CEVAP ANAHTARI

11sinif supreme-sign-p02-the-treatises-importance-and-arrangement - Set 1 - CEVAPLAR

1-) What is said about the value of this treatise even though it has weaknesses and is hard for some people to understand?

It is presented as highly important despite those problems.

2-) Who is presented as recognizing the treatise's importance before its appearance?

Imam Ali is presented that way.

3-) How is Imam Ali's attitude toward this work described?

He is shown as favoring it especially and drawing people's attention to it.

4-) Which city is named in connection with events that supported the claim about the work?

Denizli.

5-) What is given as a major reason for acquittal and release?

The victory of the book's sacred and powerful truth is given as the main reason.

6-) How does the passage connect these legal events to a spiritual claim?

It treats them as signs that an earlier prediction and prayer were fulfilled.

7-) What does the Introduction contain?

It presents four important matters.

8-) What is the focus of the First Station?

The Arabic exposition.

9-) What does the writer say about the length of the Introduction?

It became longer than intended because there was a real need for that length.

10-) What explanation is given for why the Introduction became lengthy?

Its length is taken as a sign that such explanation was needed.

11sinif supreme-sign-p02-the-treatises-importance-and-arrangement - Set 2 - CEVAPLAR

1-) What main idea opens this passage about the treatise after the earlier difficulties are mentioned?

The passage begins by stressing that the work remains very important.

2-) What special kind of knowledge is Imam Ali said to have had about the work?

He is said to have had miraculous foreknowledge of it.

3-) In the note about Denizli, what two opposite outcomes are linked to the book?

It is linked first to imprisonment and then to acquittal and release.

4-) What happened because the book was printed in secret?

That action resulted in imprisonment.

5-) What does the passage say the Supreme Sign explains?

It explains the Supreme Verse.

6-) What additional spiritual point is made through mention of the prayer?

The passage suggests that the prayer offered on their behalf was accepted.

7-) How does the writer explain the unexpectedly long Introduction?

He says it grew that way because there was a need for it, not because he wanted to make it long.

8-) How is the content of the treatise divided?

It is divided into an Introduction plus two Stations.

9-) According to that verse, what is the basic reason jinn and human beings were created?

They were created to worship Allah.

10-) What does the statement that some may still find it too short reveal about the topic?

It reveals that the topic is rich and may require even more explanation for some readers.

11sinif supreme-sign-p02-the-treatises-importance-and-arrangement - Set 3 - CEVAPLAR

1-) How does the passage respond to concerns about the treatise's defects and difficulties?

It says those concerns do not lessen its great importance.

2-) Which early Muslim figure is mentioned to support that claim?

Imam Ali, may Allah be pleased with him.

3-) What is the meaning of saying this part of the Risale-i Nur received special favor?

It means it was regarded with particular approval and esteem.

4-) What circumstance connected to the book caused hardship for its people?

Its secret printing caused their imprisonment.

5-) What relationship does the passage draw between prediction and later events?

It says the later events verified the earlier prediction.

6-) What can a reader infer from the way the passage links imprisonment and release to the same book?

The book became a means of trial first and then a means of vindication.

7-) How many major sections does the treatise have?

Three main sections are named: one Introduction and two Stations.

8-) What are the internal parts of the treatise named here?

An Introduction, a First Station, and a Second Station.

9-) What can be understood from the writer's statement that the long Introduction shows a need?

It means the subject required extended explanation for the readers' benefit.

10-) Why does the writer believe the long Introduction is justified?

Because its length points to a real need for that much explanation.

11sinif supreme-sign-p02-the-treatises-importance-and-arrangement - Set 4 - CEVAPLAR

1-) What contrast appears at the start of the passage regarding the treatise?

It has difficulties on one side, but great importance on the other.

2-) What two titles are given to this treatise or this part of the larger collection?

It is called the Supreme Sign and the Staff of Moses.

3-) What is one effect of saying people were directed to look at this work?

It encourages readers to pay close attention to it.

4-) What led to the imprisonment mentioned in the passage?

The hidden printing of the book led to it.

5-) What later result is connected to the strength of the book's truth?

It contributed to acquittal and release.

6-) How is the work organized?

It has an Introduction and two Stations.

7-) What is the purpose of the Introduction within the treatise's structure?

Its role is to present four important matters before the Stations.

8-) What is included in the Second Station?

It gives the translation of that explanation along with its proofs.

9-) What does the writer admit about his original intention for the Introduction?

He admits he did not mean for it to become so long.

10-) What essential teaching is brought forward by the Qur'anic verse at the end?

The central teaching is that jinn and mankind were created for worship.

11sinif supreme-sign-p02-the-treatises-importance-and-arrangement - Set 5 - CEVAPLAR

1-) Even after mentioning several causes of difficulty earlier, what judgment is made here about the treatise itself?

It is judged to be extremely important.

2-) What does the passage imply by saying people's attention was directed toward this part of the Risale-i Nur?

It implies this section deserves special notice and careful reading.

3-) How is Imam Ali's connection to this treatise described beyond simply naming it?

He is described as showing special approval for it and guiding attention toward it.

4-) Besides being called the Supreme Sign, what other place does this work have within the larger collection?

It is also identified as the Seventh Ray.

5-) What conclusion does the passage draw from the Denizli events?

It concludes that they confirmed the earlier prediction.

6-) How are the two Stations different from each other?

The first gives the Arabic exposition, while the second gives its translation and supporting evidence.

7-) In relation to the Risale-i Nur, what function does it have?

It forms the Seventh Ray.

8-) What effect does ending the passage with a Qur'anic verse have on the tone?

It gives the passage a serious, worship-centered, and sacred tone.

9-) What attitude does the writer show toward the Introduction's length?

He is humble about it and says the length came from need, not from wanting to stretch it out.

10-) How does the final Qur'anic verse help frame the message of the passage?

It places the whole discussion within the larger purpose of worshipping Allah.

11sinif supreme-sign-p02-the-treatises-importance-and-arrangement - Set 6 - CEVAPLAR

1-) What overall claim is made about this treatise at the beginning of the target passage?

The claim is that the treatise has very great importance.

2-) Why might giving special names to the work matter for readers?

It can make readers see the work as honored and worthy of attention.

3-) Why is the mention of two titles important for comprehension of the passage?

It shows the same work is being described in more than one honored way.

4-) What role did the truth of the book play afterward?

It was presented as a chief reason for being cleared and freed.

5-) What was said to be the main reason for that positive outcome?

The power and victory of the book's sacred truth.

6-) What does the passage identify the Supreme Sign as doing in relation to revelation?

It serves as a genuine explanation of a great Qur'anic verse.

7-) What numbered place does this work hold within the Rays?

It is the Seventh Ray.

8-) Why is the First Station distinct from the Second Station?

The first is the Arabic exposition itself, while the second is the translation with evidence.

9-) Besides translation, what else is included in the Second Station?

Supporting proofs are included too.

10-) What truth about creation is stated at the end of the passage?

Jinn and human beings were created to worship Allah.
