Their flying and their daily provision are taken care of.

5-) What do the special features on every bird show?

They show careful design, wisdom, and a sign of Allah's oneness.

6-) What example shows one part of creation helping another?

Plants helping animals.

7-) What very large things are named to show the wide reach of Allah's working?

The Milky Way, the solar system, and the elements of the earth are named.

8-) What examples show that hidden small things are also known by Allah?

The cells in human blood and the thoughts passing through the heart.

9-) What hidden human things are mentioned to show Allah knows small details?

Blood cells and thoughts in the heart are mentioned.

10-) What is the "price" asked from people for these blessings?

To remember Allah by saying His name before things and thanking Him after them.

5sinif supreme-sign-p92-2nd-stopping-place-4th-truth- proofs-of-unity-through-the-examples-of-spring-and- creatures - Set 2 - CEVAPLAR

1-) What main idea does the spring example teach about Allah?

It teaches that Allah can create and manage countless living things all at once with perfect control.

2-) What number helps readers understand how many species are being discussed?

Four hundred thousand species.

3-) Why does the passage move from all species to the example of birds?

It uses birds to show detailed signs of care in one group of creatures.

4-) Which creature stands for the great end of the bird examples?

The eagle does.

5-) What three kinds of signs are placed on each bird?

Signs of artistry, wisdom, and Allah's unity.

6-) What do plants do for animals in the passage?

They hurry to help and support animals.

7-) What conclusion is drawn from all these signs?

The Maker of all of them must be one and unique.

8-) What do all these examples make certain to the reader?

They make it clear that the One doing all this is one and unique.

9-) How does the passage show that large and small creations are equally easy for Allah?

It says He creates tiny and huge things with the same ease.

10-) According to the passage, how should a Muslim respond to Allah's blessings in daily life?

A Muslim should begin with Allah's name and end with praise to Him.

5sinif supreme-sign-p92-2nd-stopping-place-4th-truth- proofs-of-unity-through-the-examples-of-spring-and- creatures - Set 3 - CEVAPLAR

1-) In this passage, what season is connected with the appearance of countless living things?

The season is spring.

2-) What does the passage emphasize about the way these species are handled together?

They are handled together in an ordered way without confusion or mistakes.

3-) What two beautiful qualities are named in this creation?

Wisdom and artistic perfection.

4-) What two examples show the range within that class?

Flies and eagles.

5-) What three signs are said to be found in each bird?

A mark of skill on its face, a sign of wisdom on its body, and a sign pointing to Allah's oneness in its being.

6-) Why does the passage mention both the Milky Way and the pupil of the eye?

To show that the same power works in the biggest and smallest things.

7-) Give one example from the passage of help between living things outside the body.

Plants help animals, or mothers help their helpless babies.

8-) How does the passage compare Allah's relation to things with the sun?

Created things are distant from Him, but He is close to them all.

9-) What small hidden things are not beyond Allah's power?

The cells in human blood and the thoughts in the heart.

10-) What are the two short sayings the passage teaches as our response to blessings?

Say "In the name of Allah" at the beginning and "Praise be to Allah" at the end.

5sinif supreme-sign-p92-2nd-stopping-place-4th-truth- proofs-of-unity-through-the-examples-of-spring-and- creatures - Set 4 - CEVAPLAR
