CEVAP ANAHTARI

11sinif supreme-sign-p44-the-messengership-of-prophet-muhammad-16th-degree-4th-proof-the-consensus-of-the-prophets - Set 1 - CEVAPLAR

1-) According to the passage, how does the agreement of the prophets serve as evidence about this being?

It supports both Allah's oneness and the truth that this being is a real messenger.

2-) The passage says the earlier prophets testified to this being in two main ways. What are they?

They testified through their words and through their actions and miracles.

3-) What do the earlier prophets announce about him in their revealed books?

They announce his coming and give glad news about him.

4-) What image does the passage use to show how the prophets support his mission through their deeds?

It presents their deeds as if they placed their approval on his mission.

5-) What other kind of prophetic evidence is mentioned besides words in scripture?

The prophets' actions and miracles.

6-) What understanding did the traveler reach after considering the prophets' agreement?

He recognized that their united witness confirms this being's truthfulness.

7-) What two major truths do these saints agree on?

They agree on Allah's oneness and on the truthfulness and messengerhood of this being.

8-) What part of his message did the saints directly experience in some measure?

They experienced some of the unseen truths he had taught.

9-) How is the saints' confirmation of unseen truths different from simple blind acceptance?

It is based on spiritual insight and levels of certainty, not mere unsupported belief.

10-) What description is given of the clarity of this proof?

It is described as being as plain and bright as the sun.

11sinif supreme-sign-p44-the-messengership-of-prophet-muhammad-16th-degree-4th-proof-the-consensus-of-the-prophets - Set 2 - CEVAPLAR

1-) What kind of proof is the prophets' united agreement described as in the passage?

It is described as a strong and firm proof.

2-) According to the passage, what did history testify about him in relation to earlier prophets?

History testified that the signs and qualities proving prophethood were fully present in him.

3-) Which revealed writings are named as containing good news about him?

The Torah, the Gospels, the Psalms, and other revealed pages.

4-) How many examples of these scriptural announcements are said to have been set out elsewhere?

More than twenty strong examples.

5-) What is the difference between the prophets' verbal witness and their witness by deeds?

One comes through spoken or written announcements, and the other through their prophetic actions and miracles.

6-) Who are the people mentioned in the fifth section after the prophets?

They are the many saints who reached truth, spiritual realization, and perfection by following his teaching.

7-) Why is the witness of these saints especially important in the passage's argument?

Because their spiritual growth came through his guidance, so their success supports the truth of his path.

8-) Do the saints testify only to Allah's unity? Explain.

No. They testify both to Allah's unity and to this being's truthfulness and messengerhood.

9-) What does the passage imply about the reliability of the saints' testimony?

It implies that their testimony is highly reliable because it is united and based on real spiritual attainment.

10-) What conclusion about their master is drawn from their witness?
That he possessed a very high degree of truthfulness and moral straightness.

11sinif supreme-sign-p44-the-messengership-of-prophet-muhammad-16th-degree-4th-proof-the-consensus-of-the-prophets - Set 3 - CEVAPLAR

1-) What is the main subject of the fourth section?

The witness of the prophets to the truthfulness and messengerhood of this being.

2-) What features found in all prophets are said to be present fully in this being?

The sacred qualities, miracles, and prophetic duties that show a person is truly sent by Allah.

3-) What role do earlier scriptures play in this section?

They are presented as containing advance announcements of his arrival.

4-) How do the prophets' miracles relate to their witness for him?

Their miracles, connected to their own missions, also serve as a practical confirmation of his mission.

5-) What did the traveler understand from the prophets' shared witness?

He understood that their united testimony points clearly to this being's truthfulness.

6-) According to the fifth section, what did the saints achieve by following this being?

They reached truth, reality, perfection, extraordinary deeds, unveiling, and witnessing.

7-) What does the passage suggest about the source of the saints' spiritual accomplishments?

Their accomplishments came through learning from him and following his way.

8-) How do they treat the rest of the unseen truths he proclaimed?

They affirm all of them through faith with strong degrees of certainty.

9-) What does the phrase comparing this proof to the sun suggest?

It suggests that the proof is bright, obvious, and hard to deny.

10-) What common method of proof is used in both sections?

Both use the united agreement of trustworthy groups as evidence.

11sinif supreme-sign-p44-the-messengership-of-prophet-muhammad-16th-degree-4th-proof-the-consensus-of-the-prophets - Set 4 - CEVAPLAR

1-) Why is the consensus of the prophets described as powerful evidence?

Because many true messengers agree in affirming this being's truthfulness and mission.

2-) What basis does the passage give for saying the prophets support him?

It says the marks of true prophethood were present in him fully.

3-) What are the named sources in which earlier prophets gave news of his coming?

The Torah, the Gospels, the Psalms, and other revealed writings.

4-) What is meant by saying the prophets "signed" his mission through their deeds?

Their actions served like a strong confirmation that his mission is genuine.

5-) What effect did this prophetic testimony have on the traveler?

It led him to recognize and accept the truth of this being's mission.

6-) In the fifth section, who are said to follow this being and then testify to him?

Thousands of saints who attained high spiritual states through his instruction.

7-) How does their spiritual experience relate to the unseen matters he taught?

They came to witness some of those matters through spiritual light.

8-) What part of his message did they confirm through direct spiritual light?

Some of the realities concerning the unseen world.

9-) What does it mean that they affirmed all his teachings with varying levels of certainty?

It means their belief was deeply grounded, ranging from sure knowledge to direct and complete certainty.

11sinif supreme-sign-p44-the-messengership-of-prophet-muhammad-16th-degree-4th-proof-the-consensus-of-the-prophets - Set 5 - CEVAPLAR

1-) What two truths are supported by the prophets' agreement according to the passage?

Allah's unity and the truthfulness of this messenger.

2-) What does the passage say existed in this being just as in the other prophets?

The qualities, miracles, and roles that indicate true prophethood.

3-) Besides spoken predictions, what else from the prophets is said to confirm his mission?

Their prophetic works and miracles also support and approve his mission.

4-) How does the passage connect belief in Allah's unity with belief in this messenger's truthfulness?

The same prophets who agree on Allah's oneness also agree in confirming his truthfulness.

5-) What does the phrase about their "unanimity of deeds" point to?

It points to their shared practical confirmation of his truthfulness.

6-) What are some of the things these saints are said to have attained?

Truth, reality, perfection, extraordinary spiritual acts, unveiling, and witnessing.

7-) What does their following of him add to the argument?

It shows that his guidance actually produces real spiritual knowledge and growth.

8-) How did the saints come to know some of the unseen truths he taught?

They came to know them through the light of sainthood.

9-) What does the passage say this saintly witness shows about their master?

It shows very clearly that he was completely truthful and upright.

11sinif supreme-sign-p44-the-messengership-of-prophet-muhammad-16th-degree-4th-proof-the-consensus-of-the-prophets - Set 6 - CEVAPLAR

1-) According to the fourth section, what makes the prophets' shared testimony especially weighty?

They are all true messengers, so their united agreement carries great authority.

2-) In which earlier revealed books are announcements of his coming said to appear?

In the Torah, the Gospels, the Psalms, and other revealed pages.

3-) Why is his mission presented as standing at the highest level among prophetic missions?

Because he is described as the foremost and most complete in carrying out the work of prophethood.

4-) How do the prophets' miracles function in relation to his mission?

They act as a confirmation of his mission along with their spoken predictions.

5-) In the fifth section, what kinds of people are introduced as another body of witnesses?

Spiritually accomplished saints who reached high levels through his teaching.

6-) Who are the unanimous witnesses mentioned in the next section?

Thousands of saints formed by his instruction and example.

7-) What does the passage say these saints testify to besides Allah's unity?

They also testify to his truthfulness and messengerhood.

8-) How did they respond to all the truths he brought, even beyond what they directly witnessed?

They believed in and confirmed all of them with different levels of certainty.

9-) What comparison is used to describe how clearly the saints' witness proves his truthfulness?

It is compared to the clarity of the sun.
