
7-) What does the air do for communication?
It carries sound.
8-) Why does the passage connect rain with a hidden treasure of mercy?
Because rain brings many blessings that show kindness from Allah.
9-) Which part of the passage best shows quick obedience in nature?
The part where the clouds gather almost right away when rain is ordered.

5sinif supreme-sign-p12-the-atmosphere-the-wise-services-of-clouds-wind-rain-lightning-and-thunder - Set 4 - CEVAPLAR

1-) What is the first thing the atmosphere says to the traveler, in simple meaning?
It tells him to study it so he can find the One he is seeking.
2-) What kind of care do the clouds show toward the world?
They care for it wisely and mercifully by bringing needed water.
3-) How do the clouds help the earth like a garden?
They water it carefully and kindly.
4-) What shows that the clouds are ready servants?
They hide when needed and come together quickly when told to send rain.
5-) How are the atoms of air pictured to help us understand the order in nature?
They are pictured as if they are listening to commands and carrying them out carefully.
6-) Why is it surprising that the air performs so many jobs?
Because its tiny parts are lifeless and unaware, yet they act in an orderly way.
7-) What special help does the air give to plants?
It helps them reproduce by carrying pollen.
8-) Why is the name “mercy” suitable for rain in this passage?
Because rain reaches creation like a loving help full of benefits.
9-) How do thunder and lightning add to the traveler’s understanding?
They help him see that even frightening events in the sky have special purposes and are under control.

5sinif supreme-sign-p12-the-atmosphere-the-wise-services-of-clouds-wind-rain-lightning-and-thunder - Set 5 - CEVAPLAR

1-) In this passage, what does the traveler learn from looking at the atmosphere?
He learns that it points him to the Creator.
2-) What are two important jobs of the clouds in this passage?
They bring water to the earth and help make the temperature suitable for life.
3-) What does the passage say clouds do when help is needed?
They hurry to bring help where it is needed.
4-) What happens when it is time for rain to fall?
The clouds gather very quickly and fill the sky, waiting for further command.
5-) How does the air help plants?
It helps with pollination.
6-) How is the air described as serving living things?
It helps them breathe and brings them things they need for life.
7-) What does the air carry from place to place besides things needed for life?
It carries sound.
8-) What can we infer from the way the atmosphere works in an organized way?
We can understand that there is a wise and powerful Creator managing it.
9-) What is one lesson a Muslim student can take from this passage?
The order in nature should lead us to remember Allah’s wisdom, care, and power.

5sinif supreme-sign-p12-the-atmosphere-the-wise-services-of-clouds-wind-rain-lightning-and-thunder - Set 6 - CEVAPLAR
