CEVAP ANAHTARI

5sinif supreme-sign-p72-direct-knowledge-of-allah-19th-degree-1st-truth-proofs-of-the-7-attributes-especially-life - Set 1 - CEVAPLAR

1-) How does the passage say the attribute of Speech makes Allah known?

It makes Him known through revelation and inspiration.

2-) Which attribute is connected with skillful works in creation?
Power.

3-) What does the whole universe act like when Power is looked at this way?

It acts like a living book spread across the whole cosmos.

4-) What features of creation are especially tied to the attribute of Knowledge?

Their wisdom, arrangement, balance, and beauty.

5-) Which creatures are named as witnesses for Life?

Living beings are the witnesses.

6-) What do these living witnesses point to?

They point to Allah as the Ever-Living One.

7-) Why is the cosmos called a great mirror made of many small mirrors?

Because many created things show signs of Allah's attributes.

8-) Which paired attributes are mentioned after Life?

Seeing and Hearing, and also Willing and Speaking.

9-) Why is Knowing a sign of Life in the passage?

Because knowledge belongs to one who is living.

5sinif supreme-sign-p72-direct-knowledge-of-allah-19th-degree-1st-truth-proofs-of-the-7-attributes-especially-life - Set 2 - CEVAPLAR

1-) What are the two ways named in the passage by which Allah's Speech becomes known?

Through revelation and inspiration.

2-) What is one way the passage says Allah makes Himself known through creation?

Through works that show His Power.

3-) What makes the proof of Life stronger than only one kind of evidence?

Many different attributes and their signs all support it together.

4-) According to the passage, what kind of objects make Allah's Knowledge known?

Objects that are wise, orderly, balanced, and carefully adorned.

5-) How is change in the universe connected to Life in the passage?

Change is described as a way Life shows new displays again and again.

6-) What does the passage say Life does to the cosmos over time?

It keeps renewing it with different displays.

7-) Why does the passage connect Will to Life?

Because choosing belongs to a living being.

8-) What does Hearing tell us about the One described by it?

That He is living.

9-) Why is Life called a foundation for the other attributes?

Because many of the other attributes are understood as belonging to one who is living.

5sinif supreme-sign-p72-direct-knowledge-of-allah-19th-degree-1st-truth-proofs-of-the-7-attributes-especially-life - Set 3 - CEVAPLAR

1-) In the passage, what reveals Allah through messages such as revelation?

The attribute of Speech.

2-) In this passage, what makes Allah known through the things He creates?

The attribute of Power.

3-) What can a reader understand from this “book” of the universe? That there is a mighty and glorious Maker behind it.

4-) What three groups of signs are mentioned as supporting Life? Its own proofs, the works showing Power, and the forms showing Knowledge, along with the other attributes.

5-) Name two kinds of signs that also support Life.

Signs of Power and signs of Knowledge.

6-) What does the phrase about fresh manifestations suggest? Allah keeps showing new signs in creation.

7-) How do many small mirrors help explain the universe?

Many created things each reflect signs of Allah in their own way.

8-) What is the logical link between purposeful power and Life in the passage?

Purposeful power belongs to one who is alive.

9-) Why can Speech not belong to something lifeless, according to the passage’s reasoning?

Because true speech needs life and knowledge.

5sinif supreme-sign-p72-direct-knowledge-of-allah-19th-degree-1st-truth-proofs-of-the-7-attributes-especially-life - Set 4 - CEVAPLAR

1-) Which attribute is connected with revelation and inspiration?
Speech.

2-) What comparison is used for the works made by Power?
They are compared to words that have taken a visible form.

3-) What does calling the cosmos a book help us understand?
It helps us see that creation has meaning, order, and a Writer.

4-) Besides its own proofs, what other signs support the attribute of Life?

The signs of Power, the signs of Knowledge, and the proofs of the other attributes also support it.

5-) Who are the witnesses that Life brings forward?
All living creatures.

6-) What does the passage say Life does to the universe again and again?

It keeps changing the universe to bring out fresh forms and new patterns.

7-) What does the mirror image teach about created things?
They reflect signs of Allah rather than having power by themselves.

8-) What do the attributes show besides Allah's existence?
They also show that He is living and everlasting.

9-) Why is Life given such a high place in the passage?
Because many other attributes depend on it and point back to it.

5sinif supreme-sign-p72-direct-knowledge-of-allah-19th-degree-1st-truth-proofs-of-the-7-attributes-especially-life - Set 5 - CEVAPLAR

1-) What is one way the passage says Allah makes Himself known besides creation?

Through revelation and inspiration.

2-) What does the universe “say” about its Maker in this passage?

It points to a glorious and powerful Creator.

3-) What does the universe show from one end to the other?

It shows signs of a powerful and glorious Lord.

4-) What is one result of Life constantly working in the cosmos?

New forms and fresh designs keep appearing.

5-) Why are animate beings important in this proof?

Because their life acts as a witness to the Living Creator.

6-) Why do Hearing and Seeing point to Life?

Because hearing and seeing belong to one who is living.

7-) Which attributes are said to reveal Allah just as the cosmos does?

Seeing, Hearing, Willing, and Speaking.

8-) According to the final sentence, how much of this truth is being given here?

Only a small part of a much bigger explanation.

9-) What overall lesson about Life should a 5th-grade student take from this passage?

Life is a major proof of Allah’s living nature and a key support for understanding the other attributes.

5sinif supreme-sign-p72-direct-knowledge-of-allah-19th-degree-1st-truth-proofs-of-the-7-attributes-especially-life - Set 6 - CEVAPLAR

1-) In this passage, what makes Allah known through divine messages to people?

The attribute of Speech.

2-) What picture does the passage give for the whole cosmos?

It presents the cosmos as a meaningful book.

3-) What does the image of a universe-sized book teach about creation?

Creation is meaningful, readable, and full of signs.

4-) Does the passage treat Life as standing alone, or as supported by other signs too?

It is supported by many other signs too.

5-) Why does the passage connect constant change with Life instead of confusion?

Because the changes bring fresh, meaningful patterns, not disorder.

6-) Why does the passage mention ever-fresh designs in the world?

To show that Life brings ongoing new displays in creation.

7-) What is the logical link between Knowledge and Life in the passage?

Knowledge is a sign that the knower is living.

8-) What reasoning is used when the passage says willful power belongs only to the living?

Purposeful action points to a living source, not a lifeless one.

9-) What is the main idea of the last part of the passage about Life?

Life has very many proofs, and it is presented as a central support for the other attributes.
