CEVAP ANAHTARI

5sinif supreme-sign-p33-straight-intellec-t-and-sound-hearts-12th-13th-degrees-the-agreement-of-sound-hearts-in-unveiling-and-witnessing - Set 1 - CEVAPLAR

1-) What did the traveler begin to study in this passage?

He began to study what clear minds and pure hearts showed about believing in Allah's oneness.

2-) Did the passage say these intellects had only small differences or very real differences?

It says they had real differences, even including opposing outlooks.

3-) What does the passage suggest about the source of their confidence?

It suggests their confidence comes from one constant truth.

4-) What picture is used for the agreement of these intellects about Allah's existence and oneness?

It is pictured as a strong shining chain and a bright window to truth.

5-) What second group gave witness besides intellects?

Bright and healthy hearts gave witness too.

6-) How is each heart honored in the passage?

Each heart is shown as a place where divine knowledge is reflected in a broad way.

7-) When all the hearts are looked at together, what are they compared to?

They are compared to a great mirror and to a sea reflecting the sun.

8-) What false idea does the passage strongly push away?

It pushes away the idea that all these people were simply mistaken or tricked by illusion.

9-) After thinking about all this, what did the traveler say?

He said, "I have believed in Allah."

5sinif supreme-sign-p33-straight-intellecks-and-sound-hearts-12th-13th-degrees-the-agreement-of-sound-hearts-in-unveiling-and-witnessing - Set 2 - CEVAPLAR

1-) Who are the two main witnesses discussed in this passage?

Upright intellecks and sound, luminous hearts.

2-) What kinds of variety existed among those intellecks?

There was variety in their ability, methods, and viewpoints.

3-) If many different minds hold one same conviction, what conclusion does the passage lead us to?

It leads us to conclude that the conviction rests on one firm truth.

4-) What does the bright window image help us understand?

It helps us understand that their agreement lets a person see truth more clearly.

5-) What did the traveler see about the sound and luminous hearts?

He saw that their spiritual discoveries and witnessings also agreed.

6-) What is surprising about their agreement?

It is surprising because they still agreed even though their paths were different.

7-) What stronger picture is given when all the hearts are joined together?

Together they are like a huge mirror or a sea shining back the sun.

8-) Why does the passage say error cannot explain all this agreement?

Because widespread, steady agreement among many clear-sighted people cannot reasonably come from falsehood.

9-) What role does the heart play in the traveler's conclusion?

The heart joins reason by reflecting and witnessing the same truth.

5sinif supreme-sign-p33-straight-intellecks-and-sound-hearts-12th-13th-degrees-the-agreement-of-sound-hearts-in-unveiling-and-witnessing - Set 3 - CEVAPLAR

1-) At the start of this passage, what did the traveler notice about luminous intellects?

He noticed that they all held the same strong belief in Allah's unity.

2-) Even though those intellects were different, what was the same among them?

Their belief and strong certainty about Allah being One was the same.

3-) What does the passage mean by saying their roots were deep?

It means their certainty was grounded strongly and could not easily be removed.

4-) What two word-pictures are used for the shared faith of the intellects?

A shining chain and a bright window.

5-) Did those hearts all follow one identical path?

No. Their ways and styles were different.

6-) What truth were those hearts showing?

They were showing Allah's necessary existence and oneness.

7-) Why does the passage call this agreement a perfect guide?

Because it gives a reliable way to be led to truth.

8-) What does the passage say about false ideas and many sharp eyes?

It says a false idea could not keep deceiving so many sharp eyes all at once in such a steady way.

9-) What sentence shows the traveler's final personal response?

He says that he believes in Allah.

5sinif supreme-sign-p33-straight-intellecks-and-sound-hearts-12th-13th-degrees-the-agreement-of-sound-hearts-in-unveiling-and-witnessing - Set 4 - CEVAPLAR

- 1-) What topic is being tested by the traveler in this passage?
He is testing what minds and hearts show about faith in Allah.
- 2-) Did different capacities and opinions break their unity in faith?
No. Their differences did not break their shared certainty.
- 3-) What does their one shared certainty prove to the traveler?
It proves to him that they are leaning on one firm and lasting truth.
- 4-) What does the chain image tell us about the minds' agreement?
It tells us their agreement is linked together strongly and gives support.
- 5-) In what matter did these hearts agree with one another?
They agreed about Allah's existence and oneness.
- 6-) What does their agreement despite different methods teach?
It teaches that the truth they reached is dependable and not tied to only one path.
- 7-) How are all the hearts described together?
They are described like a very great mirror and like a sea reflecting the sun.
- 8-) How does the passage strengthen its point by mentioning even extreme deniers?
It says that not even people known for very wrong denial would accept such a weak claim.
- 9-) What was the traveler's conclusion after understanding this evidence?
His conclusion was to affirm faith in Allah.

5sinif supreme-sign-p33-straight-intellecks-and-sound-hearts-12th-13th-degrees-the-agreement-of-sound-hearts-in-unveiling-and-witnessing - Set 5 - CEVAPLAR

1-) What did the traveler discover about the beliefs of luminous intellects?

He discovered that they all shared the same firm belief in Allah's unity.

2-) Why is their agreement important even with those differences?

Because it shows the truth they accepted is larger and stronger than personal differences.

3-) What does the passage show by saying their roots were deep and could not be pulled out?

It shows their faith was firm, strong, and not easy to shake.

4-) What do the linked images of a chain and a window help show?

They help show both the strength of their agreement and its ability to reveal truth.

5-) What had to match for these hearts to be in agreement?

Their spiritual discoveries had to support the same truth about Allah's existence and oneness.

6-) How is each of these hearts described in relation to divine knowledge?

Each heart is described like a small seat of knowledge and a wide mirror reflecting Allah's greatness.

7-) What is the meaning of comparing all the hearts to an ocean reflecting the sun?

It means many hearts together can display one great truth in a powerful way.

8-) What does this argument teach about truth and falsehood?

It teaches that truth brings lasting agreement, while falsehood cannot produce such steady unity among sincere people.

9-) What main lesson does the traveler learn from upright minds and bright hearts?

He learns that their united testimony points clearly to Allah's necessary existence and oneness.

5sinif supreme-sign-p33-straight-intellecks-and-sound-hearts-12th-13th-degrees-the-agreement-of-sound-hearts-in-unveiling-and-witnessing - Set 6 - CEVAPLAR

1-) When the traveler studied the matter, what did he first see about luminous intellects?

He first saw that they were united in belief about Allah's oneness.

2-) What remained united among them?

Their certain belief in Allah's oneness remained united.

3-) What does the image of an unbreakable chain teach about their agreement?

It teaches that their agreement is strong, connected, and hard to deny.

4-) What does the passage say their agreement became?

It became a shining, unbreakable link and a clear opening toward truth.

5-) What did the traveler notice about the hearts' spiritual experiences?

He noticed that their spiritual experiences agreed with one another.

6-) What does it mean that each heart was like a mirror?

It means each heart reflected something of the truth and divine knowledge.

7-) What do all the hearts become when seen together?

They become like a vast mirror or a wide body of water reflecting the sun.

8-) What role does reason play in the traveler's conclusion?

Reason helps him see that such wide and steady agreement must come from truth.

9-) What is one main idea of the whole passage?

One main idea is that both sound reasoning and pure hearts point together to the same truth about Allah.
