CEVAP ANAHTARI

2sinif supreme-sign-p104-3rd-stopping-place-3rd-truth-the-truth-of-disposing-and-administering - Set 1 - CEVAPLAR

1-) What is the name of the Third Truth in this passage?

The Truth of Disposing and Administering.

2-) Before speaking about spring, what does the passage say about the whole world?

It is managed like a perfect kingdom.

3-) What does the passage say these different things do with each other?

They help each other and are managed together.

4-) What makes his work so hard?

He has to care for four hundred thousand different groups.

5-) In the example, how many different groups are in the army?

Four hundred thousand.

6-) What does the unseen hand do every spring?

It creates and runs a great army of living kinds.

7-) In the real world, what does the unseen hand make every spring?

A great army of four hundred thousand kinds of living things.

8-) What happens again in spring?

Many forms of life return.

9-) What are the other three parts of the tree named?

The tree itself, its flowers, and its fruits.

10-) What is death called for them in this picture?

Going on leave.

2sinif supreme-sign-p104-3rd-stopping-place-3rd-truth-the-truth-of-disposing-and-administering - Set 2 - CEVAPLAR

1-) What main idea is taught in the Third Truth?

Allah manages the world with perfect order.

2-) Is this rule described as weak or mighty?

Mighty.

3-) Which smaller things are named with them?

The creatures living on earth.

4-) How are the creatures of earth described in a humble way?

As weak and needy.

5-) Why does the passage use a commander and army example?

To help us understand the huge and careful management.

6-) What is special about the army groups?

They are many and all different.

7-) Name two more things each group receives in the example.

Instructions and pay.

8-) What does this say about the one doing the work?

He has amazing power.

9-) What real event in nature matches this army picture?

The coming of living species in spring.

10-) What does autumn do to many of these species?

It sends them away from their work.

2sinif supreme-sign-p104-3rd-stopping-place-3rd-truth-the-truth-of-disposing-and-administering - Set 3 - CEVAPLAR

1-) What is being proved by the orderly running of the world in this passage?

Allah's unity and oneness.

2-) What does the passage say is complete in this administration?

Order and balance.

3-) What kinds of things are ruled with this order?

The heavens, the elements, and living things on earth.

4-) What gentle lesson is given about the earth's creatures?

Even weak creatures are cared for.

5-) What shows the commander's greatness in the example?

He gives every group what it needs in the right way.

6-) What small part of this huge rule does the passage choose to show?

What happens in spring on earth.

7-) How many species are mentioned in that spring army?

Four hundred thousand.

8-) What is important about how each group is treated?

Each one gets its own needs met correctly.

9-) What does the passage say would happen if another cause reached in?

It would spoil the balance and make confusion.

10-) Why is the tree a helpful example for kids to picture?

We can see its leaves, flowers, and fruits come again.

2sinif supreme-sign-p104-3rd-stopping-place-3rd-truth-the-truth-of-disposing-and-administering - Set 4 - CEVAPLAR

1-) What season is used as a special lesson in this passage?

Spring.

2-) How are the creatures on earth described?

They are needy and weak.

3-) In the comparison, what kind of leader is imagined?

A wonderful conqueror and commander.

4-) Which season is used to show one page of this rule and care?

Spring.

5-) What phrase shows that this work is beyond normal causes?

An unseen hand does it.

6-) What would happen if another cause tried to do this huge job?

The balance would break and confusion would happen.

7-) What happens to many of them in autumn?

They are released from duty through death.

8-) What does the example teach about ordinary causes?

They cannot do such a great job.

9-) What happens to many species in autumn?

They are dismissed and pass away.

10-) What does spring do after that?

It brings many of them back in orderly ways.

2sinif supreme-sign-p104-3rd-stopping-place-3rd-truth-the-truth-of-disposing-and-administering - Set 5 - CEVAPLAR
