They appear

CEVAP ANAHTARI

2sinif supreme-sign-p25-animals-and-birds-3rd-truth-the-unfolding-of-forms-and-the-tahlel-through-the-agreement-of-3-truths - Set 1 - CEVAPLAR

1-) What came out from things that looked almost the same at the start?

Many living creatures with many different shapes came out.

2-) What two small beginnings are named for these creatures?

Eggs and tiny drops of sperm.

3-) Were there only a few kinds of creatures or very many?

There were very many kinds.

4-) How does the passage describe the way they came out?

They came out in a neat, balanced, and steady way.

5-) Did their coming out happen with mistakes or without mistakes?

It happened without mistakes.

6-) Why is this called a very bright truth in the passage?

Because it clearly shows wise making and is strongly proven.

7-) What are the proofs said to be as many as?

As many as the animals themselves.

8-) How many proofs support this truth?

There are as many proofs as there are animals.

2sinif supreme-sign-p25-animals-and-birds-3rd-truth-the-unfolding-of-forms-and-the-tahlel-through-the-agreement-of-3-truths - Set 2 - CEVAPLAR

1-) Who is being talked about in this part of the passage?

Countless living creatures.

2-) About how many forms are mentioned for these creatures?

Hundreds of thousands of forms.

3-) What makes each creature special in the passage?

Each one is described as a wonder of wisdom.

4-) From what beginnings do these creatures appear?

They appear from eggs and from tiny drops of sperm.

5-) How are those beginnings compared to each other?

They are said to be the same or very similar.

6-) What is surprising about getting many different animals from similar beginnings?

So many different results come from things that seem almost the same.

7-) What words show that their coming out is not messy or random?

The words about order, balance, and never failing show that.

8-) Why are there so many proofs for this truth?

Because every animal is a proof.

2sinif supreme-sign-p25-animals-and-birds-3rd-truth-the-unfolding-of-forms-and-the-tahlel-through-the-agreement-of-3-truths - Set 3 - CEVAPLAR

1-) Does this part talk about dead things or living creatures?

It talks about living creatures.

2-) Are the creatures all the same shape?

No, they have many different shapes.

3-) What are the first forms they come from?

They come from eggs and tiny drops of sperm.

4-) Are those first forms large and endless, or small and limited?

They are small and limited.

5-) What does “limited” help us understand here?

It helps us see that simple, small beginnings can lead to many kinds of creatures.

6-) What three good qualities describe how the creatures appear?

Order, balance, and no failure.

7-) What matches the number of proofs in this part?

The number of animals.

8-) How strong is the evidence for this truth?

The evidence is extremely strong, with each animal being a proof.

2sinif supreme-sign-p25-animals-and-birds-3rd-truth-the-unfolding-of-forms-and-the-tahlel-through-the-agreement-of-3-truths - Set 4 - CEVAPLAR

1-) What amazing change happens in this passage?

Similar beginnings become many different animals.

2-) Which beginnings are mentioned by name?

Eggs and tiny drops of sperm.

3-) Do these beginnings look very different from each other or much alike?

They look much alike.

4-) What do the creatures become like after they appear?

They become many kinds with many forms.

5-) How is each creature described besides being different?

Each one is described as a marvelous work of wisdom.

6-) What words tell us the process is beautiful and careful?

The passage says it is orderly and balanced.

7-) What words tell us the process is dependable?

The words show it does not fail.

8-) What is compared to the number of animals?

The number of proofs and signs.

2sinif supreme-sign-p25-animals-and-birds-3rd-truth-the-unfolding-of-forms-and-the-tahlel-through-the-agreement-of-3-truths - Set 5 - CEVAPLAR

1-) What is the passage mainly describing: how creatures sleep, or how creatures begin?

It is describing how creatures begin.

2-) Are only a few creatures included, or countless creatures?

Countless creatures are included.

3-) How many kinds of forms are mentioned?

Hundreds of thousands of forms are mentioned.

4-) What simple beginnings do they come from?

They come from eggs and tiny drops of sperm.

5-) What is important about those beginnings?

They are very similar to one another.

6-) What do we learn from the creatures coming out in a balanced way?

We learn that their creation is measured and careful.

7-) What do we learn from the creatures coming out without failure?

We learn that their creation is sure and exact.

2sinif supreme-sign-p25-animals-and-birds-3rd-truth-the-unfolding-of-forms-and-the-tahlel-through-the-agreement-of-3-truths - Set 6 - CEVAPLAR

1-) What begins to appear in this passage?

Many creatures begin to appear and unfold.

2-) Are these creatures said to be plain, or full of wisdom?

They are full of wisdom.

3-) What does the passage say about their number?

There are countless creatures and very many forms.

4-) From what two things do they come?

They come from eggs and tiny drops of sperm.

5-) How are those two starting things described?

They are described as alike or nearly alike, and limited in number.

6-) What is the result of these similar beginnings?

Many different creatures come from them.

7-) In what manner do the creatures appear?

They appear with order, balance, and without failing.
