CEVAP ANAHTARI

5sinif supreme-sign-p107-3rd-stopping-place-4th-truth-the-universal-manifestation-of-compassionateness-and-providerhood - Set 1 - CEVAPLAR

1-) What is the main truth explained in this passage?

It is about Allah's mercy in caring for living things and giving them what they need to live.

2-) How does the passage show that Allah's providing is not limited to one place?

It lists many places, like land, underground, air, and sea.

3-) What kinds of provision are mentioned?

Both physical needs and non-physical needs are mentioned.

4-) What does the Arabic verse about Allah as Provider support in the passage?

It supports the teaching that Allah is the true source of all sustenance.

5-) According to the passage, who alone is the true Provider?

Allah alone is the true Provider.

6-) What special point is made by the verse about animals that do not carry their own food?

It shows that effort or storage is not the real source; Allah still provides.

7-) How does the passage speak against people who trust causes instead of Allah?

It says they do not see that Allah is the One giving provision behind the causes.

8-) What wrong belief is being corrected in the passage?

The belief that causes themselves are the ones that feed and sustain creation is being corrected.

9-) What important belief about Allah becomes stronger after reading this passage?

Belief in Allah's oneness, mercy, and care for all creation becomes stronger.

10-) What final message do the verses and signs of creation all support?

They support that one glorious and merciful Provider nourishes all living beings.

5sinif supreme-sign-p107-3rd-stopping-place-4th-truth-the-universal-manifestation-of-compassionateness-and-providerhood - Set 2 - CEVAPLAR

1-) What two qualities of Allah are highlighted in this passage?

His compassion and His providing for His creation.

2-) Which environments are included in the passage's description of provision?

The world's land, the inside of the earth, the sky, and the oceans are included.

3-) What does it mean that provision is given by an unseen hand?

It means Allah gives it, even though people do not see Him with their eyes.

4-) Why does the passage point to food coming from hard, dry things?

To show that Allah brings life-giving nourishment from places that seem unlikely.

5-) Besides giving provision, what else does that verse say Allah knows?

It says He knows where creatures stay and where they are kept.

6-) What does the passage say Allah knows about living creatures?

He knows where they stay and where they are placed.

7-) Why does the passage mention creatures in the depths of the sea?

To show that no place is hidden from Allah's providing.

8-) Why is that ocean example important for understanding Allah's mercy?

It shows His mercy reaches even hidden and distant creatures.

9-) What kind of proof does the passage use besides Qur'anic verses?

It uses signs in the universe and in living things.

10-) What belief should a Muslim student take away from this passage?

A Muslim student should believe more deeply that Allah alone, in His mercy, provides for every living thing.

5sinif supreme-sign-p107-3rd-stopping-place-4th-truth-the-universal-manifestation-of-compassionateness-and-providerhood - Set 3 - CEVAPLAR

1-) What subject does “the Fourth Truth” focus on?

It focuses on Allah’s mercy and His giving of sustenance.

2-) What does the passage say is given to all animate beings?

It says they are given everything necessary for them, including bodily and other needs.

3-) Which group among living beings is given extra attention in the wording of the passage?

Those with life and spirit are highlighted, especially the weak and young among them.

4-) What do the examples of soil and wood teach us?

They teach that Allah can bring provision out of things that seem dry and lifeless.

5-) What does orderly and timely provision tell us about Allah’s actions?

It tells us His actions are wise, careful, and perfectly managed.

6-) What is the main teaching of the verse that says Allah is the Provider?

That Allah alone provides and has full strength to do so.

7-) What does the passage say about creatures that are unable to secure their own food?

It says Allah Himself provides for them.

8-) Why does the passage mention people who worship causes?

It mentions them to correct their mistake and remind them that Allah is the true Giver.

9-) What do these proofs agree on?

They agree that one Provider with mercy cares for every living being.

5sinif supreme-sign-p107-3rd-stopping-place-4th-truth-the-universal-manifestation-of-compassionateness-and-providerhood - Set 4 - CEVAPLAR

1-) What is one central idea repeated through the whole passage?

The central idea is that Allah alone gives sustenance to all living creatures.

2-) Which living beings are specially mentioned as receiving this care?

Living creatures in general are mentioned, and especially weak, helpless, and young ones.

3-) Why is provision for the young a strong example of mercy?

Because the young are in great need and cannot manage on their own.

4-) What does the passage teach by saying this provision comes at the right time and in order?

It teaches that this care is planned, wise, and not random.

5-) Why is Allah's knowledge mentioned along with provision?

Because giving each creature what it needs requires complete knowledge about it.

6-) What does the verse about animals that do not carry their own food teach?

It teaches that Allah gives sustenance even to creatures that cannot gather or store it for themselves.

7-) Why does the passage mention provision from the unseen?

To show that Allah can send sustenance from beyond what people can predict or control.

8-) What do many verses and signs in the universe together prove?

They prove that one glorious Provider cares for and feeds all living beings.

9-) What lesson about tawhid, the oneness of Allah, can be learned here?

Since all provision comes from one source, it shows Allah is One in His care and rule.

5sinif supreme-sign-p107-3rd-stopping-place-4th-truth-the-universal-manifestation-of-compassionateness-and-providerhood - Set 5 - CEVAPLAR

1-) What does this passage teach us about Allah's relationship to living things?

It teaches that He lovingly cares for them and provides what they need.

2-) Why is giving food to the weak and young especially meaningful?

Because they cannot fully take care of themselves, so their care shows special mercy.

3-) What is meant by material and immaterial sustenance?

It means both physical needs and other kinds of support are given.

4-) What promise is shown in the verse about every moving creature on earth?

It shows that Allah has taken responsibility for their sustenance.

5-) What truth is taught by the verse saying Allah is the Provider?

The truth that provision belongs to Allah alone.

6-) How does the passage describe the way provision sometimes comes?

It says it can come in unexpected ways, from the unseen, or from places people would not expect.

7-) What surprising example is given from the sea?

The passage mentions tiny creatures in the depths of the ocean and their young being provided for.

8-) What mistake do such people make?

They give the credit to causes and fail to see Allah as the real Giver.

9-) What does the phrase "behind the veil of causality" mean in simple words?

It means Allah is the real One acting, even when people only notice visible means.

5sinif supreme-sign-p107-3rd-stopping-place-4th-truth-the-universal-manifestation-of-compassionateness-and-providerhood - Set 6 - CEVAPLAR

1-) What title is given to the truth in this passage?

It is the truth of compassion and providing sustenance.

2-) What does the passage say all animate beings receive?

They receive the things they need, both bodily and other kinds of support.

3-) How does the passage use examples from nature to build faith?

It shows that nourishment comes from unlikely places, which points to Allah's power and mercy.

4-) What does the passage show by mentioning the most delicate food coming from inside the body?

It shows Allah's fine care and wisdom in making special food for the needy.

5-) What does the passage say about mistakes or disorder in this providing?

It says there is no neglect, no mix-up, and no confusion.

6-) What is guaranteed in the verse about every creature on earth?

Its sustenance is guaranteed by Allah.

7-) What does the verse about creatures not carrying their own provision teach about dependence?

It teaches that creatures depend on Allah even when they cannot prepare for themselves.

8-) What two kinds of evidence work together in this passage?

Qur'anic verses and signs from the universe work together.

9-) What kinds of proof are joined together to support the message?

Revelation from the Qur'an and evidence from the created world are joined together.
