CEVAP ANAHTARI

8sinif supreme-sign-p107-3rd-stopping-place-4th-truth-the-universal-manifestation-of-compassionateness-and-providerhood - Set 1 - CEVAPLAR

1-) What is the main truth explained in this passage?

It explains that Allah compassionately gives provision to living beings.

2-) What does the passage say all over the globe receives Allah's care?

All living creatures throughout the world receive His care.

3-) Which group is given the strongest emphasis after all animate beings are mentioned?

Living beings with spirit are emphasized, especially the weak and the young among them.

4-) What does this surprising way of feeding creatures show?

It shows that an unseen divine power is providing for them with care and order.

5-) What does this tell us about the source of provision?

It tells us that the real source is Allah's hidden power, not the materials themselves.

6-) What two things besides provision does that verse say Allah knows?

It says He knows where creatures stay and where they are kept.

7-) How does the passage describe the way provision sometimes comes to such creatures?

It says it can come unexpectedly, from the unseen, and even in ways people would not imagine.

8-) In what way can provision arrive for them?

It can arrive suddenly and from places they could never arrange on their own.

9-) How does the passage correct that mistake?

It says Allah gives provision from behind the veil of causes.

8sinif supreme-sign-p107-3rd-stopping-place-4th-truth-the-universal-manifestation-of-compassionateness-and-providerhood - Set 2 - CEVAPLAR

1-) What quality of Allah is the focus of this section?

His mercy in feeding and sustaining creation is the focus.

2-) How does the passage describe the care shown in giving sustenance?

It describes it as careful, timely, orderly, and free from neglect.

3-) What kinds of places are named to show the wide reach of provision?

The passage names the land, the inside of the earth, the sky, and the sea.

4-) What truth is taught by the verse saying Allah is the Provider and Owner of strength?

It teaches that provision belongs to Allah alone and that He has full power to give it.

5-) What responsibility does the passage say belongs only to Allah?

The responsibility of sustaining and providing belongs only to Him.

6-) How does the passage connect Allah's knowledge with His providing?

It shows that He knows every creature's state and location while sustaining it.

7-) Why is the example of sea insects important?

It shows that even hidden, tiny creatures in hard-to-reach places are not forgotten.

8-) Which mistaken attitude is especially criticized?

The attitude of worshipping causes or relying on them as if they were the real source is criticized.

9-) What two kinds of evidence support this teaching?

Qur'anic verses and countless signs in the universe support it.

8sinif supreme-sign-p107-3rd-stopping-place-4th-truth-the-universal-manifestation-of-compassionateness-and-providerhood - Set 3 - CEVAPLAR

1-) What title is given to this truth in the passage?

It is called the truth of compassionateness and giving provision.

2-) Which living beings are given special attention in this passage?

Creatures with spirit are especially mentioned, and among them the weak, helpless, and young are highlighted most.

3-) Among those creatures, which ones are emphasized the most?

The helpless, weak, and young are emphasized most.

4-) Why are the sources of provision described as dry, hard, and unlikely?

They are described that way to show how amazing it is that nourishing things come from such places.

5-) What promise is given in the verse about every moving creature on earth?

It promises that Allah takes responsibility for their provision and knows their condition and place.

6-) What does the verse about every creature depending on Allah add to this lesson?

It adds that no creature is outside Allah's care and knowledge.

7-) What does the passage say about how Allah provides for such creatures?

It says He provides for them unexpectedly and from beyond what people can see.

8-) Who is this message especially aimed at correcting?

It is especially aimed at people who think causes are the real source of provision.

9-) What false idea is the passage trying to remove?

It is trying to remove the idea that visible causes are the real givers of sustenance.

8sinif supreme-sign-p107-3rd-stopping-place-4th-truth-the-universal-manifestation-of-compassateness-and-providerhood - Set 4 - CEVAPLAR

1-) What subject does this section mainly discuss?

It mainly discusses Allah's mercy in providing sustenance.

2-) Why does the passage mention weak and young creatures so often?

It stresses them to show that those who are least able to help themselves are still fully cared for.

3-) What does the repeated mention of weakness and youth help the reader notice?

It helps the reader notice Allah's special mercy toward those most in need.

4-) What does the passage suggest by saying food comes from plain soil and hard wood?

It suggests that Allah creates nourishment from things that seem unable to produce it on their own.

5-) How does the passage connect knowledge and provision?

It shows that the One who feeds all creatures also knows where they live and what concerns them.

6-) What does the verse about creatures not carrying their own provision teach about dependence?

It teaches that creatures depend on Allah, not on their own limited power.

7-) What does the passage say to people who trust in causes too much?

It tells them that causes are only a covering, and Allah is the true source behind them.

8-) What role do the Qur'anic verses play in the argument of the passage?

They serve as strong proof that Allah alone guarantees and gives provision.

9-) What forms the evidence for this teaching besides the three verses quoted?

Many other Qur'anic verses and countless signs in creation form the evidence.

8sinif supreme-sign-p107-3rd-stopping-place-4th-truth-the-universal-manifestation-of-compassateness-and-providerhood - Set 5 - CEVAPLAR

1-) What is the “Fourth Truth” about in simple words?

It is about Allah kindly feeding and sustaining His creatures.

2-) Does the passage limit provision to human beings only, or include all animate beings?

It includes all animate beings, not just human beings.

3-) From what surprising sources does the passage say provision is brought out?

It says provision comes from dry soil, hard wood, and for the most delicate food, from a place between blood and waste.

4-) Why does the passage point out difficult sources like dirt and wood?

To show that rich nourishment can come from places that seem unable to give it.

5-) What is the meaning of the verse that says no creature on earth is outside Allah’s care for provision?

It means every moving creature depends on Allah for its food and support.

6-) Which kinds of creatures are especially pointed out as unable to gain their own provision?

The powerless, weak, needy, and miserable creatures are especially pointed out.

7-) What kind of creatures does that especially include?

It especially includes weak and powerless creatures that cannot manage for themselves.

8-) What mistake do some people make about causes?

They think causes are the real providers instead of seeing Allah as the true giver.

9-) What final conclusion does the passage make from the Qur’anic verses and signs in creation?

It concludes that one glorious Provider cares for and nourishes all living beings with compassion.

8sinif supreme-sign-p107-3rd-stopping-place-4th-truth-the-universal-manifestation-of-compassionateness-and-providerhood - Set 6 - CEVAPLAR

1-) What central claim does this passage make about provision?

It claims that Allah alone provides for all living beings with mercy.

2-) Why is order in feeding creatures important in the passage's argument?

It is important because it points to a wise and deliberate Provider.

3-) Why is the provider described as an unseen hand?

Because people see the results clearly, but the true giver is not visible to the eye.

4-) What does the verse about Allah being the Provider say about His ability?

It says He has firm and mighty strength.

5-) What kind of assurance is given by the verse about creatures on earth?

It gives a divine guarantee that their provision is under Allah's care.

6-) What kind of people are warned by this statement?

People who depend on causes and forget Allah are being warned.

7-) What example is used to show that hidden places do not block Allah's care?

The example of tiny creatures on the sea floor and their young is used.

8-) What example proves that even hidden creatures are sustained?

The example of insects at the bottom of the sea and their offspring proves it.

9-) What is the big message of the whole passage?

The big message is that all living beings are sustained by the compassionate care of one Allah.
