11sinif supreme-sign-p34-the-world-of-the-unseen-the-5-truths-of-revelation - Set 1 - CEVAPLAR

1-) What did the traveler want to learn when he turned his attention to the World of the Unseen?

He wanted to know what that hidden world would reveal about its Maker.

2-) What evidence in the visible world leads him to think there is One who wants to be known?

The abundance of beautifully made works and generous blessings leads him to that conclusion.

3-) What conclusion does the traveler reach from the fact that the Creator makes Himself known through works and blessings?

He concludes that the Creator must also make Himself known through speech.

4-) Why would spoken communication naturally follow this kind of action-based communication?

Because One who intentionally introduces Himself through deeds would also speak to make that introduction clearer.

5-) How does the testimony that comes through revelation compare with the testimony of the universe and created things?

It is presented as stronger than the witness given by the universe and its creatures.

6-) What central truths are carried by revelation and inspiration?

They carry witness to Allah's existence and His oneness.

7-) What makes the reality of revelation almost self-evident in the passage?

The agreement of many prophets, along with the proofs and miracles found in sacred books and pages.

8-) What large-scale human evidence supports the certainty of revelation?

The united witness of a huge number of prophets supports it.

9-) What additional evidence supports revelation besides the prophets' agreement?

The miracles and proofs found in the sacred scriptures and revealed pages.

10-) What new observation does he make after this about inspiration?
He observes that true inspiration resembles revelation in some respects.
