Its jobs and its signs, like pages to be read.

2-) What do these movements help measure?

They bring about days, years, and seasons.

3-) What is this great ship loaded with?

It carries many kinds of food and supplies for living creatures.

4-) What does the traveler notice when he looks at the earth's pages?

He sees that they point again and again to the Lord of the earth.

5-) From what do the forms of many living things come out?

They come from a simple kind of material.

6-) What happens to some seeds in a wondrous way?

They are given ways to fly and spread to other places.

7-) From what unlikely things are many foods brought out?

They come from dry soil, roots, seeds, and small drops of liquid.

8-) What example is given to show special mercy toward babies?

Babies are given milk, especially through their mothers.

9-) What does spring show about the earth after winter-like death?

It shows the earth being brought back to life.

10-) What message does the earth give through all its pages?

That only Allah is truly worthy of worship.

5sinif supreme-sign-p16-the-globe-of-the-earth-its-journey-and-the-proofs-of-mercy-on-the-page-of-spring - Set 2 - CEVAPLAR

1-) Why does the globe call the traveler back from the sky?

To show him on earth what he is searching for.

2-) How is the globe compared to a whirling dervish?

It is described as turning with two motions.

3-) Why is the globe called a grand ship?

Because it carries huge amounts of provisions for creatures.

4-) What does each page of the earth seem to do?

It declares the greatness and lordship of Allah.

5-) What shows great precision in spring?

The many forms of countless living things appear exactly as needed.

6-) What is amazing about some seeds?

Some are equipped to travel through the air.

7-) What does the passage say about food coming from the earth?

Delicious foods are brought out from things that seem plain and similar.

8-) Who receives these springtime supplies?

The living beings on earth.

9-) What qualities are seen in this care for infants?

Loving care, mercy, and wisdom.

10-) What final belief does the traveler understand from the earth's pages?

He understands that all creation points to Allah's oneness.

5sinif supreme-sign-p16-the-globe-of-the-earth-its-journey-and-the-proofs-of-mercy-on-the-page-of-spring - Set 3 - CEVAPLAR

1-) What does the globe say it will show the traveler?

It will show him what he has been looking for.

2-) What pattern does the globe's motion set up?

It sets the pattern of days, years, and seasons.

3-) What does the traveler learn by looking at the earth like a book?

He learns that its signs point to its Creator and Sustainer.

4-) What stands out about the birth of many species in spring?

So many forms appear from simple matter with exactness.

5-) What special gift is given to some seeds?

They are given a way to travel through the air.

6-) What kinds of things become food according to the passage?

Soil, roots, seeds, and tiny drops become many foods.

7-) What image is used for sending these supplies?

It is like goods being loaded onto a train car and sent out.

8-) What does this example teach about Allah's mercy?

His mercy is gentle, generous, and wise.

9-) How does reviving the earth support belief in life after death?

If dead-looking earth can live again, bringing people back to life is also possible.

10-) What statement does the earth seem to say through all its pages?

That only Allah is God.

5sinif supreme-sign-p16-the-globe-of-the-earth-its-journey-and-the-proofs-of-mercy-on-the-page-of-spring - Set 4 - CEVAPLAR

1-) What is the traveler told to read on the globe?

Its pages, meaning its signs and works.

2-) Why is balance important in the description of the globe?

Because it shows the earth moves through space in a steady, controlled way.

3-) Around what does the globe travel?

Around the sun.
