CEVAP ANAHTARI

5sinif supreme-sign-p20-the-testimony-of-the-seas-and-rivers-4th-degree-conclusion-and-text-of-testimony - Set 1 - CEVAPLAR

1-) What small part of the truths in the seas and rivers did the traveler understand?

He understood only a very tiny part of what they show.

2-) What message do the seas give with one united voice?

They point to Allah's oneness.

3-) How strong is the witness of the seas described to be?

It is described as strong in a way that matches their huge size.

4-) Who are brought forward as witnesses from the seas?

The living things inside them are brought as witnesses.

5-) What two kinds of water places are included in the testimony in this passage?

The seas and the rivers are included.

6-) What does the passage say all the seas and rivers together show about Allah?

They show that Allah truly exists and is One.

7-) Name one sign in the waters that supports this testimony.

Their being controlled and managed in an orderly way is one sign.

8-) Name another sign in the waters that supports this testimony.

The creatures in them being kept safe is another sign.

9-) What does wide and regular administration mean here?

It means the waters and what is in them are managed in a large, organized way.

5sinif supreme-sign-p20-the-testimony-of-the-seas-and-rivers-4th-degree-conclusion-and-text-of-testimony - Set 2 - CEVAPLAR

1-) After looking at the oceans and rivers, what did the traveler realize about their proofs?

He realized they contain many truths and declarations about Allah.

2-) Did the traveler see all of those truths or only a little of them?

He saw only a little of them.

3-) In the passage, how do the seas speak if they do not use human words?

They speak through the signs found in them.

4-) What is the main belief that the seas announce?

They announce that only Allah is worthy of worship.

5-) Besides the seas, what other waters give the same testimony?

The rivers give the same testimony.

6-) What do all the creatures in the waters do in this description?

They serve as witnesses supporting that testimony.

7-) Which qualities of the waters are pointed out as signs of Allah's existence: confusion or order?

Order is pointed out as a sign.

8-) What does the passage teach by mentioning preservation in the waters?

It teaches that what is in the waters is protected by Allah's care.

9-) What does regular administration tell us about how the waters work?

It tells us they operate according to an organized plan.

5sinif supreme-sign-p20-the-testimony-of-the-seas-and-rivers-4th-degree-conclusion-and-text-of-testimony - Set 3 - CEVAPLAR

1-) What did the traveler notice about the truths found in the seas and rivers?

He noticed that they hold far more truths than he could fully grasp.

2-) How do the seas give their testimony: separately or together?

They give it together, in agreement.

3-) What exact belief is supported by the testimony of the waters?

It supports belief in Allah alone.

4-) Who inside the waters supports this testimony?

All the creatures living in them support it.

5-) Why does the passage connect the strength of the testimony to the size of the seas?

It shows that their witness is huge and powerful, just like their vastness.

6-) What are four signs named in the passage that point to Allah through the seas and rivers?

Their being under control, being protected, having things stored in them, and being managed in an orderly way.

7-) Does the passage present these signs as hidden ideas only, or as things people can notice?

It presents them as things people can notice.

8-) What does preservation tell us about life and things in the waters?

It tells us they are being guarded and maintained.

9-) Why is this passage good for reflection?

It helps us notice that even the seas and rivers teach us about Allah.

5sinif supreme-sign-p20-the-testimony-of-the-seas-and-rivers-4th-degree-conclusion-and-text-of-testimony - Set 4 - CEVAPLAR

1-) What did the traveler perceive from the oceans and rivers?

He perceived that they give testimony about Allah.

2-) How much of their full meaning did he perceive?

He perceived only a tiny portion of it.

3-) What do the seas say with one shared message?

They say that there is no true god but Allah.

4-) What shows that this message is not from one sea alone?

The passage says the seas proclaim it unanimously, meaning all together.

5-) What role do the creatures in the waters have in the passage?

They act as witnesses that support the message.

6-) What two groups of waters are spoken of together in the formal statement?

Seas and rivers are spoken of together.

7-) Which is a better summary of the waters in this passage: random and neglected, or controlled and ordered?

Controlled and ordered.

8-) How does the idea of storing things in the waters add to the proof?

It shows that what is in them is kept by careful planning, not by accident.

9-) Why does the passage mention that these signs can be observed?

It shows that people can notice these proofs by looking carefully at the world.

5sinif supreme-sign-p20-the-testimony-of-the-seas-and-rivers-4th-degree-conclusion-and-text-of-testimony - Set 5 - CEVAPLAR

1-) When the traveler looked at the seas and rivers, what kind of evidence did he find?

He found signs that affirm belief in Allah.

2-) Was his understanding complete or limited?

His understanding was limited.

3-) What central truth do the seas declare?

They declare Allah's oneness.

4-) How do we know the testimony of the seas is very strong?

The passage says its strength matches their great size.

5-) What from inside the seas is used like proof or witnesses?

The creatures living in them are used as proof.

6-) What shared testimony do both seas and rivers give?

They both point to Allah's true existence and unity.

7-) What does subjugation mean in this passage in a simple way?

It means the waters are under Allah's control.

8-) What does the mention of protection and storage suggest about the water world?

It suggests that the water world is cared for and maintained with wisdom.

9-) What is the main idea of the whole passage?

The main idea is that seas, rivers, and the creatures in them point to Allah's necessary existence and oneness.

5sinif supreme-sign-p20-the-testimony-of-the-seas-and-rivers-4th-degree-conclusion-and-text-of-testimony - Set 6 - CEVAPLAR

1-) What did the traveler learn from the oceans and rivers in this passage?

He learned that they carry many signs pointing to Allah.

2-) Did he grasp all those signs or just a small amount?

He grasped just a small amount.

3-) What unified statement do the seas make?

They make the statement that Allah alone is the true God.

4-) How are the seas described as making this statement?

They make it together and with great strength.

5-) Who testifies along with the seas and rivers?

Everything living in them testifies along with them.

6-) According to the passage, what do all seas and rivers point to about Allah?

They point to His necessary existence and His unity.

7-) What does the passage say about the management of the waters?

It says they are managed in a broad and orderly way.

8-) What does “storing up” tell us about the seas and rivers?

It tells us that what is in them is kept and provided in a planned way.
