5sinif short-words-p65-worship-as-worldly-happiness-first-aspect-needs-justice-sharia-prophethood-and-belief - Set 1

- CEVAPLAR

1-) What makes human beings different from other living things in the passage?

People are described as having a special and delicate nature that gives them choice, higher wishes, and a desire for a fitting life.

2-) What human needs are mentioned as requiring effort and skill?
Eating, dressing, and having a place to live.

3-) Why do these needs push people toward society?

Because fulfilling them well requires many kinds of work, so people need one another.

4-) What problem comes when these powers have no fixed limits?

People can go too far, become unfair, and harm others.

5-) What is needed to keep people fair in their dealings?

Justice is needed.

6-) Why can't justice depend only on separate individuals?

Because individuals do not fully understand complete justice by themselves.

7-) Why is a prophet needed after a law is given?

A prophet is needed to bring the law, announce it, and make people accept its authority.

8-) What must people see in a prophet so they can trust and follow him?

Excellence in character, conduct, moral strength, and spiritual and outward qualities.

9-) What is the sign that a prophet's link to the Lord is strong and true?

Miracles.

10-) What repeated act serves as a constant reminder of belief?

Worship.

5sinif short-words-p65-worship-as-worldly-happiness-first- aspect-needs-justice-sharia-prophethood-and-belief - Set 2 - CEVAPLAR

1-) What special gift in human nature allows people to make choices?

People have a unique nature that includes free choice.

2-) What kinds of aims are included in human nature?

Seeking beautiful things, adornment, provision, and a suitable rank in life.

3-) What does this teach about being part of a community?

People are meant to cooperate, support one another, and exchange what they produce.

4-) What is one result of desire, anger, and intellect going beyond limits?

Oppression and harmful behavior appear among people.

5-) What moral need rises in society because of this danger?

The need for justice.

6-) What is that law identified as?

The Shari'a.

7-) Who is given that role in the passage?

The Prophet, peace and blessings be upon him.

8-) What qualities help a prophet guide people successfully?

Great moral beauty, strong character, spiritual excellence, and noble conduct.

9-) Why are the truths of belief important for society's obedience?

Because belief in Allah's greatness makes people take commands seriously.

5sinif short-words-p65-worship-as-worldly-happiness-first- aspect-needs-justice-sharia-prophethood-and-belief - Set 3 - CEVAPLAR

1-) What main idea begins the passage?

Human beings are created with a special nature unlike other creatures.

2-) Why can one person not prepare everything he needs by himself?

Because meeting human needs takes many different skills and jobs, and one person cannot do them all alone.

3-) What kind of social behavior is encouraged because of this dependence?

Cooperation, mutual aid, and exchange.

4-) How are people different from animals in this matter?

Animals have more limited powers, while human powers are left open and can go too far.

5-) Why is one person's mind not enough to fully establish justice for everyone?

Because a single person's understanding is too limited to grasp complete justice for the whole community.

6-) What does the passage present as the fair guide for everyone?

A universal law.

7-) What name does the passage give to that law?

The Shari'a.

8-) What shows that a prophet truly has a strong connection with Allah?

His miracles.

9-) What must be planted in people's hearts so they obey and avoid sin?

A strong sense of Allah's greatness and sovereignty.

5sinif short-words-p65-worship-as-worldly-happiness-first- aspect-needs-justice-sharia-prophethood-and-belief - Set 4 - CEVAPLAR

1-) According to the passage, what is unusual about human nature?

It is refined and unique, setting people apart from other living beings.

2-) Why do human needs lead to many arts and jobs?

Because food, clothing, and shelter must be prepared in skillful ways.

3-) What does the passage say people must do with one another?

They must join together, help each other, and share the products of their work.

4-) Which part of human life makes justice necessary?

The exchange of labor and benefits among people.

5-) Why is a law greater than one person's opinion needed?

Because justice for everyone must come from something broader and more reliable than one individual's thinking.

6-) What serves as that common guide?

The universal law.

7-) How does the passage describe the needed leader?

As the Prophet, peace and blessings be upon him.

8-) What supports the truth of a prophet's message?

Miracles that show Allah supports him.

9-) How does belief support following Allah's commands?

Belief keeps the greatness of the Creator alive in people, which moves them to obey.

5sinif short-words-p65-worship-as-worldly-happiness-first- aspect-needs-justice-sharia-prophethood-and-belief - Set 5 - CEVAPLAR

1-) What first reason is given for the need for worship and guidance?
Human beings have a special nature with many desires and choices, which makes life complex.

2-) What everyday needs are named as part of human life?
Food, clothing, and housing.

3-) Which human powers are said to have no built-in limits?
Desire, anger, and intellect.

4-) What happens when these powers exceed their limits?
People may act unjustly and become aggressive.

5-) What protects society when people share goods and labor?
Justice protects society.

6-) What law is named as that universal law?
The Shari'a.

7-) Why is the existence of a prophet tied to the law?
Because the law needs someone to deliver it and establish its authority.

8-) What kind of superiority should a prophet have?
He should be superior in body, spirit, morals, conduct, and character.

9-) What helps keep belief strong and fresh in people's minds?
A repeated reminder and renewed action, which is worship.

5sinif short-words-p65-worship-as-worldly-happiness-first-aspect-needs-justice-sharia-prophethood-and-belief - Set 6

- CEVAPLAR

1-) How are humans set apart from other creatures in the passage?

They are given a special nature with deeper choices, wants, and aims.

2-) Why is human life connected to many skills and professions?

Because basic needs must be prepared through many kinds of knowledge and work.

3-) Why do human powers sometimes become dangerous?

Because they were not given tight natural limits, so they can go beyond what is right.

4-) Why do these powers create a need for rules?

Because without natural limits they may lead to excess, wrongdoing, and oppression.

5-) What must exist so all people can benefit from justice?

A general law that stands above individuals.

6-) Why is someone needed to present and uphold that law?

Because a law needs a messenger and authority who declares it and leads people to follow it.

7-) Why must there be a prophet along with the law?

Because the law needs a trusted messenger, teacher, and enforcer.

8-) What confirms that he speaks with authority from Allah?

The miracles given to him.

9-) What repeated practice keeps belief alive and settled in people?

Worship.
