CEVAP ANAHTARI

2sinif supreme-sign-p05-1st-abyss-1st-matter-in-negation-there-is-no-mutual-support - Set 1 - CEVAPLAR

1-) In the passage, what happens when many people say something true is real?

Their words help one another.

2-) What happens when many people deny something?

Their denials stay separate and do not make each other stronger.

3-) Why does each denial stay by itself?

Because each person is speaking from his own view.

4-) What should we not let deniers put into a believer's heart?

Doubt.

5-) Who are said to have caused doubt for some people in this age?

Some European philosophers who denied belief.

6-) What happened to some fooled people when they followed those denials?

They lost strong faith and certainty.

7-) About how many people die each day, according to the passage?

Thirty thousand.

8-) How do deniers wrongly think about death?

They think it is the end forever.

9-) How does the grave seem to a denier?

Like a place of loss that brings fear and sadness.

10-) What does the passage say faith is like for a person's life?

A great blessing and the core of life.

2sinif supreme-sign-p05-1st-abyss-1st-matter-in-negation- there-is-no-mutual-support - Set 2 - CEVAPLAR

1-) What is the main difference between saying “yes” to a truth and saying “no” to it?

Saying “yes” joins together, but saying “no” breaks into many separate views.

2-) When people affirm the truth, how many results are there?

One shared result.

3-) When people deny the truth, why are there many results?

Because each one speaks from his own opinion or belief.

4-) If many unbelievers seem to be more in number, why is that not very important?

Because lots of separate denials do not become one strong proof.

5-) What should happen to a believer’s certainty?

It should be protected.

6-) What harmed the certainty of some unfortunate people?

Doubts coming from denials.

7-) How is death presented by deniers in a sad way?

As total ending, not a passing on.

8-) Why does that idea make life bitter?

Because it fills people with fear and sorrow.

9-) What object with an open door is mentioned as frightening to the denier?

The grave.

10-) What big lesson does the passage want us to feel at the end?

Faith is a huge gift.

2sinif supreme-sign-p05-1st-abyss-1st-matter-in-negation- there-is-no-mutual-support - Set 3 - CEVAPLAR

1-) In the passage, do affirmations support one another or weaken one another?

They support one another.

2-) Do denials come together as one strong whole or as many separate parts?

As many separate parts.

3-) Why can one person's denial not fully hold up another person's denial?

Because each one depends on his own personal view.

4-) What does the passage say about the large number of deniers against belief?

Their large number does not give their denial real weight.

5-) What should not be shaken in a believer?

Certainty of faith.

6-) Which group is named as spreading denials that caused doubt for some people?

Philosophers from Europe.

7-) How many people are said to face death every day?

Thirty thousand.

8-) For a denier, what feeling does the grave keep bringing?

Fear of being lost forever.

9-) After hearing all this, what should we understand about faith?

It is precious and gives true life.

10-) What is faith called at the end of the passage?

A great blessing and the heart of life.

2sinif supreme-sign-p05-1st-abyss-1st-matter-in-negation-there-is-no-mutual-support - Set 4 - CEVAPLAR

1-) If a truth is affirmed by different people, how do their statements work together?

They join and give support.

2-) If different people deny a truth, do their words become one united proof?

No, they remain apart.

3-) What makes denial become many instead of one?

Each person ties it to his own opinion or viewpoint.

4-) What wrong effect did certain denials have in this age?

They made some people unsure about faith.

5-) What happened to the everlasting happiness of those people?

It was wiped away.

6-) What false meaning do deniers give to death?

They treat it like complete destruction.

7-) How is the grave shown for the one who denies?

As something always near that fills life with pain.

8-) What kind of feelings poison the denier's life?

Very bitter sadness and fear.

9-) What does the passage teach us to value very much?

The blessing of faith.

10-) What should we realize about faith after reading this part?

It is a wonderful gift and gives life its true meaning.

2sinif supreme-sign-p05-1st-abyss-1st-matter-in-negation- there-is-no-mutual-support - Set 5 - CEVAPLAR

1-) What kind of result comes from affirmation: one shared result or many unrelated results?

One shared result.

2-) What kind of result comes from negation: one shared result or many unrelated results?

Many unrelated results.

3-) Why does the passage say each denial cannot back up all the others?

Because each one is limited to that person's own belief or view.

4-) What should believers guard carefully in their hearts?

Their faith and certainty.

5-) Who influenced some people with denial and doubt?

Some philosophers in Europe.

6-) What sad change happened to those who were fooled by these ideas?

Their certainty was ruined.

7-) What number is given for the people who die daily?

Thirty thousand.

8-) What does the denier think death means?

Never living again.

9-) What standing danger is used to picture the denier's fear?

The grave waiting with its open door.

2sinif supreme-sign-p05-1st-abyss-1st-matter-in-negation- there-is-no-mutual-support - Set 6 - CEVAPLAR

1-) When truth is affirmed, what is said about all the separate affirmations?

They all help each other.

2-) When truth is denied, why is the denial described as multiple?

Because each person's denial comes from his own point of view.

3-) Does the passage treat the crowd of deniers as a strong proof against belief?

No, it says their number does not matter much.

4-) What must not be planted inside a believer because of deniers?

Hesitation and doubt.

5-) What group is blamed for leading some people into doubt in this time?

European philosophers who reject belief.

6-) What did some unlucky followers lose?

Their sure faith.

7-) What daily event is mentioned to show that people keep leaving this world?

About thirty thousand deaths each day.

8-) In the denier's thinking, what does death become instead of a passing from this world?

Endless nonexistence.

9-) How does the grave affect the denier's life?

It makes life feel bitter and full of sorrow.
