CEVAP ANAHTARI

11sinif supreme-sign-p21-mountains-and-plains-pegs-and-treasures - Set 1 - CEVAPLAR

1-) What invites the traveller to continue his reflective journey in this passage?

The mountains and the plains call him to examine them and learn from what they show.

2-) How does the traveller react to the role of mountains?

He sees their purpose as so impressive and wise that it leaves the mind amazed.

3-) How does the passage describe the earth after the mountains rise up?

It becomes calmer and can continue its movement in a stable way.

4-) What benefit comes to the earth once mountains rise?

The earth gains calmness and can continue its motion without that same level of disruption.

5-) Why does the passage mention verses from the Qur'an about mountains?

They are used as support for the idea that mountains are firmly placed to stabilize the earth.

6-) After discussing stability, what other role of mountains is highlighted?

Their storing and preserving many useful provisions is highlighted.

7-) What does the traveller infer from the wider wisdom seen in mountains and plains?

He understands that they testify to Allah's oneness.

8-) Why does the passage mention "other duties" and "other instances of wisdom" beyond the two examples?

It suggests the two examples are only part of a much larger pattern of meaning in mountains and plains.

9-) Which visible features of mountains and plains especially help the traveller reach this conclusion?

Their wise purposes, their stabilizing role, and the way useful things are stored and managed in them lead him to that conclusion.

10-) How does the traveller answer their proclamation?

He responds with belief in Allah.

11sinif supreme-sign-p21-mountains-and-plains-pegs-and-treasures - Set 2 - CEVAPLAR

1-) Who speaks to the traveller at the start of the passage, and what do they ask him to do?

The mountains and plains address him and ask him to read their signs.

2-) What does he discover about the mission of mountains?

He discovers that they serve a great and wise purpose in the world.

3-) How do mountains relate to disturbances within the earth?

They help ease the effects of those inner disturbances.

4-) What change in the earth is described after this stabilizing effect?

The earth becomes tranquil and continues its movement more safely.

5-) In the ship example, what role do the masts play?

They help protect the ship from turbulence and keep it balanced.

6-) How does the Qur'anic evidence strengthen the point being made?

It shows that revelation also describes mountains as firm stabilizers.

7-) What qualities are shown by the way these resources are kept in the mountains?

It shows skill, generosity, wisdom, and careful planning.

8-) What qualities of Divine care are reflected in this storage?

Careful planning, generosity, skill, wisdom, and power are reflected in it.

9-) How does the passage move from physical facts to spiritual meaning?

It begins with what mountains do in the world and then shows that these ordered benefits point to the Creator.

10-) What is the main claim of the final doctrinal statement in this section?

The whole order found in mountains and plains proves the necessary existence and unity of Allah.

11sinif supreme-sign-p21-mountains-and-plains-pegs-and-treasures - Set 3 - CEVAPLAR

1-) What new part of creation does the traveller study in this passage?
He studies the mountains and the plains.

2-) What do these parts of nature invite him to do?

They invite him to study their signs and lessons.

3-) What inner condition of the earth is eased by the appearance of mountains?

Its inner agitation and instability are eased.

4-) What image shows the earth becoming relieved because of mountains?

The passage speaks of the earth as if it can breathe more easily.

5-) Why is the image of a ship helpful in this passage?

It makes the stabilizing role of mountains easier to understand.

6-) What is the purpose of that comparison?

Its purpose is to show that mountains serve a stabilizing function on the earth.

7-) What second major wisdom of mountains is discussed after stability?

Their role as places where useful resources are stored is discussed.

8-) What are some examples of those resources?

Springs, water, minerals, and other beneficial materials.

9-) What does the traveller understand about Allah from the mountains and plains?

He understands that their order and benefits point to Allah's unity, power, and wisdom.

10-) What faith statement arises in the traveller after this observation?

He says that he believes in Allah.

11sinif supreme-sign-p21-mountains-and-plains-pegs-and-treasures - Set 4 - CEVAPLAR

1-) At the opening of the target passage, what do the mountains and plains ask of the traveller?

They ask him to examine them as signs full of meaning.

2-) According to the passage, what problem inside the earth do the mountains help reduce?

They lessen the inner unrest of the earth and calm the harmful shaking and upheaval that could come from it.

3-) What do mountains help calm within the earth?

They calm the effects of inner disturbance and violent movement.

4-) In that comparison, what does the ship stand for?

The ship stands for the earth.

5-) What do the cited Qur'anic verses emphasize about mountains?

They emphasize that mountains are firmly set in place as supports.

6-) What do the careful storing and preserving of these resources show?

They show the work of One with unlimited power and perfect wisdom.

7-) What do these provisions reveal about the One who placed them there?

They reveal unlimited power, wisdom, generosity, and foresight.

8-) What personal response does the traveller make after seeing this? He says that he believes in Allah.

9-) How is their proclamation described in terms of strength and size?

It is as strong as mountains and as expansive as plains.

10-) How does the passage connect observation of nature with belief?

It shows that careful reflection on the world leads a person from visible signs to faith in the Creator.

11sinif supreme-sign-p21-mountains-and-plains-pegs-and-treasures - Set 5 - CEVAPLAR

1-) What begins the traveller's next stage of reflection in this passage?

A call from the mountains and plains invites him to study them.

2-) What does the traveller find astonishing about the duty of mountains?

He finds their broad and wise purpose so great that it overwhelms the mind.

3-) What kinds of damage are they said to help prevent?

They help prevent destructive shaking and upheaval.

4-) What everyday object is used to help explain the function of mountains?

A ship is used as the example.

5-) According to this picture, what are mountains like on the earth?

They are like supports placed on a ship to keep it balanced.

6-) Who benefits from what is stored in the mountains?

Living creatures benefit from those stored resources.

7-) Why are these stored things significant for living beings?

They provide what creatures need to survive and benefit.

8-) What words describe the strength and range of their testimony?

Their testimony is described as solid like mountains and broad like the plains.

9-) What is the traveller's spiritual response to this understanding?

He openly affirms his faith in Allah.

10-) What overall message does this passage give about the natural world?

The natural world is presented as a clear sign that leads thoughtful people to recognize and believe in the Creator.

11sinif supreme-sign-p21-mountains-and-plains-pegs-and-treasures - Set 6 - CEVAPLAR

1-) Which parts of nature become the focus of the traveller's reflection in the marked passage?

The focus is on the mountains and the plains.

2-) How are the functions of mountains described at the beginning?

They are described as majestic, wise, and deeply meaningful.

3-) What natural problem do mountains help deal with?

They help control the earth's inner instability and the shaking that can result from it.

4-) What does the phrase about the earth "breathing" suggest?

It suggests relief, balance, and a return to calm.

5-) What comparison is made between mountains and a ship's equipment?

Mountains are compared to the structures that keep a ship from being thrown off balance.

6-) What evidence from the Qur'an is used here?

Verses are mentioned that describe mountains as being like pegs or firm supports.

7-) What additional blessing of the mountains is discussed after their stabilizing role?

Their being places where needed resources are stored and preserved is discussed.

8-) Why is the storage of these things important in the passage's argument?

Because it shows intentional care for living beings rather than blind accident.

9-) How do the plains join the mountains in giving testimony?

Together they show a wide pattern of order, provision, preservation, and wise management.

10-) In the closing summary, what activities in mountains and plains are presented as signs of Allah?

Storing, managing, spreading seeds, preserving, and regulating things in a broad and ordered way are presented as signs.
