

1

What is the main idea of the fifth matter about human life?

Cevap 1

A person should knowingly show the spiritual gifts given through the divine names and present them before Allah with awareness and gratitude.

2

In the fifth matter, what comparison is used to explain this duty?

Cevap 2

It compares a person to a soldier who wears honors from his king and appears before him showing those signs of favor.

3

What are the “jewels” in the fifth matter meant to represent?

Cevap 3

They represent the fine inner abilities and senses placed in a person through divine gifts.

4

According to the sixth matter,
what should a person observe in
living beings?

Cevap 4

A person should notice how living things point to their Creator through their life, praise, and worship.

5

Besides observing these signs in living beings, what else should a person do in the sixth matter?

Cevap 5

A person should think deeply about them, recognize what they mean, and bear witness to them.

6

What is the central teaching of
the seventh matter?

Cevap 6

Human beings should use their limited qualities as a way to understand Allah's perfect and unlimited attributes.

7

Which human qualities are mentioned as examples in the seventh matter?

Cevap 7

Knowledge, power, and will are mentioned.

8

Which divine qualities are highlighted at the end of the seventh matter?

Cevap 8

Power, knowledge, and wisdom
are highlighted.

9

What duty is described in the fifth matter?

Cevap 9

It is the duty to consciously beautify oneself with the subtle gifts granted through the divine names and stand as one seen by Allah.

10

Why is the image of a decorated soldier important in the fifth matter?

Cevap 10

It shows that gifts from a ruler are not hidden but displayed respectfully before the one who gave them.

11

What attitude is required in the fifth matter when showing these spiritual gifts?

Cevap 11

It requires awareness, respect,
and recognition that these gifts
come from Allah.

12

In the sixth matter, what do the signs of life in creatures point toward?

Cevap 12

They point toward the creatures'
praise, devotion, and
directedness to their Creator.

13

What two actions are expected from a person in the sixth matter after noticing these signs?

Cevap 13

A person should reflect on them
and then testify to what they
show.

14

In the seventh matter, why are human qualities called measures?

Cevap 14

They serve as small examples that help a person understand greater and absolute divine qualities.

15

What lesson comes from
comparing a person's house with
the palace of the world?

Cevap 15

The lesson is that the order of the universe proves a Creator whose qualities are infinitely greater than human abilities.

16

What does the passage imply about Allah's qualities compared with human qualities?

Cevap 16

Allah's qualities are perfect and absolute, while human qualities are small and limited signs.

17

What does the fifth matter teach
a person to do with the abilities
given to him?

Cevap 17

It teaches him to value them as honors from Allah and present them consciously, not carelessly.

18

What kind of human capacities
are emphasized in the fifth
matter?

Cevap 18

The passage emphasizes refined inner senses and subtle capacities.

19

According to the sixth matter,
how are life, signs of life, and the
purpose of life connected?

Cevap 19

They all serve as ways living beings express their relation to their Creator through praise, devotion, and worship.

20

What does it mean in the sixth matter to “display” what one has seen?

Cevap 20

It means to affirm and show the truth of those signs after understanding them.

21

In the seventh matter, what is the role of limited human knowledge, power, and will?

Cevap 21

Their role is to act as small examples through which a person can grasp Allah's perfect attributes.

22

What inference should a person make from the order in his own house?

Cevap 22

He should conclude that the One who arranged the whole world must be fully powerful, fully knowing, and perfectly wise.

23

How does the seventh matter
move from the small to the great?

Cevap 23

It starts with human experience in a small setting and leads the mind to the Creator of the entire universe.

24

What does the passage suggest about the relationship between the human being and the world?

Cevap 24

It suggests that the human being is given small measures that help him recognize the greatness of the One who manages the entire universe.
