CEVAP ANAHTARI

5sinif supreme-sign-p105-3rd-stopping-place-3rd-truth-the-comparison-of-the-army-of-400-000-nations - Set 1 - CEVAPLAR

1-) In spring, what happens in a short time that is compared to coming back to life?

Three hundred thousand living kinds are brought back in fresh forms within a few weeks.

2-) What does the passage say happens four times in connection with a tree?

A tree shows renewal in itself, its leaves, its blossoms, and its fruits.

3-) After spring is shown again, what kinds of things are given to each living group?

Each group receives its food, protection, special covering, duties, endings of duties, and the tools it needs.

4-) How are these things given to the many kinds of living things?

They are given in a very orderly way, at the right time, and without mix-ups or missing parts.

5-) Why is this careful spring order important in the passage?

It points to Allah's oneness, uniqueness, power, mercy, wisdom, and rule.

6-) What does the passage mean by saying this message is written on the earth in spring?

It means the signs of Allah's unity can be clearly seen across the earth during spring.

7-) What is the main idea of the whole passage?

The amazing order of spring shows Allah's power and proves His unity and mercy.

8-) Why does the passage call spring a proclamation on the earth?

Because spring announces clear evidence of Allah's unity to anyone who pays attention.

5sinif supreme-sign-p105-3rd-stopping-place-3rd-truth-the-comparison-of-the-army-of-400-000-nations - Set 2 - CEVAPLAR

1-) What season is used as an example of gathering after resurrection?
Spring.

2-) About how many examples of being raised again are mentioned?
Three hundred thousand.

3-) What parts of a tree are named to show repeated renewal?
The tree itself, its leaves, its flowers, and its fruits.

4-) Besides food, name two other things given to each species.
They are given means of defense and the tools they need.

5-) When are these gifts and needs provided?
They are provided at just the right time.

6-) What mistakes are said not to happen in this process?
There is no error, no slipping, no confusion, and nothing is left out.

7-) What qualities of Allah are shown by this perfect spring arrangement?

It shows His unity, uniqueness, endless power, great mercy, wisdom, and lordship.

5sinif supreme-sign-p105-3rd-stopping-place-3rd-truth-the-comparison-of-the-army-of-400-000-nations - Set 3 - CEVAPLAR

1-) How does the passage connect spring to resurrection?

It presents spring as a small example that helps people understand life being brought back after death.

2-) How quickly do these many revivals happen?

They happen within a few weeks.

3-) Why does the passage mention the tree, leaves, flowers, and fruits together?

To show that renewal appears in several stages and parts of one living thing.

4-) What does each group in the great living army receive that fits it especially?

Each one receives what matches it, like proper food, protection, clothing, duties, and needed tools.

5-) What does the passage teach by saying none of this happens with confusion?

It teaches that the work is managed with complete control and wisdom.

6-) Which is stronger in the passage: the idea of randomness or planned care? Explain briefly.

Planned care, because everything is described as exact, timely, and fitting.

7-) What does “written on the face of the earth” suggest about these signs?

It suggests the signs are open and visible for people to notice.

5sinif supreme-sign-p105-3rd-stopping-place-3rd-truth-the-comparison-of-the-army-of-400-000-nations - Set 4 - CEVAPLAR

1-) What large event does spring resemble in the passage?

It resembles the gathering after resurrection.

2-) What number shows how many living kinds are renewed?

Three hundred thousand.

3-) In the example of a tree, how many renewals are mentioned?

Four.

4-) What are the four renewals related to the tree?

They are the tree itself, its leaves, its flowers, and its fruits.

5-) What are “defensive weapons” talking about in a simple way?

They mean the ways living things are protected.

6-) What does it show when every species gets the right things with no delay?

It shows perfect planning and powerful control.

7-) What is added to power in the passage so we do not think of power alone?

Mercy, wisdom, sovereignty, and lordship are also shown.

5sinif supreme-sign-p105-3rd-stopping-place-3rd-truth-the-comparison-of-the-army-of-400-000-nations - Set 5 - CEVAPLAR

1-) What picture does the passage give of spring in relation to life after death?

It shows spring as a living example of many beings being brought back again.

2-) How many revivals are said to appear in only a few weeks?

Three hundred thousand.

3-) What repeated pattern in a tree supports this idea of renewal?

The tree, its leaves, its blossoms, and its fruits all return in an ordered way.

4-) What are some of the things each living kind receives?

They receive provision, protection, special covering, assigned tasks, release from tasks, and useful instruments.

5-) Are these things given carelessly or carefully? How do you know?

They are given carefully, because the passage says it happens in full order, at the right time, and without mistakes.

6-) Which divine qualities are directly proved by this spring order?

Allah's unity, oneness, uniqueness, infinite power, and endless mercy are proved.

7-) If someone studies the earth in spring, what conclusion should they reach from this passage?

They should conclude that Allah alone brings these countless living things into order and life.

5sinif supreme-sign-p105-3rd-stopping-place-3rd-truth-the-comparison-of-the-army-of-400-000-nations - Set 6 - CEVAPLAR

1-) What does the passage say spring is a sample of?

It is a sample of the gathering after resurrection.

2-) What amazing work is done in spring over a few weeks?

Vast numbers of living beings are brought forth again in a highly ordered way.

3-) How does the tree example make the idea easier to understand?

It shows in one tree that renewal happens in several connected parts.

4-) What does every species in the great army receive according to its need?

It receives fitting food, means of protection, special dress, commands, release, and necessary tools.

5-) What words in the passage show strong organization?

The passage describes things as disciplined, regular, timely, and free from mistakes and confusion.

6-) What does the passage say this organized spring proves about Allah?

It proves His oneness, uniqueness, limitless power, and vast mercy.

7-) What lesson should a believer take from this passage?

A believer should see spring as a clear sign of Allah's power, mercy, and oneness.
