

1

What question is raised at the start of the passage about all created things?

8sinif short-words-p03-first-word-all-beings-say-bismillah-
through-the-language-of-their-state

Cevap 1

It asks whether all beings, in their own created way, say “In the Name of Allah.”

2

What answer is given to that question?

8sinif short-words-p03-first-word-all-beings-say-bismillah-
through-the-language-of-their-state

Cevap 2

A strong confirmation is given
that it is true.

3

What lesson do trees teach in this passage?

8sinif short-words-p03-first-word-all-beings-say-bismillah-
through-the-language-of-their-state

Cevap 3

They show that they receive their provisions from Allah's mercy and then bring fruits and benefits to people.

4

What do small seeds teach us
when they grow into large trees?

8sinif short-words-p03-first-word-all-beings-say-bismillah-
through-the-language-of-their-state

Cevap 4

They teach us that great results can come from tiny things only through Allah's command.

5

Why are milk-giving animals
called blessed in this passage?

8sinif short-words-p03-first-word-all-beings-say-bismillah-
through-the-language-of-their-state

Cevap 5

Because they provide a clean and valuable food as a mercy from Allah.

6

What main point is made by
saying everything becomes
obedient when Allah's name is
mentioned?

8sinif short-words-p03-first-word-all-beings-say-bismillah-
through-the-language-of-their-state

Cevap 6

The point is that created things submit to Allah's command.

7

What makes the movement of
roots through rock so
meaningful?

8sinif short-words-p03-first-word-all-beings-say-bismillah-
through-the-language-of-their-state

Cevap 7

Their softness makes it clear that their success does not come from brute force.

8

What do the leaves show by
staying moist in severe heat?

8sinif short-words-p03-first-word-all-beings-say-bismillah-
through-the-language-of-their-state

Cevap 8

They show that heat does not act independently and that Allah preserves what He wills.

9

What overall message do roots
and leaves together give?

8sinif short-words-p03-first-word-all-beings-say-bismillah-
through-the-language-of-their-state

Cevap 9

They show that both strong barriers and harsh conditions are under Allah's control.

10

What claim from earlier is confirmed at the beginning of this passage?

8sinif short-words-p03-first-word-all-beings-say-bismillah-
through-the-language-of-their-state

Cevap 10

The claim that all beings say “In the Name of Allah” through their condition and actions.

11

What simple real-life comparison
is used to explain this idea?

8sinif short-words-p03-first-word-all-beings-say-bismillah-
through-the-language-of-their-state

Cevap 11

A comparison about one man forcing the people of a town to gather and labor.

12

What do trees do for people after receiving from Allah's mercy?

8sinif short-words-p03-first-word-all-beings-say-bismillah-
through-the-language-of-their-state

Cevap 12

They present fruits and other
benefits to people.

13

What picture is used for gardens,
and what does it show?

8sinif short-words-p03-first-word-all-beings-say-bismillah-
through-the-language-of-their-state

Cevap 13

Gardens are pictured like cooking pots or kitchens, showing rich and varied provision.

14

What is special about the milk
from the animals named in the
passage?

8sinif short-words-p03-first-word-all-beings-say-bismillah-
through-the-language-of-their-state

Cevap 14

It is pure, beneficial, and
generously provided through
Allah's mercy.

15

What contrast is made between
the softness of roots and the
hardness of the earth?

8sinif short-words-p03-first-word-all-beings-say-bismillah-
through-the-language-of-their-state

Cevap 15

The roots are very soft, but they still pass through hard ground and rock.

16

What happens to the idea that nature acts by itself when we look at these examples?

8sinif short-words-p03-first-word-all-beings-say-bismillah-
through-the-language-of-their-state

Cevap 16

That idea becomes weak, because
the examples point beyond
nature to Allah's will.

17

How does the example connected
to Musa, peace be upon him,
strengthen the argument?

8sinif short-words-p03-first-word-all-beings-say-bismillah-
through-the-language-of-their-state

Cevap 17

It reminds the reader that Allah
can make solid rock open.

18

What big truth should a student understand from the final examples in the passage?

8sinif short-words-p03-first-word-all-beings-say-bismillah-
through-the-language-of-their-state

Cevap 18

Even the strongest natural forces obey Allah, and delicate things succeed by His will.

19

At the opening of the passage,
what issue is being asked and
answered?

8sinif short-words-p03-first-word-all-beings-say-bismillah-
through-the-language-of-their-state

Cevap 19

Whether all beings truly declare
Allah's name through the way
they are made and the way they
act.

20

What does the passage teach
about the work of trees?

8sinif short-words-p03-first-word-all-beings-say-bismillah-
through-the-language-of-their-state

Cevap 20

They receive gifts from Allah's mercy and then pass those gifts on to people.

21

Which animals are mentioned,
and what do they provide?

8sinif short-words-p03-first-word-all-beings-say-bismillah-
through-the-language-of-their-state

Cevap 21

Cows, camels, sheep, and goats are mentioned, and they provide milk.

22

How are gardens described in a way that highlights abundance?

8sinif short-words-p03-first-word-all-beings-say-bismillah-
through-the-language-of-their-state

Cevap 22

They are described like places where many kinds of foods are prepared together.

23

What happens to things when
Allah's name and mercy are
mentioned in the passage?

8sinif short-words-p03-first-word-all-beings-say-bismillah-
through-the-language-of-their-state

Cevap 23

They become obedient and manageable under His command.

24

What is the short question asked
at the start of this passage
section?

8sinif short-words-p03-first-word-all-beings-say-bismillah-
through-the-language-of-their-state

Cevap 24

It asks if it is really true that all beings say “In the Name of Allah” through their condition.
