8sinif supreme-sign-p05-1st-abyss-1st-matter-in-negation- there-is-no-mutual-support - Set 3 - CEVAPLAR

1-) In the passage, which is shown as having a shared result: affirmation or negation?

Affirmation is shown as having one shared result.

2-) Why does the passage say each denial stands on its own?

Because each one is tied to what a particular person thinks or believes.

3-) What false impression might people get from seeing many unbelievers?

They might think unbelief is stronger just because more people hold it.

4-) What kind of people are said to have spread harmful doubt in this age?

Philosophers from Europe who denied belief.

5-) What group is mentioned as spreading doubt in this age?

European philosophers are mentioned.

6-) What two realities of human life are used to show the seriousness of belief and denial?

Daily death and the fixed end of each person's life.

7-) Why does the passage mention the daily number of deaths?

To show that death is constant and close, so beliefs about it matter greatly.

8-) How does the grave appear to a person who accepts that false meaning?

It looks like a constant threat of being wiped out.

9-) What ongoing threat does the grave hold for the denier in the passage?

It keeps confronting him with the fear of annihilation.
