CEVAP ANAHTARI

11sinif 11-soz-eng-with-arabic-p08-namazın-hakikati-halikin-efaline-marifet-muhabbet-ve-sukurle-mukabele - Set 1 - CEVAPLAR

1-) How did the believers answer the mercy and compassion shown through blessings?

They answered with gratitude, praise, and glorification directed to Allah.

2-) According to the passage, why is it hard to thank Allah as He truly deserves?

His favors are so many and so widespread that human thanks can never fully match them.

3-) What in the universe is described as showing praise and thanks for divine blessings?

The blessings themselves, through their existence and presence everywhere, point to His praise and thankfulness.

4-) What does the passage say the blessings spread across the world are announcing?

They are making His praise and greatness known.

5-) How do the fruits of mercy serve as signs of thankfulness?

Their balanced and beautiful form shows generosity and bounty, and in that way they testify with gratitude.

6-) What main quality of Allah is emphasized through the mention of sweet blessings?

His mercy and compassion.

7-) Why does the passage mention both the whole universe and the face of the earth?

To show that signs of divine generosity appear at every level, from the widest scale to the human world around us.

8-) What is the central message of this passage section?

Allah's countless blessings should lead people to deep gratitude, praise, and recognition of His mercy and generosity.

11sinif 11-soz-eng-with-arabic-p08-namazin-hakikati-halikin-efaline-marifet-muhabbet-ve-sukurle-mukabele - Set 2 - CEVAPLAR

1-) In this passage, what are the believers mainly doing after seeing divine blessings?

They are offering thanks and praise to Allah.

2-) What causes them to respond in this way?

They see mercy and compassion reflected in the many blessings given by the True Giver.

3-) Besides personal speech, what else is described as giving praise?

The blessings throughout the universe and on the earth are described as pointing to and declaring praise.

4-) How does the passage connect bounty with praise?

The gifts themselves show the generosity of the One who gave them, so they become signs calling for praise.

5-) What role do fruits play in the meaning of the passage?

They are examples of carefully made gifts that show mercy, provision, and generosity.

6-) Why does the passage draw attention to the order and proportion of these fruits?

Their careful design shows that the blessings are given with wisdom, care, and generosity, not by accident.

7-) Summarize the passage in one sentence.

Allah's mercy appears through blessings everywhere, and those blessings call believers to sincere praise and thanks.

8-) What is one major lesson a Muslim student can take from this passage?

Everyday blessings should increase awareness of Allah and lead to thankful worship.

11sinif 11-soz-eng-with-arabic-p08-namazin-hakikati-halikin-efaline-marifet-muhabbet-ve-sukurle-mukabele - Set 3 - CEVAPLAR

1-) Who is being thanked and praised in this passage?

Allah, the true giver of blessings.

2-) What two divine qualities are especially shown through the blessings mentioned here?

Mercy and compassion.

3-) What does the passage teach about the scale of Allah's blessings?

They extend across the whole universe and all over the earth.

4-) How do the blessings themselves act like witnesses?

Their existence and arrangement show generosity and point back to the One who gave them.

5-) What is the meaning of saying that blessings have clear tongues?

It means they silently communicate truth through what they are and what they provide.

6-) Why does the passage mention the sight of creatures observing the fruits of mercy?

To show that these blessings are openly displayed as visible signs of divine generosity.

7-) What kind of reasoning does the passage use to move from blessings to praise of Allah?

It uses reflection on visible gifts to reach the conclusion that the generous Giver deserves praise.

8-) Why is human gratitude described as never fully enough?

Because Allah's favors are too many and too great to be repaid or matched by human thanks.

11sinif 11-soz-eng-with-arabic-p08-namazın-hakikati-halikin-efaline-marifet-muhabbet-ve-sukurle-mukabele -

Set 4 - CEVAPLAR

1-) What response comes after believers witness Allah's mercy through His blessings?

They respond with thanksgiving, praise, and glorification.

2-) Why does the passage speak as if all blessings are praising Allah?

Because every blessing points to His perfection, mercy, and generosity.

3-) What does the wide spread of blessings across the world show?

It shows the greatness and abundance of Allah's giving.

4-) How are mercy and bounty linked in this passage?

Mercy appears in the form of gifts and provisions, and those gifts reveal divine bounty.

5-) What is shown by the careful balance and beauty of the fruits mentioned?

They show intentional care, wisdom, and generosity from Allah.

6-) How does the passage use observation to build belief?

It asks the reader to notice the gifts in creation and see them as evidence of Allah's mercy and worthiness of praise.

7-) What moral duty grows out of receiving blessings according to the passage?

The duty to be grateful and to praise Allah.

8-) How does the passage connect seeing blessings with speaking words of praise?

Reflecting on blessings naturally leads the believer to verbal gratitude and glorification.

11sinif 11-soz-eng-with-arabic-p08-namazin-hakikati-halikin-efaline-marifet-muhabbet-ve-sukurle-mukabele - Set 5 - CEVAPLAR

1-) What are believers shown doing when they notice divine compassion in worldly blessings?

They are thanking and praising Allah.

2-) What does the passage say about the source of all blessings?

They come from the true and real giver, Allah.

3-) What image is used to show how openly blessings are provided on earth?

The earth is pictured like a place filled with goods set out before people.

4-) What does that image suggest about Allah's generosity?

His giving is abundant, visible, and available throughout the world.

5-) In what way do the blessings of the universe encourage faith?

They show order, care, and mercy, which point to Allah and call people to believe and be thankful.

6-) Why are fruits mentioned as examples instead of only speaking in general terms?

They give a concrete and easy-to-see example of mercy, provision, and beautiful design.

7-) What can be inferred from the phrase describing fruits as well-shaped and finely measured?

Their form reflects wisdom and purpose, not randomness.

8-) What is the main comprehension takeaway from the entire passage?

Since Allah's mercy appears through countless blessings everywhere, believers should answer with sincere gratitude, praise, and recognition of His generosity.

11sinif 11-soz-eng-with-arabic-p08-namazin-hakikati-halikin-efaline-marifet-muhabbet-ve-sukurle-mukabele - Set 6 - CEVAPLAR

1-) What is the first response described in this passage after noticing Allah's gifts?

A response of thanks and praise.

2-) What is being revealed through the blessings given to creation? Allah's mercy, compassion, generosity, and bounty.

3-) What does the passage teach about the meaning of blessings in everyday life?

They are signs that should remind people of Allah rather than make them careless.

4-) How do the blessings across the universe support the idea of divine care?

Their presence everywhere shows that Allah's care reaches all parts of creation.

5-) What is the significance of saying that blessings on earth proclaim praise?

It means their very existence announces the greatness and generosity of the One who provided them.

6-) How do the fruits of mercy differ from ordinary objects in the way they are described?

They are presented as carefully arranged signs of compassion and generosity, not as meaningless items.

7-) What kind of spiritual attitude is encouraged by this passage?

A thankful heart, reflective thinking, and humble praise of Allah.

8-) What overall view of the world does this passage teach?

The world is full of signs of Allah's mercy, and those signs should draw people to praise Him.
