CEVAP ANAHTARI

8sinif supreme-sign-p62-the-universal-testimony-of-the-cosmos-18th-degree-1st-truth-turning-to-the-totality-of-the-cosmos - Set 1 - CEVAPLAR

1-) What did the traveler decide to do in order to gain a higher level of faith?

He decided to look at the whole universe and learn from what it shows.

2-) What tool did he use while examining the universe, and what does that suggest?

He used a kind of telescope taken from the Qur'an, which suggests he was viewing the world through guidance from revelation.

3-) How did the universe appear to him when he looked at it carefully? It appeared full of meaning, well-arranged, and like a book, a palace, and a city made with purpose.

4-) What do the parts of the universe, like its sections and lines, point to?

They point to the existence and nearness of One Creator who knows everything and has power over everything.

5-) Why does the passage compare the universe to a book?

Because its parts are connected, meaningful, and arranged in a way that shows planning and authorship.

6-) What do the constant changes in the universe help prove?

They help show that the One managing it is active, wise, and fully aware of all things.

7-) Besides the "book" example, what else in the universe gives testimony?

Its species, tiny particles, inhabitants, contents, and all the things entering, leaving, and changing in it also give testimony.

8-) What qualities of the Maker are shown by the changes and renewal in the cosmos?

They show unlimited power, endless wisdom, and unmatched skill.

9-) What two beliefs are clearly supported by the witness of the cosmos in this passage?

The existence of Allah and His oneness.

10-) What is the best overall conclusion from this passage?

The universe is a united sign that leads a person to believe in Allah's

existence and oneness.

8sinif supreme-sign-p62-the-universal-testimony-of-the-cosmos-18th-degree-1st-truth-turning-to-the-totality-of-the-cosmos - Set 2 - CEVAPLAR

1-) What was the traveler hoping to improve by studying the whole cosmos?

He wanted to strengthen and brighten his faith.

2-) Why did he turn from individual parts to the whole universe?

He wanted to gain a further level of belief by seeing the bigger picture.

3-) In the passage, what does the Qur'an help him do?

It helps him understand how to read the universe correctly.

4-) What are the three main images used to describe the universe?

It is described like a book, a decorated palace, and an orderly city.

5-) What do these images have in common?

All of them suggest design, order, purpose, and a maker behind them.

6-) What do even the smallest features of the universe show?

They show meaningful arrangement and point to a Creator who sees and knows all things.

7-) How does the passage describe the Creator's knowledge?

It describes Him as knowing each thing and also how everything is related to everything else.

8-) Which parts of the cosmos are said to speak with one voice?

Its kinds of creatures, tiny particles, residents, contents, and all its movements and changes speak together.

9-) According to the passage, what central message does the cosmos deliver?

It declares the existence and unity of one exalted Creator.

10-) If a student asked for the main lesson of this passage, what would be a good answer?

The main lesson is that the whole universe is like a clear sign leading us to know Allah exists and is One.

8sinif supreme-sign-p62-the-universal-testimony-of-the-cosmos-18th-degree-1st-truth-turning-to-the-totality-of-the-cosmos - Set 3 - CEVAPLAR

1-) What first step does the traveler take in this passage?

He encourages himself to move forward and seek another degree of faith.

2-) What does “listening” to the cosmos mean here?

It means paying attention to the signs and meanings found in creation.

3-) How does the passage present the universe as something readable?

It presents the universe as if it were written and structured like a text.

4-) Why is calling the cosmos a “book” an important comparison?

Because a real book has an author, so the comparison points to a deliberate Creator.

5-) What do the repeated changes in the universe show about creation?

They show that creation is not random but continuously managed with wisdom.

6-) What does the passage say about the One who “writes” this universe?

He has complete knowledge and complete power.

7-) What role do species and particles play in the argument of the passage?

They act like witnesses that together point to one Creator.

8-) What is the connection between renewal in the cosmos and divine wisdom?

The ongoing renewal shows that changes happen with purpose and careful planning.

9-) Summarize the main idea of the passage in one sentence.

The whole universe, in its order and changes, points clearly to the existence and oneness of Allah.

8sinif supreme-sign-p62-the-universal-testimony-of-the-cosmos-18th-degree-1st-truth-turning-to-the-totality-of-the-cosmos - Set 4 - CEVAPLAR

1-) What goal is mentioned at the start of the passage?

The goal is to reach a further level among the many levels of faith.

2-) What method does the traveler use to reach that goal?

He studies the universe as a whole and reflects on its message.

3-) How does the Qur'an affect the way he sees the world?

It gives him a clear way to understand the meaning and order in creation.

4-) What does the orderly nature of the cosmos suggest?

It suggests that it was arranged intentionally by a wise Creator.

5-) Why does the passage mention chapters, pages, and lines when speaking about the universe?

To show that every level of creation, large or small, carries meaning and points to authorship.

6-) What do the universe's changes and cycles say together?

They say that there is one Lord who manages everything with knowledge and power.

7-) What is meant by the idea that the Maker sees all things in all things?

It means nothing is hidden from His knowledge and His care reaches every part of creation.

8-) How do things entering and leaving the cosmos add to the argument?

They show movement, control, and ongoing management rather than disorder.

9-) What do the wise renewals in the cosmos teach about Allah's actions?

They teach that His actions are purposeful, powerful, and full of wisdom.

8sinif supreme-sign-p62-the-universal-testimony-of-the-cosmos-18th-degree-1st-truth-turning-to-the-totality-of-the-cosmos - Set 5 - CEVAPLAR

1-) What does the traveler want beyond the faith lessons he already received?

He wants a deeper and more complete level of faith.

2-) Why does he look at the total universe instead of only one part of it?

Because the whole universe gives a broader and stronger testimony.

3-) What does the passage teach about studying creation?

It teaches that creation can help a person grow in belief when viewed in the right way.

4-) What are some signs that the universe is meaningful rather than pointless?

Its order, beauty, structure, and connected parts are signs of meaning.

5-) What does the comparison to a royal palace suggest?

It suggests beauty, arrangement, and careful preparation by a master.

6-) What does the comparison to an organized city suggest?

It suggests planning, rules, and a ruler who manages everything properly.

7-) According to the passage, what do all levels of the universe agree on?

They agree in pointing to one all-knowing and all-powerful Creator.

8-) How do the living things and even the tiny particles support this message?

They all work within an ordered system and together witness to one Maker.

9-) Which two divine qualities are repeated most clearly in this passage?

Perfect knowledge and complete power.

8sinif supreme-sign-p62-the-universal-testimony-of-the-cosmos-18th-degree-1st-truth-turning-to-the-totality-of-the-cosmos - Set 6 - CEVAPLAR

1-) At the beginning of the passage, what does the traveler say to encourage himself?

He tells himself to continue onward in seeking stronger faith.

2-) What does he expect to gain by listening to the cosmos?

He expects to complete and brighten the lessons he has already learned.

3-) What does using a “telescope” from the Qur’an symbolize?

It symbolizes using Qur’anic guidance to understand the world correctly.

4-) How is the cosmos different from something random, according to the passage?

It is arranged with meaning, balance, and purpose.

5-) Why are writing-related words used for the universe?

They help explain that creation carries messages and shows the work of an intentional maker.

6-) What does the passage say about the relationship between all things?

It says the Creator knows how everything is connected to everything else.

7-) What kinds of events in the cosmos act as evidence in this passage?

Ongoing changes, arrivals and departures, and repeated renewals act as evidence.

8-) What do these events reveal about the Maker?

They reveal great power, endless wisdom, and unmatched craftsmanship.

9-) How does the passage move from description to belief?

It describes the order of the universe and then shows that this order points to one Creator.
