CEVAP ANAHTARI

8sinif supreme-sign-p16-the-globe-of-the-earth-its-journey- and-the-proofs-of-mercy-on-the-page-of-spring - Set 1 - CEVAPLAR

1-) What does the globe invite the traveler to do first?

It invites him to look at its works and learn from what it shows.

2-) What does the globe want the traveler to read?

It wants him to read its pages, meaning its signs and functions.

3-) What results from the earth's motion around its path?

The passing of time in regular patterns such as days, years, and seasons.

4-) Where is this great ship said to be traveling?

It is traveling through space while circling the sun.

5-) What does each page of the earth announce?

Each page announces the One who sustains and governs it.

6-) Which topic on the earth's page does the traveler study?

He studies the coming into being and spreading of living things in spring.

7-) How are these seeds and young living things treated after they appear?

They are distributed, fed, and raised with great care.

8-) What does this spreading tell us about nature in the passage?

It tells us that life is arranged with purpose and wisdom.

9-) Why is nourishment for babies given special attention?

Because it strongly shows gentleness, compassion, and wise planning.

10-) How does spring support belief in life after death?

The return of life across the earth each year is presented as a clear example that reviving the dead is possible.

8sinif supreme-sign-p16-the-globe-of-the-earth-its-journey-and-the-proofs-of-mercy-on-the-page-of-spring - Set 2 - CEVAPLAR

1-) Why does the globe speak to the traveler in the passage?

It wants to show him what he has been searching for.

2-) What does “read my pages” mean in this passage?

It means to study the signs, works, and patterns found in the earth.

3-) What does floating in space with balance suggest about the earth?

It suggests that it is kept in a stable and measured condition.

4-) How does the traveler describe the earth after looking at it closely?

He sees it like a book full of signs pointing to its Sustainer.

5-) What does the traveler discover when he examines the earth like a text?

He discovers many signs pointing to the Sustainer of the earth.

6-) What three kinds of care are mentioned for living things after they appear?

They are spread out well, provided for, and raised carefully.

7-) Why is it important that many foods come from sources that look very similar?

It shows that very different and useful results can come from simple and similar beginnings.

8-) How are living things supported after they appear?

They are provided for and raised with mercy and care.

9-) What lesson does the revival of the earth after death-like stillness teach?

It teaches that the One who restores life to the earth can also raise the dead.

10-) What does the traveler understand about the verse mentioned in the passage?

He understands that its meaning is clearly shown in the events of spring.

8sinif supreme-sign-p16-the-globe-of-the-earth-its-journey-and-the-proofs-of-mercy-on-the-page-of-spring - Set 3 - CEVAPLAR

1-) What change in direction happens at the start of the target passage?

Attention shifts from searching the heavens to learning from the earth.

2-) What comparison is used to describe the globe's movement?

It is compared to a whirling dervish turning in a lively way.

3-) What regular cycles come from this motion?

The cycles of days, years, and seasons.

4-) What does the phrase about perfect balance teach about the earth's movement?

It teaches that its movement is not random or chaotic.

5-) Which page of the earth does he study more closely?

He studies the page of spring and the bringing forth of living things in that season.

6-) What does he choose to study as an example?

He chooses the springtime appearance and spreading of living beings.

7-) What does the passage say happens to certain seeds?

They are given a way to travel and then spread widely.

8-) What picture is used for the arrival of food and supplies every spring?

It is pictured as goods being loaded from an unseen storehouse onto a rail car and sent out in perfect order.

9-) What comparison is used for the delivery of spring provisions?

It is compared to loading supplies onto a wagon and sending them out in order.

10-) What final message does the traveler hear from the earth as a whole?

He hears a witness to Allah's oneness from all across the earth.

8sinif supreme-sign-p16-the-globe-of-the-earth-its-journey- and-the-proofs-of-mercy-on-the-page-of-spring - Set 4 - CEVAPLAR

1-) How does the globe guide him toward that goal?

It tells him to study the earth itself and learn from its works.

2-) What does the globe's turning help organize in human life?

It organizes time through the pattern of days, years, and seasons.

3-) What time patterns are linked to the earth's movement?

Day and night, the years, and the seasons.

4-) Which part of the earth's "book" does he focus on?

He focuses on springtime life.

5-) What does the phrase about countless species appearing from simple material teach?

It teaches that great variety can be brought out from something basic and plain with precision.

6-) What appears in spring from simple material?

The forms of many living species appear.

7-) Why does the passage mention roots, seeds, and tiny drops?

To show that very rich and different provisions can come from very simple beginnings.

8-) How does the example of milk for infants strengthen the message of the passage?

It gives a close, human example of loving care, wisdom, and mercy.

9-) What does the hidden storehouse image suggest about springtime blessings?

It suggests that these blessings are sent by Allah from beyond what people can see.

10-) What does spring show besides plant and animal life?

It shows signs of mercy and a sample of resurrection.

8sinif supreme-sign-p16-the-globe-of-the-earth-its-journey-and-the-proofs-of-mercy-on-the-page-of-spring - Set 5 - CEVAPLAR

1-) What invitation begins the target passage?

The earth invites the traveler to stop roaming above and learn from the earth itself.

2-) How is the earth's motion described in a way that makes it easier to imagine?

It is described as graceful turning like a spinning dervish.

3-) How is the earth pictured as a ship?

It is described as a huge ship carrying the supplies and nourishment needed by living creatures.

4-) What does the passage say about the earth's balance in space?

It says the earth moves with complete steadiness and balance.

5-) What do the pages of that book do?

They announce and point to the Lord who sustains the earth.

6-) What happens to some seeds in a remarkable way?

Some are given means to travel through the air so they can spread to other places.

7-) What special gift is given to some seeds?

They are given the ability to travel and spread.

8-) What does the train-car image help the reader understand?

It helps the reader picture how many kinds of provisions are delivered in an organized way.

9-) What big truth does the page of spring show according to the passage?

It shows signs of Allah's mercy by bringing dead earth back to life and pointing to resurrection.

10-) Why is the verse about bringing dead earth back to life important here?

It matches what the traveler sees in spring and points to Allah's power over resurrection.

8sinif supreme-sign-p16-the-globe-of-the-earth-its-journey-and-the-proofs-of-mercy-on-the-page-of-spring - Set 6 - CEVAPLAR

1-) What does the globe tell the traveler about his search?

It tells him that what he seeks can be known by looking at the earth.

2-) What does the earth carry besides living creatures?

It carries the nourishment and tools they need to live.

3-) What does the earth's steady movement in space suggest?

It suggests careful balance and control.

4-) Around what does the earth travel in the passage?

It travels around the sun.

5-) How are some seeds helped to spread?

They are given features that let them travel through the air.

6-) What do careful feeding and nurturing of living things suggest?

They suggest mercy, attention, and ongoing care.

7-) What role do flying seeds play in the passage?

They help spread plant life to many places.

8-) How does a mother feeding her baby serve as a sign in the passage?

It serves as a clear sign of tenderness, generosity, and thoughtful care.

9-) According to the passage, what does reviving the earth after winter point to?

It points to the power to raise the dead back to life.

10-) What conclusion does the traveler reach from all the earth's pages?

He understands that all of them declare Allah's oneness.
