CEVAP ANAHTARI

5sinif supreme-sign-p21-mountains-and-plains-pegs-and-treasures - Set 1 - CEVAPLAR

1-) During his thinking journey, what invites the traveller to look more closely?

The mountains and the plains invite him.

2-) What are they asking him to do?

They are asking him to read the signs in them.

3-) What happens to the earth when the mountains rise up?

The earth becomes calmer, breathes more easily, and its motion is not disturbed as much.

4-) Why does the passage say the earth can “breathe” when mountains rise?

It means the earth becomes relieved and more settled.

5-) Besides helping the earth stay steady, what useful things are kept in the mountains?

Springs, water, minerals, and other materials needed by living creatures are kept there.

6-) What life-supporting resources are mentioned as being kept in mountains?

Springs, waters, minerals, and other needed materials.

7-) What message do the mountains and plains give together?

They declare that only Allah is worthy of worship.

8-) Does the traveller only think about mountains, or does he also include the plains?

He includes the plains too.

9-) In the summary statement at the end, what actions are mentioned as signs seen in the mountains and plains?

Storing, managing, spreading seeds, preserving, and careful planning are mentioned.

10-) What is the best summary of this whole passage?

Mountains and plains are signs of Allah’s wise planning, mercy, and oneness.

5sinif supreme-sign-p21-mountains-and-plains-pegs-and-treasures - Set 2 - CEVAPLAR

1-) Who calls the traveller to read another part of creation?

The mountains and the plains call him.

2-) What does the traveller discover about the duty of mountains?

He discovers that their duty is great and full of wisdom.

3-) What picture does the passage use to explain the job of mountains?

It uses the picture of a ship with masts and supports that keep it balanced.

4-) Which example helps explain this idea in a simple way?

The example of masts on a ship.

5-) Name two kinds of things stored in mountains.

Water and minerals.

6-) What important supplies are preserved in mountains?

Water sources, minerals, and other materials needed by living things.

7-) Does the traveller study only one or two mountain benefits, or does he understand there are many more?

He understands there are many more.

8-) How does the passage describe the strength of their witness?

It says their witness is as solid as mountains and as broad as plains.

9-) Why does the passage mention spreading seeds together with storing and preserving?

To show that the mountains and plains are part of a wide, careful system of life made and managed by Allah.

10-) If a student had to give one lesson from this passage, what would it be?

The order, balance, and provision in the land are signs leading people to believe in Allah.

5sinif supreme-sign-p21-mountains-and-plains-pegs-and-treasures - Set 3 - CEVAPLAR

1-) What are the “pages” the traveller is asked to read in this passage?
They are the signs found in the mountains and plains.

2-) What are the mountains and plains like in the way they address him?

They are like signs inviting him to learn from them.

3-) How does the passage describe the earth after this calming happens?

It becomes more peaceful and continues its movement without the same disturbance.

4-) How does the passage help us picture the earth?

It pictures the earth as a ship.

5-) So what similar role do mountains have for the earth?

They help protect its balance and steadiness.

6-) What things needed by living beings are found stored in mountains?

Different waters, springs, minerals, and other useful materials.

7-) What do the mountains act like because they hold and provide many useful things?

They act like storehouses and servants.

8-) What truth do the mountains and plains announce together?

They announce Allah’s oneness.

9-) What belief does this witness strengthen in the traveller?

It strengthens his belief in Allah.

5sinif supreme-sign-p21-mountains-and-plains-pegs-and-treasures - Set 4 - CEVAPLAR

1-) Which two parts of the earth speak to the traveller in this passage?

The mountains and the plains.

2-) According to the passage, what trouble inside the earth do the mountains help calm down?

They help lessen the shaking and unrest that come from inside the earth.

3-) What kinds of harmful events do mountains help protect the earth from?

They help protect it from strong trembling and upheaval.

4-) Why is the earth compared to a ship in this passage?

Because, like a ship needing balance and steadiness, the earth is shown as needing mountains to help keep it steady.

5-) What does that comparison suggest about the earth's condition without mountains?

It suggests the earth would be less steady and more troubled.

6-) How does the traveller understand the plains together with the mountains?

He sees both of them as showing wisdom, order, and care from Allah.

7-) What does the wise storing of these resources prove, according to the passage?

It proves the work of One with unlimited power and wisdom.

8-) After seeing these signs, what does the traveller say?

He says that he believes in Allah.

9-) What effect does this message have on the traveller personally?

It leads him to say that he believes in Allah.

5sinif supreme-sign-p21-mountains-and-plains-pegs-and-treasures - Set 5 - CEVAPLAR

1-) At the start of the passage, what do the mountains and plains seem to do?

They seem to call the traveller to study them.

2-) What problem do the mountains help reduce in the earth?

They help reduce harmful shaking and upheaval.

3-) How does this help the earth as it moves?

It helps the earth continue its movement in peace and balance.

4-) What does this comparison help the reader understand?

It helps the reader understand that mountains help the earth stay stable and protected.

5-) What conclusion should a reader make from that example about mountains?

Mountains are placed with purpose to help the earth remain steady.

6-) What qualities of Allah are shown by the way mountains store useful things?

His endless power and wisdom are shown.

7-) Why does the traveller think mountains and plains are like witnesses?

Because their order and benefits point clearly to Allah's unity.

8-) What words does the traveller say after understanding their witness?

He says, "I believe in Allah."

9-) What five ideas are grouped together in the closing summary about mountains and plains?

Storing, managing, spreading seeds, preserving, and careful regulation.

5sinif supreme-sign-p21-mountains-and-plains-pegs-and-treasures - Set 6 - CEVAPLAR

1-) What part of nature does the traveller examine in this passage?

He examines the mountains and the plains.

2-) What do the mountains do for the earth's inner unrest?

They help soften and calm it.

3-) What effect do mountains have on the earth's shaking?

They help reduce harmful tremors and unrest.

4-) In the ship example, what is the role of the masts?

They help protect the ship from rough movement and help keep it balanced.

5-) What does this image teach about design in creation?

It teaches that creation is arranged with purpose, not without meaning.

6-) Why is the way these things are kept in mountains important?

Because it shows skill, wisdom, generosity, and planning.

7-) Why does the traveller think there are more wise purposes in mountains and plains than the examples listed?

Because the examples help him understand many other great benefits beyond them.

8-) How is the witness of mountains and plains described in size and strength?

It is very strong, very firm, and very wide.

9-) What signs named in the final statement show Allah's rule over mountains and plains?

The signs include storing, governing, spreading seeds, protecting, and ordering things carefully.
