CEVAP ANAHTARI

5sinif supreme-sign-p81-2nd-stopping-place-1st-truth- grandeur-and-sublimity - Set 1 - CEVAPLAR

1-) What is the main topic of the first truth in this passage?

It is about Allah's greatness and majesty.

2-) What does the example of the same type of flower around the world show?

It shows that Allah creates in the same way everywhere on earth.

3-) What huge springtime job is described in the passage?

Caring for and organizing over two hundred thousand kinds of plants and animals.

4-) What big event does spring remind people of in the passage?

It reminds people of a great bringing-to-life and shows Allah's power clearly.

5-) Why is knowing people's hidden thoughts an especially strong proof?

Because it shows Allah's knowledge reaches even what others cannot see.

6-) What big conclusion comes from all these works being counted as one work?

They all belong to one unique and strong Creator.

7-) Why would no sound mind accept partnership with Allah, according to the passage?

Because it goes against His perfect power, greatness, and complete rule.

8-) What two things are named as the real bounds on these acts?

Allah's wisdom and will.

9-) What alone sets the limits for those actions?

Allah's wisdom and will.

10-) How many examples does the passage say will be given for the second truth?

Three examples.

5sinif supreme-sign-p81-2nd-stopping-place-1st-truth- grandeur-and-sublimity - Set 2 - CEVAPLAR

1-) What title is given to the first truth in this passage?

It is called the truth of grandeur and sublimity.

2-) How does the passage use flowers to show unity in creation?

It says countless flowers of one kind are made across the whole earth in one pattern.

3-) What does the passage say happens to hundreds of thousands of kinds of living things in a few weeks?

They are managed and brought forth with care and order.

4-) What movement of the earth is mentioned in the first truth?

The earth is made to turn.

5-) What does the passage say Allah knows at the same time as running the universe?

The hidden thoughts inside human hearts.

6-) What does that teach about Allah's oneness?

It teaches that His rule and action are not shared with anyone.

7-) How does the passage describe a mind that would accept such an idea?

It says a sound mind would never accept it.

8-) Why is shirk presented as a crime against Allah's dignity?

Because it attacks His glory, greatness, and majesty.

9-) According to the passage, who decides the bounds of those deeds?

Allah, through His wisdom and will.

10-) What are chance and natural causes compared to in relation to Allah's power?

They are like an outer covering that hides His power from direct view.

5sinif supreme-sign-p81-2nd-stopping-place-1st-truth- grandeur-and-sublimity - Set 3 - CEVAPLAR

1-) What is the first truth trying to help the reader understand about Allah?

It helps the reader understand Allah's unmatched greatness and majesty.

2-) What does the passage say about the same Being and the faraway stars?

The same Being makes and runs them all together.

3-) How long does the passage say this spring work takes?

About five or six weeks.

4-) What does the mention of creating the heavens and earth in six days add to the discussion?

It points to Allah's great creative power from the beginning.

5-) What two parts of the day does Allah join and separate?

Night and day.

6-) What does the passage conclude about the One doing these works?

He is one, powerful, and too majestic to have any partner.

7-) What does the passage say about the seriousness of shirk in Allah's sight?

It is a very grave sin because it dishonors His greatness.

8-) What lesson comes from the Qur'anic verse quoted about shirk?

That shirk is more serious than other sins because it is not forgiven.

9-) Which false explanations are rejected as causes of these ordered works?

Chance, nature, blind force, unconscious causes, and scattered elements.

10-) Why are those explanations ruled out?

Because they cannot produce works that are so wise, ordered, and full of life.

5sinif supreme-sign-p81-2nd-stopping-place-1st-truth- grandeur-and-sublimity - Set 4 - CEVAPLAR

1-) What name does the passage give to the first truth?

The truth of grandeur and sublimity.

2-) What does the passage teach by talking about stars that are very distant from each other?

Allah handles even the most far-spread things together with ease.

3-) What does the passage stress about mistakes in this huge work?

It says there is no confusion, defect, or error in it.

4-) What earlier creation does this spring display help prove?

It helps prove the creation of the heavens and the earth.

5-) What inward human reality is included under Allah's knowledge and rule?

The hidden thoughts of the heart.

6-) What does Allah's perfect greatness do to the idea of partnership?

It removes that idea completely.

7-) What would assigning a partner wrongly say about Allah's all-reaching rule?

It would falsely act as if His reach has limits.

8-) What does the quoted verse say about sins smaller than shirk?

It says they may be forgiven.

9-) Why can random events not be the source of these deeds?

Because the deeds are balanced, wise, life-giving, orderly, and firm.

10-) Why can blind force not be the real doer of these acts?

Because these acts are wise, orderly, and life-giving.

5sinif supreme-sign-p81-2nd-stopping-place-1st-truth- grandeur-and-sublimity - Set 5 - CEVAPLAR

1-) In simple words, what is the first truth about?

It is about how great and lofty Allah is.

2-) What example from plants shows wide control over the earth?

Many flowers of the same kind are made across all directions of the world at the same time.

3-) What does the passage want readers to notice about the way spring happens?

That it comes with precise order and balance.

4-) Why does the passage connect spring with resurrection?

Because spring shows many living things return after seeming dead.

5-) Besides running the universe, what does the passage say Allah knows in people?

He knows the hidden thoughts in human hearts.

6-) According to the passage, what would belief in partners do to the idea of Allah's perfection?

It would damage it by suggesting imperfection.

7-) What does the passage say a sound intellect would think about that claim?

It would reject it as impossible.

8-) What is the main idea of the second truth?

Allah's lordly actions in the universe are absolute, wide-reaching, and seen everywhere.

9-) What humble role is left for causes and elements in this passage?

They only serve as outward means under Allah's command.

10-) What does the passage say about unconscious causes and scattered elements?

They cannot take part in these ordered and firm deeds.

5sinif supreme-sign-p81-2nd-stopping-place-1st-truth- grandeur-and-sublimity - Set 6 - CEVAPLAR

1-) What is the heading of the first truth in the marked passage?

Grandeur and sublimity.

2-) What season is used to show Allah's careful management of living things?

Spring.

3-) What does the passage say is missing from this giant spring activity?

Confusion, defects, and errors are missing from it.

4-) Which verse-based example points to the beginning of the world's creation?

The mention of the heavens and the earth being created in six days.

5-) What conclusion is drawn from these many actions being treated as one action?

One unique and mighty Being does them all.

6-) What would assigning a partner wrongly say about Allah's power?

It would falsely say His power is weak or in need.

7-) How does the passage use reason to reject shirk?

It says any sound mind knows such ideas cannot apply to Allah.

8-) What three qualities of Allah's deeds begin the second truth?

Their absolute nature, their broad reach, and their appearing without limit.

9-) What keeps these actions measured and fitting, according to the passage?

Allah's wisdom and will, and the capacities of created things and places.

10-) What job do those causes have if they are not real makers?

They are only outward screens used by Allah's command and power.
