Cevap 4 The relationships between all the parts, including their sizes, positions, and fitting connections.	Cevap 3 It makes an accurate drawing of it strong evidence of knowledge beyond normal observation.	Cevap 2 Their parts must relate to one another with harmony and balance.	Cevap 1 A huge unusual tree hidden behind a veil is used as the main image.
Cevap 8 They recognized the beauty and precision of its portrayals and praised Allah.	Cevap 7 It has preserved the right proportion and fitting relation among all parts of existence.	Cevap 6 It symbolizes the full reality of creation.	Cevap 5 Because the object being drawn has not been seen openly.
Cevap 12 Mutual relation, harmony, and balance.	Cevap 11 A vast and extraordinary tree spread out widely but hidden in the unseen.	Cevap 10 The Qur'an's descriptions are so comprehensive and balanced that they point to perfect knowledge of the whole of creation.	Cevap 9 They concluded that it is wonderfully fitting and that the Qur'an uniquely explains reality.

13 Why would a correct sketch on the veil remove doubt?	14 What action does the imagined person perform on top of the veil?	15 What does the phrase about an eye reaching the unseen point to?	16 How wide is the created order described in the passage?

Cevap 16 It stretches from the world's beginning to the far end of the hereafter, from the earth to the divine throne, and from tiny particles to the sun.	Cevap 15 It points to penetrating knowledge of what is hidden from ordinary view.	Cevap 14 He draws the hidden structure with exact boundaries and proper proportions.	Cevap 13 Because such a sketch would reveal exact knowledge of something no one could see directly.
Cevap 20 It implies that the Qur'an has a uniquely deep understanding of the structure and meaning of existence.	Cevap 19 It serves as the one that unlocks the hidden meaning of the universe and creation.	Cevap 18 It spans time, space, and levels of existence from the smallest things to the greatest.	Cevap 17 From the start of the world to the hereafter, from the earth to the divine throne, and from particles to the sun.
Cevap 24 He would need to draw every part accurately and connect distant parts in the right measure.	Cevap 23 Branches, fruit, leaves, and blossoms.	Cevap 22 Each part is shaped in line with the tree's own nature.	Cevap 21 A strange and immense tree is concealed behind a veil of the unseen.
