Fourth Truth.

11sinif supreme-sign-p91-2nd-stopping-place-4th-truth-unity-
in-beings-and-the-proclamation-of-divine-unity

Cevap 21

The many shared patterns and connections within creation clearly show that all beings come from one Creator and are governed as one universe.

22

What does the passage mean by
“points of unity and
convergence”?

11sinif supreme-sign-p91-2nd-stopping-place-4th-truth-unity-
in-beings-and-the-proclamation-of-divine-unity

Cevap 22

It means the many ways created things match, connect, and come together in order and purpose.

23

How can beings resemble one another without losing their individuality?

11sinif supreme-sign-p91-2nd-stopping-place-4th-truth-unity-
in-beings-and-the-proclamation-of-divine-unity

Cevap 23

They can share common design features while each still remains a separate created being.

24

Why would shared natural qualities among creatures point to one Maker rather than many?

11sinif supreme-sign-p91-2nd-stopping-place-4th-truth-unity-
in-beings-and-the-proclamation-of-divine-unity

Cevap 24

Because one consistent pattern across many beings is stronger evidence of one source than of competing creators.
