They are under Allah's command.

8-) What surprising job do very soft roots do?

They enter and pass through hard rock and earth.

9-) What two things are said to challenge the ideas of naturalist thinkers?

Roots breaking through rock and leaves staying moist in heat.

10-) What is the big lesson from roots, leaves, rock, and heat together?

Everything obeys Allah.

2sinif short-words-p03-first-word-all-beings-say-bismillah-through-the-language-of-their-state - Set 2 - CEVAPLAR

1-) What main idea is answered with “Yes, it is so”?

That all things show, in their own way, that they act with Allah’s name.

2-) What picture is given to help answer that question?

A lone man making a whole town’s people move and work.

3-) How does this help us understand the world?

It shows that created things do their work with Allah’s power.

4-) What does the passage say trees are doing for us?

Bringing us gifts from Allah’s mercy.

5-) What giant living things come from them?

Trees.

6-) Which four animals are called blessed in the passage?

Cows, camels, sheep, and goats.

7-) What other weak-looking part of a plant is mentioned besides roots?

Thin green leaves.

8-) What does the passage say about tiny roots?

They are soft, but they still push through rock and soil.

9-) What claim about nature is being pushed back against?

The idea that nature works by itself without Allah.

10-) Why are their stories mentioned here?

To help show that Allah can control rock and fire, and everything else too.

2sinif short-words-p03-first-word-all-beings-say-bismillah-through-the-language-of-their-state - Set 3 - CEVAPLAR
