Cevap 4 Because people need someone to explain the Creator's purposes and make the meanings of the universe known.	Cevap 3 It is compared to things like a palace, a book, an exhibition, and a show.	Cevap 2 It describes Him as making it, directing it, organizing it, measuring it, and controlling it fully.	Cevap 1 The passage explains that the universe points to its Creator and also shows the need for a special messenger who teaches people the meaning and purpose behind creation.
Cevap 8 It means he would explain the lessons and signs found in the universe.	Cevap 7 He would teach the results of their actions and show the value and excellence found in creation.	Cevap 6 He would explain why the universe was created and teach the wisdom in the changes happening within it.	Cevap 5 A high-ranking, truthful, knowledgeable, and trustworthy teacher is needed.
Cevap 12 Because those changes are not pointless; they contain wisdom that people may not understand on their own.	Cevap 11 It means he would help people understand why Allah created the universe and what lessons it carries.	Cevap 10 Because once the universe is seen as meaningful and carefully arranged, it makes sense that someone must explain that meaning to people.	Cevap 9 It first points to a Maker who designed, ordered, and governs everything.

13 What is meant by the dutiful movements of the universe?	14 How does the passage describe the value of created beings?	15 What skill does the needed teacher have in relation to the universe as a book?	16 Why must this messenger be trustworthy?

Cevap 16 Because people must be able to rely on him when he explains Allah's purposes.	Cevap 15 He can read its meanings and teach them to others.	Cevap 14 It suggests that created beings have important worth and show beautiful qualities that need to be explained.	Cevap 13 It refers to the way creation acts in an ordered and obedient way according to Allah's command.
Cevap 20 It suggests planning, wisdom, and the action of a designer.	Cevap 19 Those comparisons help readers see that the universe is arranged with purpose, not left without meaning.	Cevap 18 The second truth is that this meaningful universe requires a messenger-teacher to explain it.	Cevap 17 The first truth is that the universe shows there is a Creator who made and manages it.
Cevap 24 He would explain the wisdom behind them.	Cevap 23 Because he must understand the universe deeply in order to teach its meanings correctly.	Cevap 22 It teaches that the one who explains Allah's purposes must be honest and reliable.	Cevap 21 Because the deeper meanings of that work need to be opened up and explained to others.
