CEVAP ANAHTARI

lisans short-words-p39-ninth-word-fourth-point-reminders-of-afternoon-sunset-and-night - Set 1 - CEVAPLAR

1-) What seasons and stages of human life are linked with the afternoon prayer time?

It is connected with autumn and old age.

2-) At sunset, what larger future event is remembered beyond individual death?

The destruction of the world and the beginning of resurrection are remembered.

3-) What kinds of departures are gathered together in the description of sunset?

The passing of creatures, the death of human beings, and the ending of the world are gathered together.

4-) What does sunset do to a person who is spiritually asleep?

It stirs that person into awareness.

5-) What visual contrast appears in the nightfall section?

Bright daytime visibility is replaced by darkness, and living earth is replaced by an image of burial-like stillness.

6-) Why is sunset associated with divine grandeur?

Because it points to events of overwhelming seriousness that show Allah's greatness.

7-) How is winter described at nightfall?

It is shown as covering the dead earth like a burial covering.

8-) Which prayer time especially stresses Allah's overpowering authority over all existence?

Nightfall does that most clearly.

9-) What is one reason these prayer times can deepen worship?

They connect ordinary daily moments to major spiritual realities, making prayer more meaningful.

10-) What overall benefit comes from linking prayer times to these meanings?

It helps a believer pray with deeper thought, humility, and awareness of the Hereafter.

lisans short-words-p39-ninth-word-fourth-point-reminders-of-afternoon-sunset-and-night - Set 2 - CEVAPLAR

1-) What three comparisons are given for the afternoon prayer time?

It is compared to autumn, old age, and the era of the Final Prophet.

2-) How is sunset different from afternoon in its emotional impact?

Afternoon is more about reflective remembrance, while sunset is more forceful and shakes a person out of negligence.

3-) What three major endings are connected with sunset?

The ending of many living things, the ending of a person's life, and the ending of the world.

4-) What wrong state of mind is corrected by reflecting on sunset?

A state of being careless and spiritually distracted is corrected.

5-) What is the result of those memories at sunset?

They push a person to wake up from heedlessness.

6-) What does nightfall do to the visible world in this passage?

It covers the things seen in daytime with darkness.

7-) Which prayer time especially stresses Allah's greatness by means of endings and loss?

Sunset does that.

8-) How does the passage move from personal reminders to universal ones?

It starts with things like old age and death, then expands to the end of the world and Allah's rule over everything.

9-) Which prayer time most strongly presents Allah as the One who subdues all things?

The night prayer time at nightfall presents that most strongly.

10-) What shared spiritual message runs through afternoon, sunset, and nightfall?

Human life and the world are passing, and each time directs the heart to remember Allah through His mercy, majesty, and power.

lisans short-words-p39-ninth-word-fourth-point-reminders-of-afternoon-sunset-and-night - Set 3 - CEVAPLAR

1-) In the passage, what does the afternoon prayer reveal from Allah toward creation?

It highlights His gracious acts and blessings.

2-) What does the afternoon prayer time call to mind besides decline?

It also brings to mind Allah's loving care and gifts.

3-) At sunset, what makes the reminder especially serious?

It joins everyday endings with human death and the world's final end.

4-) What memories are stirred by sunset according to the passage?

It stirs thoughts of creatures passing away, human death, and the collapse of the world before resurrection.

5-) What divine qualities are especially remembered at sunset?

Allah's majesty and greatness are especially brought to mind.

6-) Which prayer time especially stresses Allah's mercy through favors?

The afternoon prayer time does that.

7-) Which divine names or qualities fit best with the nightfall section?

Allah's glory, irresistible power, and complete mastery fit that section.

8-) What is meant by describing the world as an examination place that will close?

It means earthly life is a temporary test with a definite ending.

9-) Which of the three times most clearly points to Allah's irresistible dominion?

Nightfall does.

10-) How do the meanings of afternoon, sunset, and nightfall grow stronger from one to the next?

They move from reminders of aging and mercy, to death and awakening, and then to total closure, disappearance, and Allah's absolute power.

lisans short-words-p39-ninth-word-fourth-point-reminders-of-afternoon-sunset-and-night - Set 4 - CEVAPLAR

1-) What does the afternoon prayer time resemble in the natural world, in personal life, and in sacred history?

In the natural world it resembles autumn, in personal life it resembles old age, and in sacred history it resembles the era of the Final Prophet.

2-) Why does the afternoon prayer not only suggest loss but also mercy?

Because even in later stages, Allah's care and blessings are still present and should be noticed.

3-) What part of Muslim history is paired with the afternoon prayer?
The age of the Final Prophet.

4-) What spiritual effect is sunset said to have on a person?
It wakes a person up from heedlessness.

5-) What does the closing of the world as a place of testing teach about worldly life?

It teaches that worldly life is temporary and has an appointed end.

6-) What description of the world at nightfall shows that earthly life has a final limit?

The world is described as a place of testing that will be closed forever.

7-) What is the meaning of saying that people's remaining works pass under a veil of forgetfulness?

It means human traces do not last forever and can disappear from memory.

8-) Which of the three times most clearly points to Allah's majesty?
Sunset does.

9-) How is the whole world described at the end of the nightfall section?

It is described as a temporary testing place that will finally be closed.

10-) How are sunset and nightfall different?

Sunset highlights awakening through reminders of death and the end, while nightfall goes further by stressing concealment, fading, and Allah's total control.

lisans short-words-p39-ninth-word-fourth-point-reminders-of-afternoon-sunset-and-night - Set 5 - CEVAPLAR

1-) What pattern can be seen in the three prayer times discussed in the passage?

They move through later stages of existence, from decline, to death, to final closure.

2-) Which human life stage matches the afternoon prayer in the passage?

Old age.

3-) What events does sunset make a person think about?

It points to the leaving of many living things, a person's death, and the end of the world at the start of resurrection.

4-) What image is used to describe winter covering the earth?

The earth is pictured as being covered like a dead body prepared for burial.

5-) What does the image of the dead earth in winter add to the meaning of nightfall?

It deepens the sense of stillness, lifelessness, and concealment.

6-) How does the passage connect nightfall with winter?

Both are shown as covering what was once visible and active.

7-) Which of the three times most clearly points to Allah's mercy?

The afternoon prayer time does.

8-) What happens to the traces of those who have gone before, in the nightfall section?

They disappear from view and sink into forgetfulness.

9-) What does nightfall announce about Allah's rule over creation?

It points to His overwhelming and powerful control over all things.

lisans short-words-p39-ninth-word-fourth-point-reminders-of-afternoon-sunset-and-night - Set 6 - CEVAPLAR

1-) Which prayer time is connected with autumn, and what does that imply?

The afternoon prayer is, and it implies a stage of decline after fullness.

2-) What does the afternoon prayer time cause a person to remember about Allah?

It brings to mind His actions and His merciful gifts.

3-) What image is used to describe night covering the world?

The world is pictured as being wrapped in a dark covering.

4-) What does nightfall suggest about the daytime world?

It suggests that what seems bright and active can quickly be hidden and covered.

5-) What does nightfall make a person remember about the daytime world?

It reminds a person that the visible world can be hidden and taken from sight.

6-) What does the image of a closed test arena teach about this world?

It teaches that this life is not permanent and that its period of trial will end.

7-) How does the passage use the image of winter to strengthen the meaning of nightfall?

It presents the earth as if it were covered like the dead, adding a sense of burial and stillness.

8-) How is this worldly life described at nightfall?

It is pictured as a testing ground that will one day be shut down completely.

9-) If someone reflects on these prayer times carefully, what kind of awareness should grow?

Awareness of life's passing nature and of Allah's mercy, greatness, and power should grow.
