

1

What main truth is said to be clearly seen among created things in this passage?

8sinif supreme-sign-p67-summary-of-the-lesson-from-the-cosmos-there-is-no-god-but-allah

Cevap 1

A strong pattern of working together to survive, live, and carry out their jobs.

2

How does the passage portray the universe: as random pieces or as an organized whole?

8sinif supreme-sign-p67-summary-of-the-lesson-from-the-cosmos-there-is-no-god-but-allah

Cevap 2

As an organized whole.

3

How does the passage move from
examples in nature to a
conclusion about Allah?

8sinif supreme-sign-p67-summary-of-the-lesson-from-the-
cosmos-there-is-no-god-but-allah

Cevap 3

It shows organized help and order in creation, then says such things require the rule of a compassionate and wise Sustainer.

4

What example from the human body shows this co-operation on a smaller scale?

8sinif supreme-sign-p67-summary-of-the-lesson-from-the-cosmos-there-is-no-god-but-allah

Cevap 4

Food particles are directed to the body's cells and serve them.

5

What does the phrase about
lifeless things acting in a careful
way suggest about the natural
world?

8sinif supreme-sign-p67-summary-of-the-lesson-from-the-
cosmos-there-is-no-god-but-allah

Cevap 5

Nature is not acting on its own; it is being managed.

6

What contrast does the passage make between the behavior of objects and their nature?

8sinif supreme-sign-p67-summary-of-the-lesson-from-the-cosmos-there-is-no-god-but-allah

Cevap 6

They act in an orderly, helpful way even though they are lifeless and without awareness.

7

What other universal signs are listed besides co-operation?

8sinif supreme-sign-p67-summary-of-the-lesson-from-the-cosmos-there-is-no-god-but-allah

Cevap 7

Balance, preservation,
beautifying, ordering, and giving
duties.

8

Which idea shows that each thing
has a proper place and
arrangement?

8sinif supreme-sign-p67-summary-of-the-lesson-from-the-
cosmos-there-is-no-god-but-allah

Cevap 8
Ordering.

9

What does beautifying creation
add to the overall proof?

8sinif supreme-sign-p67-summary-of-the-lesson-from-the-
cosmos-there-is-no-god-but-allah

Cevap 9

It shows that creation is not only functional but also made with wisdom and care.

10

How does the passage describe the importance of these signs in the universe?

8sinif supreme-sign-p67-summary-of-the-lesson-from-the-cosmos-there-is-no-god-but-allah

Cevap 10

They are called a major part of the universe's witness to Allah.

11

According to the passage, what are beings trying to do while the world keeps changing?

8sinif supreme-sign-p67-summary-of-the-lesson-from-the-cosmos-there-is-no-god-but-allah

Cevap 11

They are trying to continue existing, stay alive if they are living, and complete their duties.

12

Why does the passage say this reality is greater than their own powers?

8sinif supreme-sign-p67-summary-of-the-lesson-from-the-cosmos-there-is-no-god-but-allah

Cevap 12

Because the system is too wide,
exact, and wise to come from the
creatures themselves.

13

How do the examples build from simple to more personal care?

8sinif supreme-sign-p67-summary-of-the-lesson-from-the-cosmos-there-is-no-god-but-allah

Cevap 13

They move from broad natural systems to tender help for infants and detailed feeding inside the body.

14

How do plants then become part
of the same system of help?

8sinif supreme-sign-p67-summary-of-the-lesson-from-the-
cosmos-there-is-no-god-but-allah

Cevap 14

They serve animals.

15

What body process is used as evidence of careful management?

8sinif supreme-sign-p67-summary-of-the-lesson-from-the-cosmos-there-is-no-god-but-allah

Cevap 15

Nutrients being delivered to cells.

16

Which three qualities especially stand out in the description of the Sustainer in that section?

8sinif supreme-sign-p67-summary-of-the-lesson-from-the-cosmos-there-is-no-god-but-allah

Cevap 16

Compassion, wisdom, and glory.

17

What conclusion does the passage draw from all these examples of help?

8sinif supreme-sign-p67-summary-of-the-lesson-from-the-cosmos-there-is-no-god-but-allah

Cevap 17

A merciful and universal Lord is
managing creation.

18

What signs of order are
mentioned beyond co-operation
itself?

8sinif supreme-sign-p67-summary-of-the-lesson-from-the-
cosmos-there-is-no-god-but-allah

Cevap 18

Balance, safeguarding,
beautifying, arranging, and
assigning work.

19

What does the mention of the sun, moon, elements, clouds, and bees show?

8sinif supreme-sign-p67-summary-of-the-lesson-from-the-cosmos-there-is-no-god-but-allah

Cevap 19

Duties are given across all scales of creation, from the very great to the very small.

20

What does the passage mean by saying these truths form the second wing of the cosmos's testimony?

8sinif supreme-sign-p67-summary-of-the-lesson-from-the-cosmos-there-is-no-god-but-allah

Cevap 20

They are a major supporting part
of the universe's evidence
pointing to Allah.

21

In one sentence, what is the main message of this passage?

8sinif supreme-sign-p67-summary-of-the-lesson-from-the-cosmos-there-is-no-god-but-allah

Cevap 21

The whole universe works together in an ordered, balanced, and caring way that points to one wise and merciful Lord.

22

What chain of help is described
from one part of creation to
another?

8sinif supreme-sign-p67-summary-of-the-lesson-from-the-
cosmos-there-is-no-god-but-allah

Cevap 22

The elements help living things,
clouds help plants, plants help
animals, and animals help human
beings.

23

What does this example help us understand about Allah's care?

8sinif supreme-sign-p67-summary-of-the-lesson-from-the-cosmos-there-is-no-god-but-allah

Cevap 23

His care is gentle, timely, and suited to the needs of each creature.

24

What human condition is highlighted by the example of the infant?

8sinif supreme-sign-p67-summary-of-the-lesson-from-the-cosmos-there-is-no-god-but-allah

Cevap 24

Human beings begin life weak and
in need of mercy.
