CEVAP ANAHTARI

8sinif supreme-sign-p20-the-testimony-of-the-seas-and-rivers-4th-degree-conclusion-and-text-of-testimony - Set 1 - CEVAPLAR

1-) What did the traveler understand from the oceans and rivers?

He understood that they give strong witness to the oneness and existence of Allah.

2-) About how much of the truths in the seas and rivers did the traveler see?

He saw only a very small part of them.

3-) How do the seas make their declaration according to the passage?

They declare it together, with great strength matching their vast size.

4-) Who are presented as witnesses supporting the testimony of the seas?

All the living creatures inside them.

5-) What main message is expressed in the statement about the seas and rivers?

That only Allah is truly worthy of worship and that creation points to Him.

6-) Which parts of nature are named together in this section as giving testimony?

The seas and the rivers, along with what they contain.

7-) What does the passage say the seas and rivers point to about Allah?

They point to the necessity of His existence and His unity.

8-) Which four broad signs are mentioned in the passage as being seen in seas and rivers?

Bringing things under control, preserving them, storing what is needed, and managing them.

9-) How is observation important in this passage?

The passage says these signs can be noticed in the world itself.

10-) What does the passage mean by saying these truths are observed?

It means they can be seen by paying attention to the world.

8sinif supreme-sign-p20-the-testimony-of-the-seas-and-rivers-4th-degree-conclusion-and-text-of-testimony - Set 2 - CEVAPLAR

1-) What did the traveler notice after looking at the oceans and rivers?
He noticed that they contain many truths that affirm belief in Allah.

2-) Did the traveler think he had seen all of those truths or only a small amount?

Only a small amount.

3-) What are the seas described as saying together?

They are described as declaring that there is no god but Allah.

4-) Why is the testimony of the seas described as powerful?

Because their witness matches their greatness and huge extent.

5-) Besides the seas themselves, what else supports this testimony?
Everything living in them supports it as evidence.

6-) What truth about Allah is emphasized by the words “Necessary Existent”?

That Allah’s existence is not dependent on anything else and must be true.

7-) What does the word “preservation” tell us about the creatures and contents of the waters?

It shows they are being protected and kept in order.

8-) What does “storing up” suggest in this passage?

It suggests that what is needed is kept ready in a planned way.

9-) What does “administration” mean here?

It means the waters and what is in them are governed and managed in an organized way.

10-) What kind of evidence is used in this passage: imagined ideas or signs that can be noticed?

Signs that can be noticed.

8sinif supreme-sign-p20-the-testimony-of-the-seas-and-rivers-4th-degree-conclusion-and-text-of-testimony - Set 3 - CEVAPLAR

1-) In this section, what part of creation is the traveler reflecting on?
He is reflecting on the oceans and rivers.

2-) What did he realize about the truths found in them?
He realized that what he saw was only a tiny portion.

3-) What shared statement do the seas make in the passage?
They make a united statement of Allah's oneness.

4-) How does the passage show that the seas are not giving weak evidence?

It says their testimony is strong and fits their enormous scale.

5-) What role do sea creatures have in this testimony?
They serve as witnesses that support it.

6-) What two major beliefs about Allah are pointed to by the seas and rivers?

His necessary existence and His unity.

7-) What idea is conveyed by saying the management is comprehensive?

It means the control covers everything in a wide and complete way.

8-) If someone ignored the creatures in the waters, what part of the passage's evidence would they miss?

They would miss the witnesses that support the testimony of the seas and rivers.

9-) Name another sign in the passage that shows planning and control.
Another sign is orderly administration.

10-) Why does the passage stress that this order is observable?
To show that these are real signs open to reflection, not just abstract claims.

8sinif supreme-sign-p20-the-testimony-of-the-seas-and-rivers-4th-degree-conclusion-and-text-of-testimony - Set 4 - CEVAPLAR

1-) What did the traveler perceive from the oceans and rivers according to this passage?

He perceived that they testify to Allah.

2-) How much of their full meaning did he grasp?

He grasped only a thousandth part, meaning a very tiny share.

3-) What does the united voice of the seas declare?

It declares that Allah alone is God.

4-) What makes that declaration especially weighty in the passage?

Its strength is connected to the vastness of the seas.

5-) Who else “speaks” through this testimony besides the waters themselves?

The creatures living in the waters also testify.

6-) Why is it important that all the seas and rivers are mentioned together?

It shows a broad, united witness rather than one isolated example.

7-) What does this united witness point to about Allah’s existence?

It points to His existence as necessary and certain.

8-) Name one sign in the passage that shows care over the waters and what is in them.

One sign is preservation.

9-) What does “well-ordered” suggest about the world of water?

It suggests balance, rule, and purpose.

10-) What is the main idea of the whole passage?

The order, care, and life found in seas and rivers are signs that point to Allah’s existence and oneness.

8sinif supreme-sign-p20-the-testimony-of-the-seas-and-rivers-4th-degree-conclusion-and-text-of-testimony - Set 5 - CEVAPLAR

1-) What did the traveler come to know from them?

He came to know that they witness to Allah's existence and oneness.

2-) Did the traveler see all the meanings in them clearly?

No, he saw only a very small portion.

3-) How do the seas give their testimony: separately or together?

They give it together.

4-) What phrase best sums up the message of the seas in this passage?

That there is no god but Allah.

5-) What is the purpose of mentioning the creatures inside the waters?

To show that the testimony is supported by the life within them.

6-) What does the title "Necessary Existent" teach about Allah?

It teaches that Allah's existence is absolute and not dependent on anything created.

7-) What does it mean that seas and rivers point to Allah "in Unity"?

It means they point to one Creator, not many.

8-) How does preservation differ from administration in this passage?

Preservation means keeping things safe and maintained, while administration means directing them in an organized way.

9-) What does storing up add to the meaning of the passage?

It adds the idea that needs are provided in an arranged and prepared way.

8sinif supreme-sign-p20-the-testimony-of-the-seas-and-rivers-4th-degree-conclusion-and-text-of-testimony - Set 6 - CEVAPLAR

1-) What did the traveler witness in the oceans and rivers?

He witnessed signs that affirm Allah's oneness and existence.

2-) How large a share of those signs did he understand?

Only a very tiny share.

3-) What common proclamation do the seas make?

They proclaim that only Allah is God.

4-) How is the force of their proclamation described?

It is described as being in proportion to their vast size.

5-) What is brought forward as evidence along with the seas and rivers?

Everything found within them is brought forward as evidence.

6-) What does the passage say all seas and rivers together point toward?

They point toward the necessary existence of Allah in His unity.

7-) What does the passage suggest by mentioning control over what is in the waters?

It suggests that the contents of the waters are under deliberate command.

8-) What does preservation in the passage teach about the world under water?

It teaches that it is guarded and maintained.

9-) Is the order in the seas and rivers presented as hidden or observable?

It is presented as observable.
