CEVAP ANAHTARI

11sinif supreme-sign-p30-the-saints-and-spiritual-guides-the-concordance-of-unveiling-and-wonderworking - Set 1 - CEVAPLAR

1-) What was the traveller hoping to witness after leaving the classroom?

He wanted to see how faith grows stronger and rises from basic certainty to a clearer, more direct kind of certainty.

2-) What invitation did he receive after coming out of the classroom?

He was invited by a vast number of spiritual teachers and guides.

3-) What unites these guides even though they are many?

They are united by their search for truth and their shared testimony about Allah.

4-) What were those spiritual guides declaring together?

They were united in affirming Allah's oneness and necessary existence.

5-) What evidence from their own lives supported their message?

Their spiritual insight into unseen realities and the extraordinary signs granted to them supported it.

6-) What does the mention of many colors teach about saintly experience?

It teaches that saintly experience can take many forms while still coming from one Divine reality.

7-) Which three groups are brought together as forming a very great united testimony?

The prophets, the purified scholars, and the saints.

8-) What image is used to explain how signs can point to a hidden source?

The image of the sun being known by the colors in its light is used.

9-) State the main message of this passage in one sentence.

The passage teaches that the united witness of the saints strongly confirms Allah's existence and oneness.

11sinif supreme-sign-p30-the-saints-and-spiritual-guides-the-concordance-of-unveiling-and-wonderworking - Set 2 - CEVAPLAR

1-) What change in the traveller's journey is described at the start of the passage?

He moved from a classroom setting to a place where he could observe living spiritual growth in faith.

2-) Between which two levels of certainty was the traveller trying to advance?

He was moving from certainty based on knowledge to certainty that is like seeing.

3-) What spiritual model were they following?

They were following the path connected to Prophet Muhammad, peace be upon him.

4-) How is the gathering place physically pictured for the reader?

It is described as extremely bright, broad, and formed from many smaller lodges joined together.

5-) What were they saying about Allah?

They were declaring that Allah alone is the true God and that His existence and oneness are certain.

6-) What does the traveller understand about a truth accepted by all these spiritual masters?

He understands that such a truth must be open, clear, and deeply reliable.

7-) What is meant by the saints having many colors and paths?

It means their experiences, temperaments, and ways of serving Allah differ, yet all remain connected to the same truth.

8-) What does the phrase about a consensus brighter than daylight communicate?

It means their united testimony is extremely clear and hard to deny.

9-) What effect does their shared agreement have on the traveller's understanding?

It gives him a much firmer recognition of Allah's existence and unity.

11sinif supreme-sign-p30-the-saints-and-spiritual-guides-the-concordance-of-unveiling-and-wonderworking - Set 3 - CEVAPLAR

1-) What strong desire pushed the traveller forward in this passage?

He strongly wanted to deepen and strengthen his faith.

2-) Who served as his teachers in this section of the journey?

Spiritual guides and saints served as his teachers.

3-) What kind of place did the traveller enter when he met those guides?

He entered a vast spiritual gathering place like a lodge for remembrance, training, and guidance.

4-) How were the guides united in their message?

They all gave the same testimony about Allah's existence and oneness.

5-) How does the traveller react to their united witness?

He realizes that a truth accepted by all of them must be very evident.

6-) How are the different paths of the saints described?

They are shown as many distinct yet true ways, all reflecting light from the same Divine source.

7-) Why is this variety important for the argument of the passage?

It shows that the truth is not limited to one personality or one method, since many different people still reach the same conclusion.

8-) What role do wondrous deeds play in this passage?

They function as supporting signs that strengthen the saints' truthfulness.

9-) What can be inferred from the saints being unanimous despite having many different colors and paths?

Their agreement is more trustworthy because it comes through many different personal experiences that still lead to the same conclusion.

11sinif supreme-sign-p30-the-saints-and-spiritual-guides-the-concordance-of-unveiling-and-wonderworking - Set 4 - CEVAPLAR

1-) What kind of progress in faith is mentioned at the opening of the target passage?

The passage speaks of faith being strengthened and developed step by step.

2-) What kind of people invited him next?

He was invited by many saintly spiritual guides.

3-) What were these guides trying to attain?

They were striving for truth and reaching a direct spiritual certainty.

4-) What kind of people were the guides said to be?

They were spiritually perceptive people who were also granted wondrous signs.

5-) What personal experiences gave weight to their words?

Their inner witnessing of unseen truths and the extraordinary favors granted to them gave weight to their words.

6-) According to the passage, where did the saints' many spiritual colors come from?

They came from the light of the Eternal Divine source.

7-) How are the saints' different ways presented—as contradiction or harmony?

They are presented as harmonious differences that all come from the same source.

8-) Which three communities together form the strongest witness in this passage?

The prophets, the purified scholars, and the saints.

9-) What is the central belief confirmed by the saints in this passage?

The central belief is Allah's necessary existence and absolute oneness.

11sinif supreme-sign-p30-the-saints-and-spiritual-guides-the-concordance-of-unveiling-and-wonderworking - Set 5 - CEVAPLAR

1-) After leaving the earlier place of learning, what was the traveller eager to understand better?

He was eager to understand how faith becomes stronger and more spiritually vivid.

2-) On whose path were those spiritual guides traveling toward truth?

They were advancing under the guidance of the way of Prophet Muhammad, peace be upon him.

3-) What activities are linked to the place the traveller entered?

It is connected with remembrance of Allah, spiritual training, and guidance.

4-) What were the guides basing their testimony on?

They based it on direct spiritual disclosure and the signs Allah allowed them to manifest.

5-) What does the passage suggest about the strength of a truth accepted by all those saintly people?

It shows that such a truth must be very clear and powerful.

6-) How does the passage describe the variety found among the saints?

It describes them as showing many shades and paths, all reflecting Divine light in different ways.

7-) What does this section teach about unity in Islam's spiritual tradition?

It teaches that different righteous groups support one another in affirming the same central belief.

8-) Why is the comparison to sunlight important in this passage?

It helps explain that just as sunlight reveals the sun, the lives and spiritual states of the saints reveal the truth they follow.

9-) Summarize the benefit the traveller received from this stage of the journey.

He gained a stronger faith through the united witness of the saints and their spiritually verified experience.

11sinif supreme-sign-p30-the-saints-and-spiritual-guides-the-concordance-of-unveiling-and-wonderworking - Set 6 - CEVAPLAR

1-) What was the traveller still seeking in his journey of faith?

He was seeking a deeper and stronger certainty in belief.

2-) How many spiritual guides are described as being present?

They are described as numbering in the thousands or even millions.

3-) What made the meeting-place seem so vast?

It was made by the joining together of many smaller spiritual centers.

4-) What did the traveller hear them proclaiming together?

He heard them united in declaring Allah's oneness.

5-) What statement of belief were they proclaiming with one voice?

They were affirming that only Allah is worthy of worship.

6-) What lesson comes from the comparison with the sun and its colors?

A single source can be known through many visible signs, just as Divine truth appears through many saintly lives and paths.

7-) What is the significance of linking the saints' paths to the Divine Names?

It suggests that their differences reflect the richness and breadth of Allah's attributes.

8-) Why does the traveller see this shared testimony as convincing?

Because so many righteous and enlightened people, from different groups, are all united on the same belief.

9-) Why would this passage strengthen a believer's confidence?

It shows that people of deep spiritual experience, despite many differences, agree on the same core truth.
