CEVAP ANAHTARI

5sinif short-words-p34-ninth-word-why-the-five-daily-prayers-are-assigned-to-their-times - Set 1 - CEVAPLAR

1-) What is being asked about in this passage?

It is about why the five daily prayers are set at certain times.

2-) How many reasons for the prayer times are explained here?

Only one reason is explained here.

3-) Besides marking a change, what else does each prayer time show?

It shows Allah's power at work and His blessings in the world.

4-) Why are people told to glorify Allah more at those times?

Because those times show His greatness in a special way.

5-) Why are people told to praise and thank Allah more at those times?

Because many blessings gather between one prayer time and the next.

6-) What do the set prayers mean in this passage?

They mean giving glory, praise, and thanks to Allah at these special times.

7-) What does the reader need to do to understand this deep meaning a little better?

The reader should listen carefully to the five points that will be explained.

8-) What does the speaker say will come after this short explanation?

Five points that help explain the meaning more clearly.

5sinif short-words-p34-ninth-word-why-the-five-daily-prayers-are-assigned-to-their-times - Set 2 - CEVAPLAR

1-) Which prayers are being discussed in this passage?

The five daily prayers.

2-) What is special about the times of these prayers according to the passage?

They are tied to important turning points and signs of Allah's power and gifts.

3-) What kind of blessings are mentioned between the prayer times?

Very many blessings that build up during the time between one prayer and the next.

4-) What two main things does each prayer time reflect?

It reflects divine power and divine blessings.

5-) How does the passage connect prayer with gratitude?

It says prayer includes thanking Allah for the blessings received.

6-) How does the passage connect prayer with glorifying Allah?

It says these times call for extra glorifying and honoring Allah.

7-) What does this teach a Muslim about prayer times?

They are not random; they are full of wisdom and meaning.

8-) What will help someone begin to understand this meaning?

Listening to the five points that follow.

5sinif short-words-p34-ninth-word-why-the-five-daily-prayers-are-assigned-to-their-times - Set 3 - CEVAPLAR

1-) What is the main topic of this part of the text?

The wisdom behind the chosen times of the five daily prayers.

2-) Is the explanation here complete or partial? How do you know?

It is partial, because it says only one of many examples of wisdom will be given.

3-) What does the passage say happens at every prayer time?

A major change begins and Allah's power and blessings can be seen in it.

4-) Why do these times lead to more remembrance of Allah?

Because they remind people of His greatness and what He gives.

5-) What should a believer notice between one prayer time and the next?

The many blessings Allah has provided.

6-) What is one main purpose of the prescribed prayers in this passage?

To glorify, praise, and thank Allah.

7-) Why might the meaning in this passage be called deep?

Because it connects prayer times with big changes, Allah's power, and many blessings.

8-) What does the speaker ask the listener to do before the five points are given?

To listen carefully along with his own inner self.

5sinif short-words-p34-ninth-word-why-the-five-daily-prayers-are-assigned-to-their-times - Set 4 - CEVAPLAR

1-) According to the passage, what question is being answered?

Why the five daily prayers are assigned to particular times.

2-) What does the speaker promise to do?

To mention one wisdom behind those prayer times.

3-) What does the passage say each prayer time is like?

It is like a sign of a major shift and a reflection of Allah's power and favors.

4-) What does "divine disposal of power" point to in simple words?

It points to Allah managing and controlling things by His power.

5-) Why is praise due at these times?

Because Allah is praised for the countless blessings found in the heavens, the earth, and through these changing times.

6-) What collects between one prayer and the next, according to the passage?

Many blessings collect during that time.

7-) What is the meaning of the required prayers in this explanation?

They are acts of glorifying Allah, honoring Him, and thanking Him.

5sinif short-words-p34-ninth-word-why-the-five-daily-prayers-are-assigned-to-their-times - Set 5 - CEVAPLAR

1-) What are the "specified times" talking about here?

The set times for the five daily prayers.

2-) Does the passage present prayer times as ordinary moments or meaningful moments?

It presents them as meaningful moments.

3-) What makes these moments meaningful?

They show important changes, Allah's power, and His blessings.

4-) Why should glorification of Allah increase at those times?

Because those times reflect His greatness in a stronger way.

5-) Why should thanks increase at those times?

Because they remind people of the many blessings Allah has given.

6-) What can a student learn from the words "innumerable bounties"?

Allah gives more blessings than people can count.

7-) What is the next step for someone who wants to understand the meaning better?

To pay attention to the five points that are about to be explained.

5sinif short-words-p34-ninth-word-why-the-five-daily-prayers-are-assigned-to-their-times - Set 6 - CEVAPLAR

1-) Who is being spoken to in the passage?

A person asking about the wisdom of the prayer times.

2-) What does the passage say about the number of wisdoms in the prayer times?

There are many, but only one is pointed out here.

3-) What does each prayer time announce or begin?

It begins an important change.

4-) In what way is each prayer time like a mirror?

It reflects Allah's power and the blessings He gives throughout creation.

5-) What two actions are especially fitting at those times?

Glorifying Allah and thanking Him.

6-) Why is gratitude especially fitting between prayer times?

Because many blessings are received during those periods.
