CEVAP ANAHTARI

2sinif supreme-sign-p86-3rd-truth-the-importance-of-this-mystery-and-reference-to-the-risale-i-nur - Set 1 -

CEVAPLAR

1-) What big truth is this passage talking about?

Allah's oneness and His power over everything.

2-) What special idea about Allah's power is explained here?

For Allah, creating something huge is no harder than creating something tiny.

3-) To whom is deep praise given?

To Allah, the Compassionate Creator.

4-) How many mystery-points were meant to be mentioned?

Thirteen.

5-) What was the writer able to complete before stopping?

The first and second mysteries.

6-) What opposite makes light seem weaker?

Darkness.

7-) If nothing blocks Allah's power, what does that mean about creating?

Nothing is difficult for Him to create.

8-) What does the easy and beautiful coming of many living things show?

It shows Allah's unity and power.

9-) What remains after they leave?

Seeds remain.

10-) What happens to the earth in spring that is like being raised again?

It is brought back to life with many kinds of living things.

2sinif supreme-sign-p86-3rd-truth-the-importance-of-this-mystery-and-reference-to-the-risale-i-nur - Set 2 -

CEVAPLAR

1-) What important belief is called a great foundation of Islam in this passage?

Belief in Allah's oneness.

2-) What does it help people understand about creation?

It helps them understand a very hard secret about how all things are made.

3-) What mystery of creation is said to be made known?

How all beings are created by Allah's power.

4-) What simple comparison is used to show how certain the proof is?

A basic math truth.

5-) What is the first basic truth about Allah's power in the First Mystery?

Its opposite, weakness, cannot enter it.

6-) Why do some created things have stronger and weaker levels?

Because opposites affect them.

7-) What big event is said to be as easy for Allah as springtime?

Resurrection.

8-) What would become hard without Divine unity according to the passage?

Even making a flower, a tree, or a living creature.

9-) What does the beauty and abundance of living things point to?

Allah's perfect power and unity.

10-) How does the passage show Allah gives life broadly in spring?

He gives life to one creature, whole groups of creatures, and many plants and animals with ease.

2sinif supreme-sign-p86-3rd-truth-the-importance-of-this-mystery-and-reference-to-the-risale-i-nur - Set 3 -

CEVAPLAR

1-) What does the passage say is a great source of faith?

Understanding Allah's oneness.

2-) What writing is said to have explained this secret clearly?

The Risale-i Nur.

3-) Who is thanked and praised in the passage?

The Compassionate Creator, Allah.

4-) What book is named as giving strong proofs for this matter?

The Risale-i Nur.

5-) What happened to that plan?

It stopped after two mysteries because of obstacles.

6-) Does Allah's power have that kind of weakness mixed into it?

No.

7-) Which is easier for Allah: reviving the world, bringing spring, growing a tree, or making a flower?

All are equally easy for Him.

8-) What follows from that when Allah creates?

Nothing can make creation difficult for Him.

9-) What does one word entering many ears help us understand?

That one act can reach many without becoming harder.

10-) What does one word reaching many ears show?

One action can reach many without becoming harder.

2sinif supreme-sign-p86-3rd-truth-the-importance-of-this-mystery-and-reference-to-the-risale-i-nur - Set 4 -

CEVAPLAR

1-) What is one main point of this passage about Allah and creation?

Allah creates all things with perfect ease and power.

2-) What does understanding this mystery help a person know?

A hidden secret about creation.

3-) Was the whole subject going to be fully explained here or only the basics?

Only the basics.

4-) How sure does the passage say these proofs are?

Very sure, like a simple math fact.

5-) Which ones had already been written?

The first and the second.

6-) What general rule is taught by the examples of light, heat, and strength?

Differences happen when opposites get involved.

7-) What four examples are compared to show equal ease?

Resurrection, spring, a tree, and a flower.

8-) What does the passage teach about big and small things before Allah's power?

They are the same in ease.

9-) In the Second Mystery, what quality lets one source appear in many places?

A light-like reflective quality.

10-) What does the passage say about small and big, or few and many, for Allah's power?

They are all the same for His power.

2sinif supreme-sign-p86-3rd-truth-the-importance-of-this-mystery-and-reference-to-the-risale-i-nur - Set 5 -

CEVAPLAR

1-) What secret about Allah's power is highlighted at the start of the passage?

The biggest and the smallest are equally easy for Allah.

2-) Why is this teaching important for Muslims?

It is a deep base for faith and belief in Allah's oneness.

3-) Which work is said to have solved and proved this mystery?

The Risale-i Nur.

4-) What stopped the writing after the first two mysteries?

Two strong obstacles, one physical and one not physical.

5-) How many mystery-steps are mentioned?

Thirteen.

6-) In the First Mystery, what can never reach Allah's power?

Weakness.

7-) What simple lesson do heat and cold teach?

Levels happen when an opposite is mixed in.

8-) What do these creatures leave after they go?

Their seeds.

9-) What do these creatures do in the world?

They carry out their tasks.

10-) What springtime example near the end shows a kind of resurrection?

Allah brings the earth back to life and raises many kinds of living things with ease.

2sinif supreme-sign-p86-3rd-truth-the-importance-of-this-mystery-and-reference-to-the-risale-i-nur - Set 6 -

CEVAPLAR

1-) What central belief is called one of the greatest bases in this passage?

Belief in Allah's oneness.

2-) What human way of thinking is said to become helpless before this mystery?

Philosophy.

3-) What feeling fills the words of praise in the passage?

Thankfulness to Allah.

4-) Did the writer finish all thirteen mysteries in this place?

No.

5-) What makes things have different levels, like brighter or dimmer?

The mixing in of the opposite.

6-) Why was the rest not finished?

Two hard obstacles stopped it.

7-) Which is harder for Allah, making a flower or bringing a great resurrection?

Neither is harder. Both are easy for Him.

8-) Why do living things come out into the world in such a regular way?

Because Allah creates them with art, ease, and order.

9-) What does the passage teach about one and many for Allah?

One and many are the same for His power.
