CEVAP ANAHTARI

8sinif supreme-sign-p17-the-globe-of-the-earth-from-brief-testimony-to-the-formula-of-the-3rd-degree-of-the-1st-station - Set 1 - CEVAPLAR

1-) What main belief does the earth express in this passage?
The earth points to the oneness of Allah and shows that only He truly deserves worship.
2-) What does the passage say about the earth's witness?
It says the earth gives testimony with everything inside it and on its surface.
3-) Which living things are especially included in this testimony?
All living creatures are included.
4-) Name two kinds of divine care mentioned in the passage.
Nurturing and protecting.
5-) What does the mention of seed distribution show?
It shows planning, wisdom, and control over how life spreads.
6-) How does the passage show that Allah's mercy is wide and not limited?
It describes mercy and compassion as general and universal.
7-) What does the phrase about giving life to all animate beings teach?
It teaches that all living things depend on Allah for their life and care.
8-) Is the testimony described as hidden or observable? Explain.
It is observable, because the passage says this truth can be seen and witnessed.
9-) Why does the passage list many actions like nurturing, managing, and protecting?
To show that the earth's order and life are not random but come from Allah's complete power and wisdom.
10-) What thinking skill does this passage ask from the reader?
It asks the reader to reflect on the signs of the earth and connect them to belief in Allah.

8sinif supreme-sign-p17-the-globe-of-the-earth-from-brief-testimony-to-the-formula-of-the-3rd-degree-of-the-1st-station - Set 2 - CEVAPLAR

1-) According to the passage, what does the earth prove through its condition and what it contains?
It proves the necessary existence and unity of Allah.
2-) How much of the earth's witness is being summarized in this passage?
It is a brief statement of what was seen in one aspect of one page from the earth's many pages.
3-) What does that detail suggest about the full signs found in the earth?
It suggests the signs are extremely many and far greater than this short summary.
4-) What does "subjugation" mean in this passage?
It means things in the earth are under Allah's command and serve His purposes.
5-) What does "administration" teach us about the world?
It teaches that the world is managed in an orderly way, not left without care.
6-) Why is protection important in the earth's testimony?
Because living things and their needs are preserved in a way that points to careful divine care.
7-) How do compassion and mercy strengthen the argument of the passage?
They show that power is joined with kindness, care, and generosity toward creation.
8-) What kind of truth is described at the end of the statement?
A vast, complete, and observable truth.
9-) What is the relationship between the earth and Allah in this passage?
The earth is a witness that points to Allah, while Allah is the One who controls, cares for, and sustains all on it.

8sinif supreme-sign-p17-the-globe-of-the-earth-from-brief-testimony-to-the-formula-of-the-3rd-degree-of-the-1st-station - Set 3 - CEVAPLAR

1-) Who is being testified to in this passage?
Allah, the One whose existence and oneness are certain.
2-) What acts of care are mentioned as signs on the earth?
Directing things, raising them, bringing them forth, spreading seeds, guarding them, managing them, and providing for living beings.
3-) How does the passage connect seeds with belief in Allah?
Their spreading and development show purposeful design and control, which point to Allah.
4-) What does the passage teach about the source of provision for living things?
It teaches that Allah provides for all living beings.
5-) Why does the passage mention both what is in the earth and what is on it?
To show that the testimony is complete and includes all parts of the earth.
6-) What can we infer from the long list of divine actions in the passage?
We can infer that Allah's care covers every stage and need of creation.
7-) Does the passage present Allah's mercy as narrow or all-encompassing?
It presents Allah's mercy as all-encompassing.
8-) What kind of evidence is used in this passage: imaginary ideas or visible signs?
Visible signs.
9-) Why is the truth called perfect or complete?
Because many different signs work together to support the same belief.

8sinif supreme-sign-p17-the-globe-of-the-earth-from-brief-testimony-to-the-formula-of-the-3rd-degree-of-the-1st-station - Set 4 - CEVAPLAR

1-) In simple words, what is the passage saying about the earth?
The earth is like a huge witness that shows Allah's existence, unity, care, and mercy.
2-) What does the passage mean by saying the earth testifies with all that is in it and on it?
Every part of the earth, including its creatures and systems, points to Allah.
3-) Which word in the passage shows that Allah raises and develops creation step by step?
Nurturing.
4-) Which word shows that Allah keeps creation safe and watched over?
Protection.
5-) Which word shows that Allah runs affairs in an organized way?
Administration.
6-) What does the passage suggest about randomness in the world?
It suggests the world is not random but carefully directed.
7-) How do mercy and compassion affect the tone of the passage?
They make the message not only about power, but also about kindness and care.
8-) What does it mean that this truth is "to be observed"?
It means people can notice it by looking thoughtfully at the world.
9-) What is one strong summary sentence for the passage?
The earth and all life upon it show the power, wisdom, and mercy of Allah.

8sinif supreme-sign-p17-the-globe-of-the-earth-from-brief-testimony-to-the-formula-of-the-3rd-degree-of-the-1st-station - Set 5 - CEVAPLAR

1-) What central statement begins this passage's declaration of faith?
That there is no god except Allah.
2-) What title for Allah in the passage shows that His existence does not depend on anyone else?
The Necessary Being.
3-) What does the earth's testimony support besides Allah's existence?
It also supports His unity.
4-) Why is spreading seeds included in the list of signs?
Because it shows wise planning for the continuation of life.
5-) What does "giving life to all animate beings" include?
It includes all creatures that are alive.
6-) How does the passage join power and mercy together?
It shows that the One who controls and manages everything also treats creation with compassion and mercy.
7-) Why is the testimony called comprehensive?
Because it covers many different actions and reaches all across the earth.
8-) What can a reader infer from the phrase "general and universal" mercy?
That Allah's mercy reaches all kinds of creatures, not just a few.
9-) Is this passage mainly about one small event or about the whole earth? Explain.
It is about the whole earth, because it speaks about everything in it and upon it.

8sinif supreme-sign-p17-the-globe-of-the-earth-from-brief-testimony-to-the-formula-of-the-3rd-degree-of-the-1st-station - Set 6 - CEVAPLAR

1-) What is the source of the meaning described in this passage?
It comes from what the traveler understood from one small part of the earth's many signs.
2-) Why does the passage mention only one aspect of one page of the globe?
To show that even a small sample from the earth is enough to point to Allah.
3-) According to the passage, what does the earth do as a witness?
It points to Allah's necessary existence and His oneness.
4-) What does "disposition" or directing things suggest about nature?
It suggests that natural things are arranged and guided with purpose.
5-) How is nurturing different from mere creating?
Nurturing includes continued care, growth, and development after creation.
6-) What role does preservation play in the passage's argument?
It shows that life is not only started but also maintained by Allah.
7-) Why are mercy and compassion placed near the end of the list?
They gather the meaning of all the other actions and show the loving side of divine care.
8-) Give a short overall explanation of the passage.
The passage teaches that the earth, with all its life, order, care, and mercy, clearly points to Allah alone.
9-) What is the main message a student should take from this passage?
The earth is full of clear signs that all life and order come from Allah alone.
