CEVAP ANAHTARI

5sinif 13-soz-eng-with-arabic-p05-esma-sifat-iman-ve-seriatta-kurani-tenasub - Set 1 - CEVAPLAR

1-) What picture is used to help explain Allah's names, attributes, and actions?

A shining Tuba-like tree is used as the picture.

2-) What is one example in the passage of Allah's action inside creation at a very small level?

One example is Allah splitting seeds and pits.

3-) What do the examples from the human heart and the womb have in common?

They both point to hidden and delicate matters known and controlled by Allah.

4-) What do all these examples together teach about Allah's actions? They teach that His actions include everything from the smallest to the greatest.

5-) What does the passage say never happens between these teachings?

They do not ruin each other or fall out of balance.

6-) Who is said to recognize this most strongly?

Those with insight into reality and wise understanding recognize it most strongly.

7-) What are the five pillars of Islam compared to?

They are compared to a small twig growing from the branch of belief.

8-) What does the passage say has come out from the Qur'an's teachings?

The greater Islamic law has come out from them.

9-) What kind of knowledge is described as the true source?

A complete knowledge that sees everything together across all ages.

10-) What kind of source does the passage say the Qur'an comes from instead?

It comes from One whose knowledge covers everything at once.

5sinif 13-soz-eng-with-arabic-p05-esma-sifat-iman-ve-seriatta-kurani-tenasub - Set 2 - CEVAPLAR

1-) In the comparison, what does the tree of light stand for?

It stands for Allah's names, qualities, and actions.

2-) Why are both beginningless time and endless future mentioned?

To show that Allah's reality is not tied to a short period.

3-) Name one example that points to Allah's care over human life before birth.

Allah's shaping of people in the womb is one example.

4-) What can we learn from the examples about the heavens?

Allah has full control over the universe.

5-) What does the passage say about the relationship between these truths?

Their meanings agree with each other and do not conflict.

6-) What does the passage say about how the Qur'an presents the six pillars of belief?

It presents all their parts, even distant results, with great harmony and balance.

7-) Why does the passage say the mind stands amazed?

Because the beauty and exactness are too great for the mind to fully cover.

8-) What does the passage say this proof cannot be?

It cannot be explained as coming from limited human knowledge.

9-) According to the passage, where does that law come from?

It comes from the Qur'an's clear teachings, meanings, hints, and signs.

10-) How does the final prayer connect to the rest of the passage?

It asks Allah to give us the same divine light through faith and the Qur'an.

5sinif 13-soz-eng-with-arabic-p05-esma-sifat-iman-ve-seriatta-kurani-tenasub - Set 3 - CEVAPLAR

1-) What comparison opens the passage?

A highest example is given using a great tree of light.

2-) What does the passage show by saying the tree spreads everywhere?

It shows the unlimited greatness of Allah's rule and activity.

3-) What can we learn from the example about hearts?

Allah knows and controls even what is deep inside people.

4-) Why is it important that the passage includes both kinds of examples?

It is important because it shows that Allah's acts include every level of existence.

5-) What do such people say after seeing this harmony?

They praise Allah and say the explanation is true, exact, and beautiful.

6-) In the passage, what do the six pillars of belief show about the Qur'an's teaching style?

They show that the Qur'an connects many important truths in a balanced way.

7-) What is the link between the five pillars of Islam and the greater Shari'a in the passage?

The greater Shari'a shows the balanced order that comes from those teachings.

8-) How detailed is the balance found in the five pillars of Islam?

It reaches even the smallest actions, purposes, wisdoms, and outcomes.

9-) What special ability is described for the true source of the Qur'an?

The true source sees all things together in one view.

10-) How does the quoted verse from Surah al-Kahf match the argument?

It shows the Qur'an is perfectly straight and without fault.

5sinif 13-soz-eng-with-arabic-p05-esma-sifat-iman-ve-seriatta-kurani-tenasub - Set 4 - CEVAPLAR

1-) What is the main symbol used in the passage to explain a huge spiritual reality?

The main symbol is a magnificent tree made of light.

2-) What does the passage suggest by mentioning both endless time and endless space?

It suggests that Allah's greatness is not boxed in by time or place.

3-) Which examples in the passage show hidden and personal acts of Allah?

The examples about the heart and the womb show hidden and personal acts.

4-) According to the passage, what does the Qur'an avoid doing when it explains these truths?

It does not mix them up, damage their meaning, or make them clash with one another.

5-) What kind of people are mentioned as recognizing this?

Deep thinkers, wise people, and people who seek the inner meanings of things.

6-) What does the Qur'an do with that branch?

It describes all its connected parts with balance and beauty.

7-) What effect does this have on the human mind?

The mind is amazed because it cannot fully match that level of beauty and balance.

8-) What idea about the Qur'an's source follows from this proof?

Its source must be divine, not merely human.

9-) What does that proof say about the source of the Qur'an?

It says the Qur'an cannot come from limited human thought.

10-) What does the verse about the Book having no crookedness support?

It supports the idea that the Qur'an is straight, perfect, and free from fault.

5sinif 13-soz-eng-with-arabic-p05-esma-sifat-iman-ve-seriatta-kurani-tenasub - Set 5 - CEVAPLAR

1-) What example from nature is used to explain a reality beyond nature?

A huge tree of light is used.

2-) What does the tree's reach across all time show?

It shows that Allah's reality and rule are beyond beginning and end.

3-) What main idea comes from putting small examples next to huge examples?

Allah's knowledge and power cover everything, from tiny details to the greatest things.

4-) How are the truths connected to Allah's names and actions described by the Qur'an?

They are described with strong agreement and proper balance.

5-) What are they convinced about?

They are convinced that the explanation is accurate and in agreement with reality.

6-) What are the six pillars of belief compared to in relation to the great tree?

They are compared to a branch.

7-) How are the five pillars of Islam related to the six pillars of belief in the passage?

They are shown as a smaller growth coming from belief.

8-) How small a level does that balance reach?

It reaches even the tiniest behavior, wisdom, purpose, and result.

9-) Why does the passage especially deny that an unlettered person could produce this by himself?

Because the passage says such perfect balance needs complete knowledge, not limited human learning.

10-) What two things are asked to be filled with light in the final prayer?

Hearts and graves.

5sinif 13-soz-eng-with-arabic-p05-esma-sifat-iman-ve-seriatta-kurani-tenasub - Set 6 - CEVAPLAR

1-) What is the “highest similitude” followed by in this passage?

It is followed by a comparison to a radiant Tuba-like tree.

2-) What do the examples about seeds, hearts, and babies in the womb show?

They show that Allah’s actions include very small, close, and hidden matters.

3-) What examples show Allah’s actions in the largest parts of the universe?

Creating the heavens and earth, folding the heavens, and controlling the sun and moon.

4-) What does this suggest about the Qur’an’s teachings as a whole?

It suggests they form one complete and consistent message.

5-) Who notices this deep harmony?

People with insight and wisdom notice it.

6-) What are the six pillars of belief like in the tree comparison?

They are like one branch.

7-) How fully does the Qur’an cover the six pillars of belief?

It covers their parts, connections, and even distant outcomes.

8-) From what sources in the Qur’an is that greater Islamic law said to come?

It comes from the Qur’an’s clear words, meanings, signs, and subtle hints.

9-) What kind of speaker could produce such a book, according to the passage?

Only One with complete and all-seeing knowledge could produce it.

10-) Why is the verse about no crookedness important here?

It matches the idea that the Qur’an is perfectly straight and sound.
