CEVAP ANAHTARI

5sinif supreme-sign-p17-the-globe-of-the-earth-from-brief-testimony-to-the-formula-of-the-3rd-degree-of-the-1st-station - Set 1 - CEVAPLAR

1-) What is the main message of this passage about the earth?

The earth and everything on it point to Allah's oneness and necessary existence.

2-) Who is giving testimony in this passage?

The earth, along with all that is inside it and on its surface, is giving testimony.

3-) Which important belief is repeated at the beginning of the statement?

That there is no god except Allah.

4-) Why is the distribution of seeds mentioned?

Because spreading seeds in an ordered way shows planning, wisdom, and care.

5-) What does the passage suggest by mentioning protection and administration together?

It suggests that living things are both guarded and managed in an organized way.

6-) Who receives the giving of life mentioned in the passage?

All living beings receive it.

7-) What do the words about universal compassion and mercy tell us about Allah's care?

They show that His care reaches all creatures in a broad and complete way.

8-) What does it mean that mercy is general and universal?

It means it is not for only one group but reaches all across the earth.

5sinif supreme-sign-p17-the-globe-of-the-earth-from-brief-testimony-to-the-formula-of-the-3rd-degree-of-the-1st-station - Set 2 - CEVAPLAR

1-) According to the passage, what part of creation is being described as a witness to Allah?

The earth with everything in it and on it.

2-) What does the passage show by listing many actions like managing, raising, and protecting?

It shows that the earth is full of clear signs of Allah's power and care.

3-) Why is seed-spreading an important example in this passage?

Because it shows life being arranged and continued with wisdom.

4-) How does the passage describe mercy?

It describes mercy as wide, general, and reaching everyone.

5-) What kind of truth does the passage say can be observed?

A great and complete truth shown in the earth's order and care.

6-) What does "observed" tell us about the signs on earth?

It tells us these signs can be noticed in the world around us.

7-) If all living things are provided for, what does that help prove?

It helps prove that Allah is the One caring for them all.

8-) If one Lord gives life, protects, and provides for all creatures, what does that show?

It shows that He alone is the true God.

5sinif supreme-sign-p17-the-globe-of-the-earth-from-brief-testimony-to-the-formula-of-the-3rd-degree-of-the-1st-station - Set 3 - CEVAPLAR

1-) What does the passage say the earth proves about Allah?

It proves Allah's necessary existence and oneness.

2-) What groups of things are included when the passage talks about the earth?

Everything within it and everything upon it.

3-) Why does the passage mention both what is in the earth and what is on it?

To show that the signs of Allah are found everywhere in the earth's world.

4-) What can we learn from the mention of giving life to all living beings?

That life comes from Allah and depends on Him.

5-) Does the passage describe Allah's mercy as limited or all-reaching? It describes it as all-reaching.

6-) What short sentence best sums up the passage?

The whole earth is a clear sign of Allah.

7-) What does the passage teach about living creatures?

That all living creatures receive life and care through Allah's mercy.

5sinif supreme-sign-p17-the-globe-of-the-earth-from-brief-testimony-to-the-formula-of-the-3rd-degree-of-the-1st-station - Set 4 - CEVAPLAR

1-) In this passage, what is the earth doing besides simply existing?

It is showing proof of Allah through what happens in it and on it.

2-) What belief statement comes first in the passage?

The statement that only Allah is worthy of worship.

3-) What does the passage say about Allah's existence?

It says His existence is necessary, not dependent on anything else.

4-) Which part of the passage points to growth and care over time?

The part about nurturing.

5-) Which part points to life continuing from one generation to another?

The part about distributing seeds.

6-) Which parts show order and safety in the world?

The parts about protection and administration.

7-) What lesson about Allah's relationship with creation is taught here?

Allah actively cares for, controls, and provides for creation.

5sinif supreme-sign-p17-the-globe-of-the-earth-from-brief-testimony-to-the-formula-of-the-3rd-degree-of-the-1st-station - Set 5 - CEVAPLAR

1-) What is one central truth the earth is said to show?

That Allah is One and truly exists.

2-) According to the passage, is the earth alone in this testimony?

No, everything in it and on it joins in that testimony.

3-) What does the passage teach by mentioning both mercy and compassion?

That Allah's care is loving, kind, and full of concern.

4-) What does "comprehensiveness" suggest about the signs on earth?

It suggests the signs cover a very wide range and are not small or few.

5-) How do seeds help people understand Allah's wisdom?

They show that future life is planned and carried forward in an amazing way.

6-) Why does the passage connect care for all living things with Allah's oneness?

Because caring for all life perfectly points to one supreme Lord controlling everything.

7-) Why is the earth's testimony called something that can be seen?

Because the signs are shown in the real world, not just in words.

5sinif supreme-sign-p17-the-globe-of-the-earth-from-brief-testimony-to-the-formula-of-the-3rd-degree-of-the-1st-station - Set 6 - CEVAPLAR

1-) What does this passage describe the earth as proving?

It proves Allah's existence and His oneness.

2-) How much of the earth is included in this proof?

All that is in the earth and all that is on it.

3-) Which words in the passage point to caring for life from beginning to growth?

The words about giving life and nurturing.

4-) Which words point to keeping creation safe and organized?

The words about protection and administration.

5-) What does the mention of seed distribution add to the message?

It adds the idea that life is spread and continued with order.

6-) What do universal mercy and compassion tell us about Allah's kindness?

They tell us His kindness reaches all living things widely.

7-) Does the passage present the earth as acting on its own or under Allah's control?

It presents the earth as under Allah's control.
