2sinif supreme-sign-p82-2nd-stopping-place-2nd-truth-the-absoluteness-of-dominical-acts-1st-example-from-sura-al-nahl - Set 1 - CEVAPLAR

1-) Which small animal is talked about first in the passage?

The bee.

2-) What does the passage say Allah guided the bee to do?

To make its home in the mountains.

3-) Why is the bee called a wonder of Allah's power?

Because Allah gave it special abilities and a careful design for its work.

4-) What important food does the bee make inside its small body?

Honey.

5-) What harmful thing does the bee carry without hurting itself?

Poison in its stinger.

6-) According to the passage, what kinds of things cannot make the bee this way?

Blind nature and random accident cannot do it.

7-) What do many bees around the world show when they are made in the same careful way?

They show Allah's oneness.

8-) If the same wisdom and order are seen in bees everywhere, what does that help prove?

That one Allah is making and caring for them all.

2sinif supreme-sign-p82-2nd-stopping-place-2nd-truth-the-absoluteness-of-dominical-acts-1st-example-from-sura-al-nahl - Set 2 - CEVAPLAR

1-) What place is named as a home for the bee?

The mountains.

2-) What is put in the bee's tiny head?

A full plan for its job.

3-) What does the passage say happens to the bee's food inside it?

It becomes a sweet food.

4-) What shows care and wisdom in the bee's design?

Its job, food-making, and safe stinger all do.

5-) Why can't accident be the maker of the bee, according to the passage?

Because the bee is made with order, balance, and purpose.

6-) Are these special bee qualities found in only one bee or in many bees across the earth?

In many bees across the earth.

7-) What big lesson do these many similar bees teach?

That Allah is One.

8-) What do these matching signs in countless bees become?

Clear proof of Allah's unity.

2sinif supreme-sign-p82-2nd-stopping-place-2nd-truth-the-absoluteness-of-dominical-acts-1st-example-from-sura-al-nahl - Set 3 - CEVAPLAR

1-) Which creature in the passage has a whole surah named after it?
The bee.

2-) What does this tell us about the bee in the passage?
It is an important sign of Allah's power.

3-) What two body parts of the bee are specially mentioned?
Its head and its stomach.

4-) What is amazing about the bee's sting?
It can harm other living things but does not harm the bee itself.

5-) What kind of making is needed for the bee according to the passage?

Very careful, wise making.

6-) Why does the passage say unconscious nature cannot share in making the bee?

Because the bee shows clear order and balance.

7-) What is the same in bees all over the world?
Their wisdom, care, and balanced design.

8-) When bees everywhere are made in the same beautiful way, what does that tell us about their Maker?

Their Maker is one, Allah.

2sinif supreme-sign-p82-2nd-stopping-place-2nd-truth-the-absoluteness-of-dominical-acts-1st-example-from-sura-al-nahl - Set 4 - CEVAPLAR

1-) What work does the bee have that makes it special in the passage?

It has an important job given by Allah.

2-) What does the passage compare the bee to when speaking about honey?

A tiny machine for making honey.

3-) Is the bee's work shown as careless or full of purpose?

Full of purpose.

4-) What three good qualities are seen in the making of the bee?

Wisdom, care, and balance.

5-) What does the passage say about nature and chance in this matter?

They cannot take part in making it.

6-) Why not?

Because they are without understanding and do not make such perfect order.

7-) Where are these bees found?

Across the earth.

8-) What does the spread of countless bees with the same design prove?

It proves Allah's oneness.

2sinif supreme-sign-p82-2nd-stopping-place-2nd-truth-the-absoluteness-of-dominical-acts-1st-example-from-sura-al-nahl - Set 5 - CEVAPLAR
