11sinif supreme-sign-p83-2nd-stopping-place-2nd-truth-2nd-example-from-sura-al-nahl

Cevap 1

The passage explains the creation of pure milk in animals and also the loving care placed in mothers for their young.

2

What makes the production of milk seem especially amazing in the passage?

11sinif supreme-sign-p83-2nd-stopping-place-2nd-truth-2nd-example-from-sura-al-nahl

Cevap 2

It is formed inside the body near impurities, yet it comes out untouched by them and fully fit for nourishment.

3

What does this contrast between
surroundings and result help
prove?

11sinif supreme-sign-p83-2nd-stopping-place-2nd-truth-2nd-
example-from-sura-al-nahl

Cevap 3

It helps prove that the result comes from deliberate Divine action, not from careless material causes.

4

What kinds of animals are
specifically named?

11sinif supreme-sign-p83-2nd-stopping-place-2nd-truth-2nd-
example-from-sura-al-nahl

Cevap 4

Cows, camels, goats, and sheep.

5

How does the passage describe
the emotional side of
motherhood?

11sinif supreme-sign-p83-2nd-stopping-place-2nd-truth-2nd-
example-from-sura-al-nahl

Cevap 5

It describes it as a precious and delightful mercy placed in mothers for their young.

6

What attributes of Allah are reflected in these blessings?

11sinif supreme-sign-p83-2nd-stopping-place-2nd-truth-2nd-example-from-sura-al-nahl

Cevap 6

His mercy, wisdom, knowledge,
power, will, and careful
governance.

7

Why does the passage reject
chance, elements, and blind force
as causes?

11sinif supreme-sign-p83-2nd-stopping-place-2nd-truth-2nd-
example-from-sura-al-nahl

Cevap 7

Because such things cannot produce something so pure, wise, balanced, and purposeful.

8

Why does the passage mention many species and many mothers?

11sinif supreme-sign-p83-2nd-stopping-place-2nd-truth-2nd-example-from-sura-al-nahl

Cevap 8

To show that this is not a rare event but a universal pattern.

9

Why is “same instant” or simultaneous action important to the argument?

11sinif supreme-sign-p83-2nd-stopping-place-2nd-truth-2nd-example-from-sura-al-nahl

Cevap 9

It shows that one power can manage many creatures at once without confusion.

10

What is the best one-sentence
main idea of this passage?

11sinif supreme-sign-p83-2nd-stopping-place-2nd-truth-2nd-
example-from-sura-al-nahl

Cevap 10

The purity of milk and the mercy of mothers throughout creation clearly show the oneness and wisdom of Allah.

11

In this passage, what two blessings are joined together as signs of Allah's lordship?

11sinif supreme-sign-p83-2nd-stopping-place-2nd-truth-2nd-example-from-sura-al-nahl

Cevap 11

The production of milk and the loving compassion placed in mothers.

12

Why is the place where milk is formed important in the passage?

11sinif supreme-sign-p83-2nd-stopping-place-2nd-truth-2nd-example-from-sura-al-nahl

Cevap 12

Because milk comes from within the body where impurity is present, yet it remains completely clean.

13

Why is this purity meaningful in the argument?

11sinif supreme-sign-p83-2nd-stopping-place-2nd-truth-2nd-example-from-sura-al-nahl

Cevap 13

It shows careful control and separation, which points to wisdom and design.

14

Why are several kinds of animals
named instead of just one?

11sinif supreme-sign-p83-2nd-stopping-place-2nd-truth-2nd-
example-from-sura-al-nahl

Cevap 14

To show that the sign appears in many creatures, not as an isolated case.

15

Why is motherly compassion an important part of the evidence?

11sinif supreme-sign-p83-2nd-stopping-place-2nd-truth-2nd-example-from-sura-al-nahl

Cevap 15

Because it shows the Creator provides care in the heart as well as food in the body.

16

According to the passage, what Divine qualities are required for this work?

11sinif supreme-sign-p83-2nd-stopping-place-2nd-truth-2nd-example-from-sura-al-nahl

Cevap 16

Mercy, wisdom, knowledge,
power, will, and careful attention.

17

What does the repeated sameness of this process across the world suggest?

11sinif supreme-sign-p83-2nd-stopping-place-2nd-truth-2nd-example-from-sura-al-nahl

Cevap 17

It suggests a single Creator is governing all creatures in a unified way.

18

What conclusion is drawn from
that worldwide pattern?

11sinif supreme-sign-p83-2nd-stopping-place-2nd-truth-2nd-
example-from-sura-al-nahl

Cevap 18

It is a clear proof that Allah is one.

19

What does the phrase about
countless hearts and breasts
suggest?

11sinif supreme-sign-p83-2nd-stopping-place-2nd-truth-2nd-
example-from-sura-al-nahl

Cevap 19

It suggests both the inner feelings of mothers and the outward means of feeding are under Allah's control.

20

If someone said this is just
biology, how would the passage
respond?

11sinif supreme-sign-p83-2nd-stopping-place-2nd-truth-2nd-
example-from-sura-al-nahl

Cevap 20

It would say the process still shows intentional wisdom and mercy that biology alone cannot explain as a blind cause.

21

What lesson does the verse invite people to learn from livestock and mothers?

11sinif supreme-sign-p83-2nd-stopping-place-2nd-truth-2nd-example-from-sura-al-nahl

Cevap 21

It invites them to see Allah's wisdom and mercy in how nourishment and care are provided.

22

How does the passage describe the relation between milk and the substances around it in the body?

11sinif supreme-sign-p83-2nd-stopping-place-2nd-truth-2nd-example-from-sura-al-nahl

Cevap 22

Milk is shown as remaining pure even though it is produced between impure bodily materials.

23

What does the passage imply about the source of such purity?

11sinif supreme-sign-p83-2nd-stopping-place-2nd-truth-2nd-example-from-sura-al-nahl

Cevap 23

Its source must be a Creator who knows, wills, and controls the process perfectly.

24

What physical and moral blessings
are discussed together?

11sinif supreme-sign-p83-2nd-stopping-place-2nd-truth-2nd-
example-from-sura-al-nahl

Cevap 24

The physical blessing is milk, and the moral or emotional blessing is compassion for the young.
