Cevap 4 It says people are full of needs and do not have self-sufficiency.	Cevap 3 People have very little strength of their own, while the harms and opponents they face are many.	Cevap 2 It shows that because people are so vulnerable, many things affect them easily and cause sorrow.	Cevap 1 Human beings are presented as deeply fragile, limited, and burdened from many sides.
Cevap 8 Reason points people toward lofty goals and lasting outcomes that they cannot fully reach by their own limited means.	Cevap 7 Because people become attached to what they know and love, and its fading or disappearance causes ongoing pain.	Cevap 6 It ties a person to the rest of creation, so what happens beyond the self still affects the heart.	Cevap 5 Human beings are described as sluggish and unable to do much, yet life places heavy responsibilities on them.
Cevap 12 It suggests that even ordinary things can touch a person deeply because human nature is so sensitive.	Cevap 11 Human limitations are set beside the many pressures, needs, and losses that surround human life.	Cevap 10 A person is shown as needy, emotionally exposed, and unable to fulfill great hopes without help.	Cevap 9 Human reach is short, life is brief, strength is small, and patience is weak.

13 What does the passage imply about human self-reliance?	14 In what way are human needs described as greater than human resources?	15 How does the passage portray daily life: as light and simple, or as weighty and demanding?	16 Why does the condition of the world affect a person inwardly, according to the passage?

21 What does the passage say about how easily a person is affected by events and experiences?	22 How are enemies and hardships presented in comparison with human strength?	23 What does the passage teach about the number of human needs?	24 How does the passage describe human energy and competence in carrying life's obligations?
lisans short-words-p42-ninth-word-fifth-point-human-weakness-impotence-and-needs	lisans short-words-p42-ninth-word-fifth-point-human-weakness-impotence-and-needs	lisans short-words-p42-ninth-word-fifth-point-human-weakness-impotence-and-needs	lisans short-words-p42-ninth-word-fifth-point-human-weakness-impotence-and-needs

Cevap 16 Because human nature links a person to the wider universe, so changes in the world become personal sources of pain.	Cevap 15 It portrays life as weighty and demanding.	Cevap 14 The passage presents people as having many demands upon them while lacking the strength and capacity to meet them fully.	Cevap 13 It implies that people are not enough for themselves and cannot carry life independently.
Cevap 20 Human beings are created with broad attachments and high aspirations, but they live with serious weakness and insufficiency.	Cevap 19 Limited reach, short lifespan, weak power, and little patience; they emphasize how restricted human beings really are.	Cevap 18 The mind can recognize high and enduring aims, but human capacity is too narrow and short-lived to reach them easily.	Cevap 17 The fading and disappearance of beloved and familiar things.
Cevap 24 It describes people as lacking energy and full ability even though their duties are heavy.	Cevap 23 It teaches that human needs are numerous and constant.	Cevap 22 They are shown as many and overwhelming, while human strength is very small.	Cevap 21 It says a person is affected very easily and often feels grief.
