CEVAP ANAHTARI

8sinif short-words-p34-ninth-word-why-the-five-daily-prayers-are-assigned-to-their-times - Set 1 - CEVAPLAR

1-) What topic is being asked about in this passage?

The passage is about why the five daily prayers are connected to certain specific times.

2-) How many examples of wisdom in the prayer times does the speaker say will be explained here?

Only one example is said to be explained.

3-) What does each prayer time mark besides being a time on the clock?

Each one points to a major change or turning point.

4-) What are the prayer times said to reflect about Allah's power?

They show Allah's control and action in the world.

5-) What do the prayer times show about Allah's blessings?

They reflect the many blessings spread throughout creation.

6-) Why is extra glorification and praise connected to those times?

Because those times are linked to Allah's power and to the blessings gathered between one prayer time and the next.

7-) What is one meaning of the prescribed prayers in this passage?

They include praising Allah, exalting Him, and thanking Him for countless blessings.

8-) What does the listener need to do in order to understand this deep meaning a little?

The listener needs to pay attention to the five points that will be explained.

8sinif short-words-p34-ninth-word-why-the-five-daily-prayers-are-assigned-to-their-times - Set 2 - CEVAPLAR

1-) Which daily acts of worship are the main subject of this passage?

The main subject is the five daily prayers.

2-) How are the times of prayer described in relation to big events or changes?

They are described as signs of important changes.

3-) What does the passage say these times are a mirror to?

They are a mirror to divine power at work and to universal blessings.

4-) According to the passage, why are people told to glorify Allah more at these times?

Because these times clearly show His power and His management of creation.

5-) Why are thanks especially suitable at the prayer times?

Because many blessings have been received in the period between one prayer time and the next.

6-) What does the passage suggest about the number of blessings a person receives?

It suggests that the blessings are too many to count.

7-) How is the meaning being described in the passage?

It is described as subtle and deep.

8-) What method is used to help the listener understand that meaning?

The method is to explain it through five points.

8sinif short-words-p34-ninth-word-why-the-five-daily-prayers-are-assigned-to-their-times - Set 3 - CEVAPLAR

1-) What question from the listener starts this discussion?

The listener asks about the wisdom behind the set times of the five daily prayers.

2-) Does the passage claim to give every wisdom behind the prayer times or only part of it?

It gives only part of it.

3-) What two things does each prayer time reflect according to the passage?

It reflects major changes and also Allah's power and blessings.

4-) What idea connects the prayer times to praising Allah?

Since those times display Allah's power and gifts, they are fitting times to praise Him more.

5-) What idea connects the prayer times to thanking Allah?

Since blessings build up between the prayer times, those moments are fitting for gratitude.

6-) What does this passage teach about prayer and daily life?

It teaches that prayer is tied to the changes of life and to noticing Allah's blessings throughout the day.

7-) Who is told to listen carefully along with the speaker?

The speaker's own nafs is included along with the listener.

8-) What comes next to help explain the meaning of the prayer times?

Five points are going to be presented.

8sinif short-words-p34-ninth-word-why-the-five-daily-prayers-are-assigned-to-their-times - Set 4 - CEVAPLAR

1-) What is the main purpose of this passage?

Its purpose is to explain some wisdom in why the five daily prayers have specific times.

2-) How does the passage describe each prayer time in relation to Allah's actions in the world?

Each one is presented as reflecting Allah's active power in the universe.

3-) What does the word "mirror" suggest about the prayer times?

It suggests that the prayer times help people see signs of Allah's power and blessings more clearly.

4-) Why is glorifying Allah at these times especially meaningful?

Because these times highlight His greatness and control.

5-) Why is praising and thanking Allah at these times especially meaningful?

Because they come after many blessings have been given.

6-) What can we infer about the role of prayer in a Muslim's day from this passage?

Prayer helps a Muslim stop, notice Allah's signs, and respond with worship and gratitude.

7-) Is the explanation meant to be complete or introductory?

It is introductory, because only one example of wisdom is being given.

8-) What attitude is needed to understand the coming explanation?
