

1

Why does the passage say it will speak only about two dangers to strong faith in this time?

5sinif supreme-sign-p04-1st-abyss-1st-matter-in-universal-
questions-denial-is-worthless-against-proof

Cevap 1

Because the truth has already been clearly proved elsewhere, so this part only points out two big causes of doubt.

2

What does it choose to explain in this section?

5sinif supreme-sign-p04-1st-abyss-1st-matter-in-universal-
questions-denial-is-worthless-against-proof

Cevap 2

It explains two deep causes of doubt that weaken certainty of faith.

3

In the first matter, what happens
when proof and denial face each
other?

5sinif supreme-sign-p04-1st-abyss-1st-matter-in-universal-
questions-denial-is-worthless-against-proof

Cevap 3

Proof stands firm, while denial remains weak.

4

In that example, whose statement carries weight: the few who saw it or the many who did not?

5sinif supreme-sign-p04-1st-abyss-1st-matter-in-universal-questions-denial-is-worthless-against-proof

Cevap 4

The few who saw it carry weight
because they have proof.

5

What causes agreement when
people affirm something?

5sinif supreme-sign-p04-1st-abyss-1st-matter-in-universal-
questions-denial-is-worthless-against-proof

Cevap 5

They are all confirming the same reality.

6

What makes proving existence
easier than proving total non-
existence?

5sinif supreme-sign-p04-1st-abyss-1st-matter-in-universal-
questions-denial-is-worthless-against-proof

Cevap 6

Existence can be shown by one clear sign, but non-existence needs complete checking everywhere.

7

What mistake do deniers make
when judging big matters?

5sinif supreme-sign-p04-1st-abyss-1st-matter-in-universal-
questions-denial-is-worthless-against-proof

Cevap 7

They judge by their own selves,
minds, and eyesight instead of the
reality itself.

8

Why is denial of existence
everywhere almost impossible to
establish?

5sinif supreme-sign-p04-1st-abyss-1st-matter-in-universal-
questions-denial-is-worthless-against-proof

Cevap 8

Because the whole world and even past times would have to be checked.

9

Why is the second statement too big for a person to make?

5sinif supreme-sign-p04-1st-abyss-1st-matter-in-universal-questions-denial-is-worthless-against-proof

Cevap 9

Because it claims complete knowledge that a person does not have.

10

What does it teach about the
structure of negation?

5sinif supreme-sign-p04-1st-abyss-1st-matter-in-universal-
questions-denial-is-worthless-against-proof

Cevap 10

It becomes multiple because each person adds his own separate viewpoint.

11

What does the passage choose to explain instead of repeating all the proof for the truth?

5sinif supreme-sign-p04-1st-abyss-1st-matter-in-universal-
questions-denial-is-worthless-against-proof

Cevap 11

It explains two major causes that disturb certainty of faith in this age.

12

What is this section trying to address for readers living in this age?

5sinif supreme-sign-p04-1st-abyss-1st-matter-in-universal-questions-denial-is-worthless-against-proof

Cevap 12

It is addressing two serious sources of hesitation in faith.

13

What is the central teaching of
the first matter?

5sinif supreme-sign-p04-1st-abyss-1st-matter-in-universal-
questions-denial-is-worthless-against-proof

Cevap 13

Denial cannot stand strong
against real proof.

14

Why does confirmation lead to agreement?

5sinif supreme-sign-p04-1st-abyss-1st-matter-in-universal-
questions-denial-is-worthless-against-proof

Cevap 14

Because each confirming person adds support to the same truth.

15

Why can affirming witnesses
stand together?

5sinif supreme-sign-p04-1st-abyss-1st-matter-in-universal-
questions-denial-is-worthless-against-proof

Cevap 15

Because they are testifying to the same thing that really exists.

16

Why do several denials not
become strong in the same way?

5sinif supreme-sign-p04-1st-abyss-1st-matter-in-universal-
questions-denial-is-worthless-against-proof

Cevap 16

Because each denial is separate and based on that person's own lack of sight or knowledge.

17

Why would proving non-existence everywhere be extremely hard?

5sinif supreme-sign-p04-1st-abyss-1st-matter-in-universal-questions-denial-is-worthless-against-proof

Cevap 17

Because it would require a complete search through the whole world and all times.

18

According to the passage, from
where do deniers often make
their judgments?

5sinif supreme-sign-p04-1st-abyss-1st-matter-in-universal-
questions-denial-is-worthless-against-proof

Cevap 18

From their own souls,
intelligence, and vision.

19

What conclusion should a believer draw from this about the majority of deniers?

5sinif supreme-sign-p04-1st-abyss-1st-matter-in-universal-questions-denial-is-worthless-against-proof

Cevap 19

Their large numbers do not give
them real proof or lasting
strength.

20

What does the passage say has
already been established with
strong evidence?

5sinif supreme-sign-p04-1st-abyss-1st-matter-in-universal-
questions-denial-is-worthless-against-proof

Cevap 20

The main truth about faith has
already been firmly shown.

21

How many matters are given as a
way to be saved from the first
abyss?

5sinif supreme-sign-p04-1st-abyss-1st-matter-in-universal-
questions-denial-is-worthless-against-proof

Cevap 21

Two matters are given.

22

What does the first matter teach
about saying “no” to a proven
truth?

5sinif supreme-sign-p04-1st-abyss-1st-matter-in-universal-
questions-denial-is-worthless-against-proof

Cevap 22

That such denial is very weak.

23

Why do people who deny
something not truly support one
another in the same way?

5sinif supreme-sign-p04-1st-abyss-1st-matter-in-universal-
questions-denial-is-worthless-against-proof

Cevap 23

Because each one is only speaking from his own limited view and stays separate from the others.

24

What example is used to show this point about proof and denial?

5sinif supreme-sign-p04-1st-abyss-1st-matter-in-universal-questions-denial-is-worthless-against-proof

Cevap 24

The example of seeing the new moon at the start of Ramadan.
