CEVAP ANAHTARI

5sinif short-words-p67-worships-effect-on-personal-perfection-sincerity-warning - Set 1 - CEVAPLAR

1-) What is the main idea of this passage?

Worship helps a person grow, become better, and reach the high purpose Allah made him for.

2-) How does worship help a person move toward that greater purpose?

It develops the person's spirit and abilities so he can grow toward true success.

3-) Why does the passage say worship increases a person's worth?

Because it helps the person's inner gifts grow and makes him fit for lasting happiness.

4-) What does worship do for a person whose mind feels messy or confused?

It helps gather and arrange the person's thoughts.

5-) What does the passage say worship does to a person's strong inner powers?

It controls them and keeps them within proper limits.

6-) What happens when a person worships with every part of himself?

He rises to the level of honor and completion meant for him.

7-) What kind of relationship is worship between the servant and Allah?

It is a noble and elevated connection.

8-) What is meant by sincerity in worship?

It means the worship is done because Allah ordered it, not for some other main goal.

9-) How should benefits of worship be treated if someone knows about them?

They may encourage the person, but they should not be the main reason for worship.

10-) What happens if someone worships mainly to get those benefits?

The worship is no longer sincere and is counted as invalid.

5sinif short-words-p67-worships-effect-on-personal-perfection-sincerity-warning - Set 2 - CEVAPLAR

1-) According to the passage, why is the human being surprising or unusual?

Because even though a person's body is weak and small, he carries great inner abilities and countless hopes and thoughts.

2-) What are some examples of the inner gifts named in the passage?

A high spirit, great potential, many desires, many hopes, many ideas, and broad inner powers.

3-) What future gift does worship help a person become ready for?

It helps a person become worthy of everlasting happiness.

4-) What does the passage say worship does for human inclinations?

It corrects and cleans them.

5-) Which three inner powers are mentioned as needing control?

Desire, anger, and intellect.

6-) What are worshippers protected from when worship limits inner powers?

They are protected from letting desire, anger, or intellect go out of balance.

7-) What does worship help a person reach?

It helps a person reach the honor and completion prepared for him.

8-) How is the relationship made by worship described in the passage?

It is described as delicate, exalted, and honorable.

9-) Can wisdoms and benefits be present in worship?

Yes, many wisdoms and benefits can be in it.

5sinif short-words-p67-worships-effect-on-personal-perfection-sincerity-warning - Set 3 - CEVAPLAR

1-) What contrast about human beings appears at the beginning of the passage?

A person is weak in body but rich in spirit and inner potential.

2-) Why might a human being need help to reach his full purpose, based on the passage?

Because he has huge inner potential and many desires, hopes, and thoughts that need guidance and growth.

3-) What does the passage say worship can do for hopes?

It can help them become productive and meaningful.

4-) What does worship do for a person's inner leanings when they are not right?

It reforms and purifies them.

5-) What can we infer from the window example?

When a person is spiritually cleaned, he can better reflect and receive what is good and true.

6-) What effect does worship have on a person's physical and spiritual parts?

It removes what dulls them so they can become clear and useful like windows.

7-) How does the passage describe the servant's connection to Allah through worship?

As a very high, beautiful, and honorable bond.

8-) Why is the connection made by worship so important?

Because it is the highest form of human completion.

9-) What mistake makes worship invalid in the passage?

Treating personal benefit as the real reason for the act of worship.

5sinif short-words-p67-worships-effect-on-personal-perfection-sincerity-warning - Set 4 - CEVAPLAR

1-) What does the passage teach about the human body compared with the human inner life?

The body is limited and weak, but the inner life is noble and full of great possibilities.

2-) What special things does the passage say a person has inside?

A person has a noble soul, great abilities, many wishes, many thoughts, and broad inner powers.

3-) Besides building the spirit, what does worship do for personal behavior?

It fixes and purifies a person's inner tendencies.

4-) How does worship help with a person's hopes and ideas?

It helps hopes become meaningful and useful, and it puts thoughts in order.

5-) Why is rust a good image in this passage?

Because rust covers and weakens things, and worship removes what blocks a person's natural clarity.

6-) When does worship raise a person fully, according to the passage?

When it is done with conscience, mind, heart, and body together.

7-) What is the highest human perfection mentioned here?

It is this noble bond with Allah through worship.

8-) What is sincerity in worship?

It means worshipping only because Allah commanded it.

9-) What result comes from making benefits the main motive?

The worship loses its soundness.

5sinif short-words-p67-worships-effect-on-personal-perfection-sincerity-warning - Set 5 - CEVAPLAR

1-) How does the passage describe the human being in one short summary?

A person is outwardly weak but inwardly full of amazing gifts.

2-) How does worship help a person's hidden talents?

It brings them out and helps them develop.

3-) How does worship affect a person's standing or rank?

It lifts the person's value.

4-) What does the passage teach about worship and thinking?

Worship gathers a person's thoughts and arranges them properly.

5-) How does worship help a student-like skill such as thinking clearly?

It puts ideas in order and helps the mind become more organized.

6-) Which parts of a person should join in worship?

The conscience, mind, heart, and body should all take part.

7-) What must be included for worship to raise a person fully?

The whole person must take part, not just one part.

8-) What is the correct reason for doing worship?

The correct reason is that Allah commanded it.

9-) Are reasons and benefits completely denied in the passage?

No. They exist, but they should stay secondary.

5sinif short-words-p67-worships-effect-on-personal-perfection-sincerity-warning - Set 6 - CEVAPLAR

1-) What problem in human life does worship answer in this passage?

It answers the problem of a weak human body joined with very large inner needs and abilities.

2-) How does worship affect a person's value?

It raises a person's rank and worth.

3-) What kind of success is bigger than worldly success in this passage?

Being fit for eternal happiness.

4-) Why is limiting strong inner powers a good thing in this passage?

Because those powers need control so they do not go beyond proper bounds.

5-) Why is controlling appetite, anger, and intellect important?

Because they are powerful and need limits so the person stays balanced.

6-) What does the passage say worship helps a person become worthy of?

It helps a person become worthy of his true human dignity and lasting happiness.

7-) What does full worship raise a person to?

It raises him to the honor and completion meant for him.

8-) Are the benefits of worship unimportant in the passage?

No. They are real and many, but they are not supposed to be the main motive.

9-) What is the proper place of wisdoms and benefits in worship?

They may support and encourage the person, but they stay secondary.
