CEVAP ANAHTARI

11sinif supreme-sign-p72-direct-knowledge-of-allah-19th-degree-1st-truth-proofs-of-the-7-attributes-especially-life - Set 1 - CEVAPLAR

1-) How does the passage say the attribute of Speech makes Allah known?

It makes Him known through revelation and inspiration.

2-) How is the attribute of Power described as speaking without words? Its created works function like visible messages that show who their Maker is.

3-) How does the passage distinguish between Speech and Power? Speech makes Allah known through communicated guidance, while Power makes Him known through created effects.

4-) Through what kinds of created things does the attribute of Knowledge make Allah known?

Through created things that are wise, orderly, balanced, directed, decorated, and clearly distinguished.

5-) How do the signs of other attributes support the truth of Life?

Since power with purpose, knowledge, hearing, sight, will, and speech belong to the living, they all point back to Life.

6-) What is the connection between Life and the constant variety in the world?

Life is said to drive the ongoing renewal that brings out fresh forms and patterns.

7-) What image is used to describe the universe after this renewal?

It is pictured as a great mirror made up of countless smaller mirrors.

8-) What logical link does the passage make between Will and Life?

It says choosing and intending can only belong to one who is alive.

9-) What can be inferred from the claim that Life has proofs more numerous than the cosmos?

Its evidence is overwhelming and appears throughout all creation.

11sinif supreme-sign-p72-direct-knowledge-of-allah-19th-degree-1st-truth-proofs-of-the-7-attributes-especially-life - Set 2 - CEVAPLAR

1-) What are the two main ways mentioned in the passage by which Allah is made known?

He is made known through revelation and inspiration on one side, and through creation and its signs on the other.

2-) What reveals Allah through the created world?

The attribute of Power reveals Him through the works and effects seen in creation.

3-) What does the passage say those visible effects do?

They describe and point to a glorious and powerful Creator.

4-) Besides its own direct evidence, what other support does Life receive?

It is backed by the signs of Power, Knowledge, and the rest of the Divine attributes.

5-) What two kinds of proof are given for Life?

Proofs that belong directly to Life itself and proofs borrowed from all the other attributes.

6-) Why are animate beings especially important in this proof?

Because they display living signs directly and reflect many other Divine qualities.

7-) What is the relationship between Seeing, Hearing, Will, and Speech and the Most Sacred Essence?

Each of these attributes reveals and makes the Essence known.

8-) How are Seeing and Hearing treated in relation to Allah's Essence?

They are among the attributes that make the Essence known.

9-) How does the passage argue that seeing and hearing imply life?

It treats them as qualities that belong only to one who is alive.

11sinif supreme-sign-p72-direct-knowledge-of-allah-19th-degree-1st-truth-proofs-of-the-7-attributes-especially-life - Set 3 - CEVAPLAR

1-) What does the passage teach about the attribute of Speech?

It teaches that Speech makes Allah known by means of revelation and inspiration.

2-) What is the first comparison made about Power in this passage?

It is linked with crafted works in creation that point to Allah.

3-) According to the passage, what does the whole universe resemble when viewed through Power?

It resembles a living book spread across the cosmos that points to its Majestic Maker.

4-) What makes Life stand out from the other attributes in this section?

The passage says many different proofs gather around it, making its evidence especially abundant.

5-) How do living creatures help prove the attribute of Life?

Their existence and qualities reflect many signs that point to the One who is ever-living.

6-) What does the passage say Life does to the universe?

It keeps renewing and changing it so fresh displays and patterns keep appearing.

7-) Name four attributes besides Life that are said to reveal the Most Sacred Essence.

Knowledge, Seeing, Hearing, and Speech.

8-) What common feature do Knowledge, Hearing, Seeing, Will, Power with purpose, and Speech share in the argument?

They all indicate the presence of life.

9-) What conclusion is drawn about the place of Life among the attributes?

Life is presented as a central foundation that supports the other attributes and has especially many proofs.

11sinif supreme-sign-p72-direct-knowledge-of-allah-19th-degree-1st-truth-proofs-of-the-7-attributes-especially-life - Set 4 - CEVAPLAR

1-) In the passage, what reveals Allah through direct communication to people?

The attribute of Speech reveals Him through revelation and inspiration.

2-) Which attribute is linked to skilled works and visible effects?

Power.

3-) What do individual created things show about the attribute of Knowledge?

Their order, balance, beauty, and careful management show that they come from perfect knowledge.

4-) How does the attribute of Knowledge appear in the world?

It appears in the careful arrangement, balance, adornment, and guidance of created things.

5-) What makes the proof for Life broader than the proof for a single attribute?

Life is supported by its own evidence and also by the evidence for the other attributes.

6-) What does the mirror image suggest about the universe?

It suggests that countless things in creation reflect signs of Allah.

7-) What deeper point is made by saying the universe becomes a mirror?

The changing world continually reflects Divine signs in many forms.

8-) Which four attributes are later mentioned together as also revealing the Essence?

Seeing, Hearing, Willing, and Speaking.

9-) Why does the passage end by saying only a drop is being mentioned?

Because it says this truth has far more proofs than can be fully explained there.

11sinif supreme-sign-p72-direct-knowledge-of-allah-19th-degree-1st-truth-proofs-of-the-7-attributes-especially-life - Set 5 - CEVAPLAR

1-) What is the first comparison made about Speech in this passage?
It is compared with revelation and inspiration as a way Allah makes Himself known.

2-) What comparison is used for the effects of Power?
They are compared to meaningful expressions that take visible form.

3-) Which qualities of created things are linked to the attribute of Knowledge?

Wisdom, order, balance, direction, beauty, and distinctness are linked to it.

4-) Why is Life not treated as just one attribute among many?
Because the passage presents it as supported by nearly all the other signs in the universe.

5-) Which beings are described as witnesses to the attribute of Life?
Living creatures are its witnesses because they reflect many signs of Allah's attributes.

6-) Why might the passage call the universe a great mirror made of many smaller ones?

Because every part of creation reflects signs of Allah, and together they do so on a vast scale.

7-) Which attributes are grouped together after the discussion of Life?
Seeing, Hearing, Willing, and Speaking are grouped together.

8-) How does the passage connect attributes like Knowledge and Hearing to Life?

It says such qualities are signs that life is present, since they belong to a living being.

9-) How does the mention of many proofs strengthen the passage's overall message?

It shows that belief in Allah's living reality is supported from many directions, not from one sign alone.

11sinif supreme-sign-p72-direct-knowledge-of-allah-19th-degree-1st-truth-proofs-of-the-7-attributes-especially-life - Set 6 - CEVAPLAR

1-) Which attribute in the passage is linked to revelation and inspiration?

Speech.

2-) Why does the passage compare the universe to a book?

Because creation is treated as full of meaning that points beyond itself to its Maker.

3-) What does the passage say the universe shows about its Creator when seen as a whole?

It shows that the Creator is mighty and full of glory.

4-) What signs in creation point to the attribute of Knowledge?

Signs of wisdom, order, balance, management, beauty, and distinction.

5-) What is the purpose of the ongoing changes in the cosmos according to the passage?

They allow new manifestations and new designs to appear again and again.

6-) What effect does Life have on the condition of the cosmos?

It keeps the cosmos in motion and renewal so new forms continue to appear.

7-) What does this constant change show about the universe?

It shows that the universe is actively displaying living and meaningful signs.

8-) What does the passage mean by saying purposive power belongs only to living beings?

It means power used with intention and aim is evidence of life.

9-) What rank is given to Life at the end of the passage?

It is described as a foundational attribute that supports the others and has extremely many evidences.
