CEVAP ANAHTARI

8sinif supreme-sign-p15-the-atmosphere-admonition-through-atmospheric-events-and-the-result-i-believe-in-allah - Set 1 - CEVAPLAR

1-) What message do the events in the sky give to a person who only pays attention to the earth?

They tell him to look upward and notice the amazing works above him.

2-) According to the passage, are the events in the atmosphere random or guided?

They are guided and managed for clear purposes.

3-) What does each event in the atmosphere have, according to the passage?

Each one has a specific duty and a wise purpose.

4-) What kind of being manages these events?

A supremely wise manager who arranges everything.

5-) Which parts of the atmosphere are named as giving testimony?

The winds, the rain, and the events that happen in the sky.

6-) What does the traveller do after hearing this testimony?

He says that he believes in Allah.

7-) What main truth does the atmosphere point to?

It points to Allah's necessary existence and oneness.

8sinif supreme-sign-p15-the-atmosphere-admonition-through-atmospheric-events-and-the-result-i-believe-in-allah - Set 2 - CEVAPLAR

1-) What are people told to do first when they see these sky events?
They are told to raise their heads and think about the wonders above them.

2-) Why are they told to look up?

Because the sky shows powerful signs that help people know their Creator.

3-) What does the passage say about the purpose of natural events?

They are made to carry out special tasks, not to happen for no reason.

4-) What does the word “wise” suggest about the one who manages the atmosphere?

It suggests that He does everything with knowledge, order, and meaning.

5-) What kinds of atmospheric matters are included in the traveller’s testimony?

The movement of winds, the coming down of rain, and the management of sky events.

6-) How does the traveller respond in his heart and faith?

He accepts the truth and believes in Allah.

7-) What conclusion does he reach about Allah from the atmosphere?

That Allah alone truly deserves worship and that His existence and unity are clearly shown.

8sinif supreme-sign-p15-the-atmosphere-admonition-through-atmospheric-events-and-the-result-i-believe-in-allah - Set 3 - CEVAPLAR

1-) What change in attention is the person asked to make?

He is asked to shift his attention from the ground to the signs above him.

2-) What do the sky events show about power?

They show the actions of a being with great power.

3-) What do they show about intention?

They show that these events happen by plan, not by accident.

4-) According to the passage, what relation is there between task and control?

Since each event has a duty, it must be under control and direction.

5-) What does the traveller hear in the atmosphere besides sounds and movement?

He hears a kind of testimony that points to the truth.

6-) What is the result of this testimony for him?

It strengthens his faith and leads him to declare belief in Allah.

7-) What belief about Allah is especially emphasized here?

His unique oneness together with the certainty of His existence.

8sinif supreme-sign-p15-the-atmosphere-admonition-through-atmospheric-events-and-the-result-i-believe-in-allah - Set 4 - CEVAPLAR

1-) What do the events in the atmosphere tell someone about the being behind them?

They show a being who is active, powerful, and making Himself known.

2-) What does “making Himself known” mean in this passage?

It means His works in creation help people recognize His existence and attributes.

3-) What is true of every event mentioned in the passage?

Every one of them has a duty to perform.

4-) Who gives these events their duties?

A supremely wise disposer gives them their roles.

5-) What features of the atmosphere are said to testify?

Its winds, rainfall, and the way its events are arranged.

6-) How does the traveller answer this testimony?

He responds by affirming faith in Allah.

7-) What is the central conclusion of the whole passage?

The order and control seen in the atmosphere prove Allah’s existence and unity.

8sinif supreme-sign-p15-the-atmosphere-admonition-through-atmospheric-events-and-the-result-i-believe-in-allah - Set 5 - CEVAPLAR

1-) What command is given to the person being addressed at the start of the passage?

He is told to lift his head and observe the amazing works above.

2-) What do the sky events reveal about themselves?

They reveal that they belong to a master and serve meaningful purposes.

3-) How does the passage describe the one who directs them?

As one who arranges things with perfect wisdom.

4-) What three examples are given of things in the atmosphere that bear witness?

The winds, the rainfall, and the management of atmospheric happenings.

5-) What does this witness lead the traveller to say?

It leads him to say that he believes in Allah.

6-) What does the passage say the atmosphere testifies to about Allah?

It testifies to His necessary existence and His oneness.

7-) What does the phrase about Allah's oneness mean in this passage?

It means only Allah is truly divine and all these signs point to Him alone.

8sinif supreme-sign-p15-the-atmosphere-admonition-through-atmospheric-events-and-the-result-i-believe-in-allah - Set 6 - CEVAPLAR

1-) What is he told to notice?

He is told to notice the extraordinary actions shown in the sky.

2-) What does the passage say about the events of the atmosphere acting on their own?

It says they do not act on their own.

3-) What does each event accomplish?

Each one carries out a particular job.

4-) What quality of the disposer is repeated in the passage's meaning?

Wisdom is emphasized again and again.

5-) What broad atmospheric processes are included in the traveller's reflection?

The directing of winds, the sending down of rain, and the running of sky events.

6-) What effect do these reflections have on the traveller?

They move him to belief and certainty in Allah.

7-) If an 8th-grade student summarized this passage in one sentence, what would be a strong summary?

The sky and its events clearly show that Allah alone controls creation with power, wisdom, and purpose.
