CEVAP ANAHTARI

2sinif supreme-sign-p62-the-universal-testimony-of-the-cosmos-18th-degree-1st-truth-turning-to-the-totality-of-the-cosmos - Set 1 - CEVAPLAR

1-) What does the traveler want to do next to grow stronger in faith?

He wants to look at the whole universe and learn from it.

2-) What tool does he use to look at the universe in a deeper way?

He uses a wide, special way of seeing learned from the Qur'an.

3-) What are two things the universe is compared to?

A book and a palace.

4-) How does the universe show meaning and order?

Its parts change in a wise and organized way.

5-) What do these ordered changes show about the One who made everything?

That He knows everything and has power over everything.

6-) Who is described as writing the book of the universe?

A glorious Creator who sees all things and knows how they fit together.

7-) Which parts of the universe give this message?

Its kinds, tiny pieces, living things, and all that comes in and goes out.

8-) What do all these parts say together about the Maker?

That there is one great Maker.

9-) What qualities of the Maker are mentioned?

Greatness, no equal, endless power, and perfect wisdom.

10-) Why is the witness of the cosmos called very great?

Because it is as vast as the whole universe.

2sinif supreme-sign-p62-the-universal-testimony-of-the-cosmos-18th-degree-1st-truth-turning-to-the-totality-of-the-cosmos - Set 2 - CEVAPLAR

1-) Why does the traveler turn to the whole cosmos?

To reach another level of faith.

2-) What does he hope will happen to the lessons he already learned?

They will become more complete and full of light.

3-) When he looks carefully, what does the cosmos seem like?

It seems like a living book, a beautiful palace, and an orderly city.

4-) What does this tell us about the cosmos: messy or well-planned?

It is well-planned.

5-) What do even the smallest parts of this great “book” help show?

They help show that there is a Creator.

6-) What do the ongoing changes in the world point to?

They point to a Knower and Powerful Maker.

7-) How well does this Maker know things?

He knows all things and how they connect.

8-) Do only big things in the universe give this message, or big and small things together?

Big and small things together.

9-) What do the creatures and particles say in one voice?

That there is one Maker and one Lord.

10-) What do the wise renewals in the world show about the Maker’s way of working?

He works with power and wisdom.

2sinif supreme-sign-p62-the-universal-testimony-of-the-cosmos-18th-degree-1st-truth-turning-to-the-totality-of-the-cosmos - Set 3 - CEVAPLAR

1-) What is the main goal of the traveler in this passage?

To increase his faith.

2-) Where does he go for a new lesson after learning from parts of creation?

He goes to the whole universe.

3-) What does the universe look like to him because it is full of meaning and order?

Like a written book and a carefully made home.

4-) What kinds of changes happen in the universe that still show order? Changes that keep happening in a meaningful and wise way.

5-) What do all things in the cosmos together agree on?

The existence and oneness of the Maker.

6-) What is special about the Maker besides power?

He works with wisdom.

7-) Is the Maker shown as having an equal, or as being without equal?

He is without equal.

8-) What supports the strong witness of the cosmos at the end of the passage?

Two huge truths.

9-) What else besides living things gives witness in the cosmos?

Tiny particles and whatever enters and leaves it.

10-) How strong is this witness from the cosmos?

It is extremely great, as great as the cosmos itself.

2sinif supreme-sign-p62-the-universal-testimony-of-the-cosmos-18th-degree-1st-truth-turning-to-the-totality-of-the-cosmos - Set 4 - CEVAPLAR

1-) What does the traveler say before he studies the cosmos?

He says he should keep going to gain more faith.

2-) What does he want to listen to from the cosmos?

Its message.

3-) How does the Qur'an help him look at the world?

It gives him a clear way to understand it.
