CEVAP ANAHTARI

lisans short-words-p64-introduction-worship-strengthens-belief-and-orders-life - Set 1 - CEVAPLAR

1-) According to the passage, what gives strength and lasting effect to matters of faith in a believer?

Worship does, because it supports and reinforces what a person knows and feels about faith.

2-) Why are reason and conscience alone not enough for strong religious life?

Because without worship, what they contain stays weak and does not fully shape action.

3-) Why is worship described as necessary for truths known by reason and conscience?

Because those truths need practice and reinforcement in order to become effective.

4-) How is the bond created by worship described?

As a lofty and honored connection between the servant and the Creator.

5-) What kind of bond is formed through worship?

A dignified bond between Allah and His servant.

6-) Why must belief truths be continually reinforced after that?

So people will keep honoring divine commands and staying away from prohibitions.

7-) What protects a person from that collapse?

Worship through faithful conformity to divine guidance.

8-) What does this orientation produce in the worshipper?

Submission and obedience.

9-) How does worship prevent that outcome?

By training a person to conform to commands and avoid prohibitions.

lisans short-words-p64-introduction-worship-strengthens-belief-and-orders-life - Set 2 - CEVAPLAR

1-) What main claim does the introduction make about the connection between worship and belief?

Worship makes belief take root in a person's character.

2-) What two actions are named as the substance of worship near the beginning?

Carrying out Allah's commands and staying away from His prohibitions.

3-) What broad outcomes does the passage link to worship from the start?

Joy, order, progress, and completion in both personal and social life.

4-) How does the passage summarize the value of worship for life as a whole?

It presents worship as a source of success, order, and growth in this life and the next.

5-) How is the servant's relationship with Allah described through worship?

As elevated, noble, and honored.

6-) How is that danger avoided?

By worshipping through obedience to commands and avoidance of prohibitions.

7-) What social or cosmic result comes from that turn?

The person becomes obedient and comes into line with the universal order.

8-) What is the remedy named there?

Worship expressed by conformity to command and prohibition.

9-) What evidence of wisdom is highlighted?

The universe's excellent and precise artistry.

lisans short-words-p64-introduction-worship-strengthens-belief-and-orders-life - Set 3 - CEVAPLAR

1-) What does the passage say worship does to the tenets of belief?

It makes them settled, active parts of a believer's character.

2-) What weakness appears when belief is left without worship?

It loses force and does not strongly guide life.

3-) If faith-related knowledge is not strengthened through worship, what result follows?

It remains weak and does not produce strong effect.

4-) In what ways is worship said to benefit human life overall?

It brings happiness, order, advancement, and completion in both worlds.

5-) What repeatedly renews the truths of belief in people according to the passage?

Worship.

6-) What ongoing practice keeps that awareness fresh?

Worship keeps it fresh.

7-) What does that direction produce in behavior?

Submission and obedience.

8-) What does entering that order help one understand?

The wisdom built into existence.

9-) What makes worship sincere rather than defective?

That it is done for Allah's command itself, while any benefits remain secondary encouragements.

lisans short-words-p64-introduction-worship-strengthens-belief-and-orders-life - Set 4 - CEVAPLAR

1-) In the introduction, what is said to make beliefs become part of who a person is?

Worship makes them part of the person's settled character.

2-) What two dimensions of the human person are mentioned as needing support from worship?

Conscience and reason.

3-) What does the passage imply about a faith that stays only at the level of ideas?

It will be too weak to shape life well unless worship strengthens it.

4-) Why do people need the truths of belief to be kept alive in their minds?

So they will continue to obey commands and stay away from what is forbidden.

5-) Why must the greatness of the Creator remain vivid in people's minds?

So they will obey what is commanded and avoid what is forbidden.

6-) What is the repeated act that renews those beliefs over time?

Worship.

7-) According to the second reason, what is the direct purpose of worship?

To orient the human mind toward the Wise Creator.

8-) What larger reality does the obedient person become connected to?

The perfect order running through the universe.

9-) What form of life keeps them balanced?

A life of worship through obedience and restraint.

lisans short-words-p64-introduction-worship-strengthens-belief-and-orders-life - Set 5 - CEVAPLAR

1-) What role does worship play in moving belief from theory into lived character?

It turns belief into something embodied and active in the believer.

2-) What are the two practical sides of worship mentioned there?

Doing what Allah commands and leaving what He forbids.

3-) Besides happiness, what other major functions of worship are mentioned at the start of the passage?

It helps organize life, leads to growth and completion, and builds an honored relationship between the servant and the Creator.

4-) What kind of relationship does worship create between human beings and Allah?

A noble and honored bond between servant and Creator.

5-) Why are the beliefs about Allah's greatness important for moral obedience?

Because they help people accept commands seriously and avoid forbidden acts.

6-) What inner change begins the second argument for worship?

The mind turns toward the Wise Maker.

7-) Why is intention so important in worship according to the final lines?

Because worship is valid only when Allah's command is the real basis, while benefits may only serve as encouragement.

8-) What final rule does the passage give for proper intention in worship?

Worship must be done because Allah commanded it; its benefits may support motivation but cannot replace that core intention.

9-) What distinction does the passage make between the wisdoms of worship and the real reason for worship?

Its benefits are many, but the true basis is Allah's command; if benefits replace that basis, the worship is invalid.

lisans short-words-p64-introduction-worship-strengthens-belief-and-orders-life - Set 6 - CEVAPLAR

1-) What central spiritual function of worship is stated in the introduction?

It anchors belief so deeply that it becomes part of a person's character.

2-) What two broad areas of happiness are connected to worship in the passage?

Happiness in this world and happiness in the next world.

3-) How does the passage describe worship in relation to both worldly and next-worldly life?

It presents worship as a source of success, order, and happiness in both.

4-) Why does the passage call this world a field for the next life?

Because what is done here prepares the results that appear in the hereafter.

5-) What keeps that belief repeatedly present?

Worship.

6-) In the second section, what is worship meant to do first?

Direct the mind toward Allah.

7-) What proves that this wisdom exists?

The universe's precise and excellent craftsmanship.

8-) How is that wisdom recognized?

Through the flawless artistry found across the universe.
