It testifies

CEVAP ANAHTARI

5sinif supreme-sign-p62-the-universal-testimony-of-the-cosmos-18th-degree-1st-truth-turning-to-the-totality-of-the-cosmos - Set 1 - CEVAPLAR

1-) What does the traveler want to do next to grow stronger in faith?
He wants to look at the whole universe and learn from what it shows.

2-) What special tool does the traveler use to look at the cosmos?
He uses a wide, far-seeing way of understanding that he took from the Qur'an.

3-) What are two things the cosmos is compared to in the passage?
It is compared to a book and to a palace.

4-) Why is the universe described as meaningful and orderly?
Because everything in it fits together with wisdom and purpose.

5-) What do the parts of the universe all point to together?
They point to the existence and nearness of one Creator who knows and controls everything.

6-) What does it mean that the signs in the universe speak "together" or "in unison"?

It means many different things in creation give the same message.

7-) According to the passage, what qualities does the Creator have?
He has complete knowledge, full power, wisdom, and perfect skill.

8-) Besides the "book" example, what else in the cosmos gives witness to the Creator?

All species, tiny particles, living beings, and the changes happening in the universe also give witness.

9-) How do changes and renewal in the universe help prove its message?

They show that a wise and powerful Maker is constantly managing everything.

10-) What main truth about Allah does the whole passage support?
It supports that Allah exists and that He is One.

5sinif supreme-sign-p62-the-universal-testimony-of-the-cosmos-18th-degree-1st-truth-turning-to-the-totality-of-the-cosmos - Set 2 - CEVAPLAR

1-) Why does the traveler turn to the whole cosmos after learning from smaller parts of it?

He wants a higher and clearer level of faith.

2-) How does looking at the whole universe help the traveler's earlier lessons?

It makes them more complete and brighter.

3-) In the passage, how is the universe like a written work?

Its parts are like sections of a book that all carry meaning.

4-) What does the order in the universe show about its Maker?

It shows the Maker is not random but acts with knowledge and care.

5-) What idea is taught by saying the Maker sees everything in everything?

It teaches that nothing is hidden from Him and He knows every detail.

6-) What does the passage say about the relationships between things?

It says the Creator knows how all things connect with one another.

7-) Which small and large things in the cosmos are said to testify?

Both tiny particles and all kinds of creatures testify.

8-) What kinds of events inside the universe are mentioned as signs?

Things entering and leaving it, and the changes and renewing happening in it.

9-) What can we infer from the phrase about limitless power and endless wisdom?

The Maker can do whatever He wills and does it in the best way.

10-) According to the passage, do these signs point to many makers or one Maker? Explain briefly.

They point to one Maker, because all the signs give one united message.

5sinif supreme-sign-p62-the-universal-testimony-of-the-cosmos-18th-degree-1st-truth-turning-to-the-totality-of-the-cosmos - Set 3 - CEVAPLAR

1-) What is the traveler hoping to gain by studying the cosmos?

He is hoping to reach another level of faith.

2-) Where did the traveler get the understanding he uses to study the universe?

He got it from the Qur'an.

3-) What feeling do the examples of a palace and a city give about the universe?

They show it is arranged, beautiful, and carefully governed.

4-) What do the changing parts of the universe still manage to show?

They still show a steady message about one all-knowing and all-powerful Creator.

5-) How can things change all the time and still point to one truth?

Their changes happen in a meaningful and wise pattern, not in confusion.

6-) What does the passage teach about every level of creation, from large parts to tiny ones?

Every level of creation carries signs of the same Creator.

7-) Who is described as the One behind all species and particles?

A unique Maker with unmatched skill and power.

8-) What do the words about wisdom and power tell us about creation?

They tell us creation is made on purpose and with perfect ability.

9-) What is the strongest main idea of this passage?

The entire universe, in all its parts and changes, points to Allah's existence and oneness.

10-) What result comes from the witness of the whole cosmos?

It gives a huge and powerful proof of Allah's existence and unity.

5sinif supreme-sign-p62-the-universal-testimony-of-the-cosmos-18th-degree-1st-truth-turning-to-the-totality-of-the-cosmos - Set 4 - CEVAPLAR

1-) What does the traveler say before studying the cosmos?

He says they should keep moving forward to gain a deeper level of faith.

2-) Why does he want to “listen” to the cosmos?

Because he believes it gives a lesson about truth.

3-) What does the passage suggest about the universe when it is called meaningful?

It suggests the universe is full of signs and is not made without purpose.

4-) Why is calling the universe an “embodied book” a helpful picture?

It helps us understand that creation can be read like signs that teach us.

5-) What do the many parts of this “book” all agree on?

They agree that there is one Creator over everything.

6-) What does the passage say about the Creator’s knowledge?

His knowledge covers all things and all their connections.

7-) What does the passage say about the Creator’s power?

His power reaches all things without limit.

8-) How do the living things and materials in the universe add to the proof?

Their existence, movement, and changes all support the same truth.

9-) What is shown by the renewing processes in the universe?

They show that the universe is being managed with wisdom and care.

10-) Summarize the passage in one sentence.

The traveler looks at the whole universe through the guidance of the Qur’an and sees that all creation together proves one all-knowing, all-powerful, and wise Creator.

5sinif supreme-sign-p62-the-universal-testimony-of-the-cosmos-18th-degree-1st-truth-turning-to-the-totality-of-the-cosmos - Set 5 - CEVAPLAR

1-) What is the next step the traveler takes on his journey of faith? He studies the whole universe to gain stronger belief.

2-) What does using a “telescope” from the Qur’an mean in this passage?

It means he uses Qur’anic guidance to understand the world better.

3-) Name one comparison that shows the beauty of the universe.

It is compared to a decorated palace.

4-) Name one comparison that shows the order of the universe.

It is compared to a well-run city.

5-) What do the lines, pages, and sections of the universe stand for?

They stand for the many parts of creation that all carry signs.

6-) What do the changes in creation teach instead of confusion?

They teach that there is wise control behind them.

7-) What do all parts of the universe say about the One who made them?

They say He knows everything and has power over everything.

8-) What groups in the cosmos are especially named as giving witness?

Species, particles, inhabitants, contents, and things that come and go.

9-) Why is the Maker called peerless in the passage?

Because no one is like Him in making, power, and wisdom.

5sinif supreme-sign-p62-the-universal-testimony-of-the-cosmos-18th-degree-1st-truth-turning-to-the-totality-of-the-cosmos - Set 6 - CEVAPLAR

1-) What is the traveler trying to improve when he turns to the cosmos?

He is trying to strengthen and brighten his faith.

2-) What does the passage teach us about learning from creation?

It teaches that creation can help us understand truth about Allah.

3-) Why are book-like examples used for the universe?

Because just as writing has meaning, the universe also carries meaning.

4-) Why are palace-like and city-like examples used for the universe?

Because they show beauty, design, order, and rule.

5-) What does the passage say the universe clearly points to?

It points to one Creator who is present by His knowledge and power.

6-) How do even the smallest things in the universe matter in this proof?

Even the smallest things are part of the signs that support the truth.

7-) What is the role of ongoing change in the universe according to the passage?

It is part of the evidence that the universe is being directed wisely.

8-) What can we understand from the fact that everything gives the same message?

We can understand that the proof is strong and united.

9-) What two main truths are the cosmos said to testify to?

It testifies to Allah's existence and His oneness.
