CEVAP ANAHTARI

11sinif supreme-sign-p31-the-angels-and-pure-spirits-the-concordance-of-their-reports - Set 1 - CEVAPLAR

1-) What did the traveller consider the highest human excellence and the source of all other human excellences?

Loving Allah, which grows out of faith in Him and knowing Him.

2-) What does this show about the relationship between faith and character in the passage?

It shows that strong faith is the foundation for true human excellence.

3-) How does he rank life, animate beings, and conscious beings?

Life is most precious, animate beings are especially valuable, and conscious beings are the highest among them.

4-) What does the passage say the globe is doing over time?

It is continually renewing its population.

5-) Why did he value the words of heavenly beings so highly?

Because testimony about the Creator from them would be especially weighty.

6-) What did the traveller especially hope to learn from the heavenly beings?

Their understanding concerning the Creator of the universe.

7-) Besides angels, which other group from among the unseen is mentioned as appearing before people?

Pure spirits.

8-) What role does the Qur'an have in the angels' statement?

It is identified as the miraculous revelation brought by the Prophet.

9-) What does their total agreement add to the strength of the message?

It makes the message clear, firm, and hard to doubt.

10-) What overall role do angels play in this passage?

They act as witnesses from the heavenly realm confirming the truths of faith.

11sinif supreme-sign-p31-the-angels-and-pure-spirits-the-concordance-of-their-reports - Set 2 - CEVAPLAR

1-) What inner realization pushed the traveller to keep moving forward in faith?

He realized that true human excellence begins with faith-based love and knowledge of Allah.

2-) When he looked upward, what did he say is the most valuable thing in the universe?

He said life is the most valuable thing.

3-) What did he identify as the universe's greatest treasure?
Life.

4-) What does that pattern imply for the heavens in his mind?

That such a great realm should also be populated by living and conscious beings.

5-) What conclusion does he reach about the heavens based on that idea?

That they should have suitable inhabitants with life and awareness.

6-) How is the Qur'an described in that statement?

As the miraculous book brought by Prophet Muhammad, peace and blessings be upon him.

7-) According to the heavenly voice, what was first in the angels' response to revelation?

They believed in the truths conveyed through them to the prophets.

8-) How did the voice describe the combined effect of their many matching testimonies?

It said their harmony serves as a guide as clear and bright as the sun.

9-) What three truths did these heavenly beings affirm together?

Allah's necessary existence, His oneness, and His sacred attributes.

10-) How is the traveller changed by hearing this?

His faith becomes more radiant and elevated.

11sinif supreme-sign-p31-the-angels-and-pure-spirits-the-concordance-of-their-reports - Set 3 - CEVAPLAR

1-) At the start of the passage, what did the traveller understand about love of Allah?

He understood it to be the root of human perfection and to come from faith and knowledge.

2-) What observation about life led him to think about the heavens?

He saw that life is the greatest treasure in creation and that creation seems arranged to support it.

3-) What did he notice about the earth from year to year and century to century?

He noticed that it is constantly being emptied and filled again in order to increase living beings.

4-) What evidence from the earth did he use in his reasoning?

The ongoing cycle of the world being emptied and refilled with life.

5-) What does the traveller wish he could do with the inhabitants of heaven?

Speak with them and hear what they say about the Creator.

6-) Why is the mention of the Companions important in this passage?

It shows that more than one person witnessed such events.

7-) What does their witness say about Allah?

That He necessarily exists, is One, and has sacred attributes.

8-) What does the passage say all pure spirits who appeared to humans did without exception?

They all bore the same witness about Allah.

9-) In the summary statement, what feature of the angels' reports gives them evidential strength?

Their messages match and support one another.

10-) What comparison is used to show how strong that combined testimony is?

It is compared to the sun in brightness and clarity.

11sinif supreme-sign-p31-the-angels-and-pure-spirits-the-concordance-of-their-reports - Set 4 - CEVAPLAR

1-) According to the traveller, where does true love of Allah come from?

It comes from believing in Allah and knowing Him.

2-) What hierarchy does he describe among created things?

First life, then living beings, then conscious living beings as the highest among them.

3-) What ongoing process on earth did he treat as evidence of the importance of life?

The repeated renewal of life on the globe across years and centuries.

4-) What kind of reports supported his belief that the heavens have conscious inhabitants?

Reports about angels being seen and spoken with by human beings.

5-) What long-standing reports did he mention as support?

Accounts from ancient times about angels appearing and speaking with human beings.

6-) How does the heavenly answer begin?

By telling him that if he wants to learn from them, he should know they believed first in the revealed truths brought through them.

7-) What did the heavenly voice say about the angels' relation to the prophets' message?

They were the first to believe in the truths they conveyed to the prophets.

8-) The voice compares their matching declarations to what natural image?

To the brightness of the sun.

9-) What does the agreement among countless heavenly testimonies show?

It shows a truth so clear that it guides like sunlight.

10-) What main belief is strengthened by the angels' united testimony?
Belief that Allah necessarily exists and is One.

11sinif supreme-sign-p31-the-angels-and-pure-spirits-the-concordance-of-their-reports - Set 5 - CEVAPLAR

1-) What spiritual truth did the traveller already know before looking to the sky?

That the greatest human perfection is loving Allah through faith and knowledge.

2-) What shows that he was serious about seeking more certainty? He tried to move forward with all his inner and outer abilities.

3-) How does he apply that idea to the heavens?

He reasons that such a grand realm should also include living and conscious inhabitants.

4-) What qualities did he say the inhabitants of the heavens would have?

Life, spirit, and consciousness.

5-) Why did the traveller want to speak with the inhabitants of the heavens?

Because he believed their words about the Creator would be especially important.

6-) What knowledge did he hope to gain from the heavenly inhabitants?

Their testimony concerning the Creator of the universe.

7-) Who is singled out among the prophets in the angels' statement? Prophet Muhammad, peace and blessings be upon him.

8-) What do the pure spirits all agree upon?

Allah's necessary existence, His unity, and His sacred attributes.

9-) In the short summary sentence after the lesson, what is emphasized about the angels' communications?

That their reports agree with one another and point to the same truth.

10-) State the main lesson the traveller learned from the angels in one sentence.

The united testimony of angels and pure spirits confirms Allah's necessary existence and oneness.

11sinif supreme-sign-p31-the-angels-and-pure-spirits-the-concordance-of-their-reports - Set 6 - CEVAPLAR

1-) What did the traveller believe is the source of all human perfections?

Love of Allah that comes from faith and knowing Him.

2-) What line of thinking begins his reflection on the heavens?

He starts from the value of life in the universe.

3-) Which is presented as more precious: all animate beings or the conscious among them?

The conscious among them.

4-) Which event with Gabriel is mentioned?

Gabriel's appearing before the Prophet Muhammad, peace and blessings be upon him, and before the Companions.

5-) Why is the appearance of Gabriel significant in the traveller's reasoning?

It provides a concrete example that heavenly beings have shown themselves to people.

6-) Which revealed book is named in the angels' message?

The Qur'an.

7-) Which final prophet is highlighted in that message?

Prophet Muhammad, peace and blessings be upon him.

8-) What shared message do these beings proclaim?

That Allah exists necessarily, is One, and has sacred attributes.

9-) What symbolic movement describes the traveller's faith after hearing them?

It rises from the earth to the heavens.

10-) In simple terms, what lesson did the traveller take from the angels?

The heavenly realm confirms the same truth of Allah's existence and oneness.
